Emblems of the Infinite King Zondervan Academic
Leading Reformed voice offers a revised and updated edition of his landmark publication about the freeing message of saving grace.
Four Views on the Spectrum of Evangelicalism Zondervan
Those looking for a single resource that collects clear teachings on the most important doctrines of Christianity need look no further than Gregg Allison's 50 Core Truths of the Christian Faith. This volume covers foundational doctrines of the nature and works of God, the Bible, God's created beings, Jesus, the Holy Spirit, salvation, the church, and the end times. And each chapter features clear guidance for how to teach and apply the doctrine today. Pastors, Sunday school teachers, and lay students of theology will find this an indispensable resource for understanding and teaching Christian theology.
Manual of Christian Doctrine Zondervan
Emblems of the Infinite King seeks to introduce young readers to the beauty of God's Word using the categories of systematic theology in bright, creative, and innovative ways. Written for kids ages 10+.
Pilgrim Theology Baker Books
William Cunningham (1805-1861) was an Scottish theologian. He was, in 1843, one of the founders of the Free Church of Scotland, and succeeded the doughty Thomas Chalmers as principal of the New College, Edinburgh, in 1847. His lectures surveying the history of theology, delivered between 1847 and 1861, became the basis for his Historical Theology. It remains a classic in the Reformed and Presbyterian tradition. In his magnum opus Cunningham surveys the following topics: I. The Church II. The Council of Jerusalem III. The Apostles ' Creed IV. The Apostolical Fathers V. The Heresies of the Apostolic Age VI. The Fathers of the Second and Third Centuries VII. The Church of the First Two Centuries VIII. The Constitution of the Church IX. The Doctrine of the Trinity X. The Person Of Christ XI. The Pelagian Controversy XII. The Worship of Saints and Images XIII. Civil and Ecclesiastical Authorities XIV. Scholastic Theology XV. Canon Law XVI. Witnesses for the Truth During The Middle Ages XVII. The Church at the Era of the Reformation XVIII. Council of Trent XIX. The Doctrine of the Fall XX. The Doctrine of the Will XXI. Justification XXII. The Sacramental Principle XXIII. The Socinian Controversy XXIV. Doctrine of the Atonement XXV. The Arminian Controversy XXVI. Church Government XXVII. The Erastian Controversy
He Who Gives Life Wm. B. Eerdmans Publishing
Unwinds the intricacies of covenant theology, making the complex surprisingly simple and accessible to every reader.

An Explorer's Guide to John Calvin Wipf and Stock Publishers
Most historical theology texts follow Christian beliefs chronologically, discussing notable doctrinal developments for all areas of theology according to their historical appearance. And while this may be good history, it can make for confusing theology, with the classic theological loci scattered throughout various time periods, movements, and controversies. In Historical Theology, Gregg Allison offers students the opportunity to study the historical development of theology according to a topical-chronological arrangement, setting out the history of Christian doctrine one theological element at a time. Such an approach allows readers to concentrate on one tenet of Christianity and its formulation in the early church, through the Middle Ages, Reformation, and post-Reformation era, and into the modern period. The text includes a generous mix of primary source material as well, citing the words of Cyprian, Augustine, Aquinas, Luther, Calvin, Barth, and others. Allison references the most accessible editions of these notable theologians' work so that readers can continue their study of historical theology through Christian history's most important contributors. Historical Theology is a superb resource for those familiar with Wayne Grudem's Systematic Theology or interested in understanding the development of Christian theology.
Half the Church Baker Books
Pilgrim Theology is a map for Christians seeking to better understand the core beliefs of their faith. Even though it's the study of God, theology has a reputation for being dry, abstract, and irrelevant for daily living. But theology is a matter of life and death. It affects the way you think, the decisions you make, the way you relate to God and the world. Reformed theologian and professor Michael Horton wrote Pilgrim Theology as a more accessible companion to his award-winning systematic theology The Christian Faith: widely praised for its thorough treatment of the biblical and historical foundations of Christian doctrine. In Pilgrim Theology, his focus is in putting the study of theology into the daily drama of discipleship. Each chapter will orient you toward a clear understanding about: Who God is. What our relationship is to him. And what our faith in Jesus Christ means in our daily walk as well as in the context of the narrative of Scripture and the community of the church. Through accessible chapters on individual doctrines, as well as frequent "Key Distinction" boxes that succinctly explain the differences between important themes, you'll gain an understanding of doctrines that may have sounded like technical seminary terms to you before: justification, sanctification, glorification, union with Christ, and others. You have a working theology already—an existing understanding of God. It's the goal of Pilgrim Theology to help you examine that understanding more closely and have it challenged and strengthened.
Foxe's Book of Martyrs DigiCat
A new edition of leading theologian Millard Erickson's classic text.
Putting Amazing Back Into Grace Zondervan Academic
A trinitarian exposition of Christian soteriology The relation of God and salvation is not primarily a problem to be solved.

Rather, it is the blazing core of Christian doctrine, where the triune nature of God and the truth of the gospel come together. Accordingly, a healthy Christian theology must confess the doctrine of the Trinity and the doctrine of salvation as closely related, mutually illuminating, and strictly ordered. When the two doctrines are left unconnected, both suffer. The doctrine of the Trinity begins to seem altogether irrelevant to salvation history and Christian experience, while soteriology meanwhile becomes naturalized, losing its transcendent reference. If they are connected too tightly, on the other hand, human salvation seems inherent to the divine reality itself. Deftly navigating this tension, Fountain of Salvation relates them by expounding the doctrine of eternal processions and temporal missions, ultimately showing how they inherently belong together. The theological vision expounded here by Fred Sanders is one in which the holy Trinity is the source of salvation in a direct and personal way, as the Father sends the Son and the Holy Spirit to enact an economy of revelation and redemption. Individual chapters show how this vision informs the doctrines of atonement, ecclesiology, Christology, and pneumatology—all while directly engaging with major modern interpreters of the doctrine of the Trinity. As Sanders affirms throughout this in-depth theological treatise, the triune God is the fountain from which all other doctrine flows—and no understanding of salvation is complete that does not begin there.

For Calvinism Zondervan Academic

How do we help our friends who have just become Christians or are young in the faith? In this concise and accessible book, Mike Patton unpacks the basics of the Christian faith, helping new believers think rightly about God and live fully for God as they begin their new life in Christ. In ten easy-to-read chapters, Patton introduces readers to the foundational teachings and life-giving practices of Christianity—from the doctrine of the Trinity to reading and understanding the Bible. Designed for individual use or small group discussion, this handbook on the Christian faith has the potential to become the go-to guide for new believers wanting to follow Jesus with their heads and their hands.

Rediscovering the Holy Spirit Zondervan Academic

Creation is the theater of God's glory. Scripture is like a pair of glasses that clarifies our vision of God. Justification is the hinge on which religion turns. These and other affirmations are often associated with John Calvin, the 16th-century French Protestant Reformer best known for his ministry in Geneva and his authorship of the Institutes of the Christian Religion. Over the course of his lifetime and through several editions, Calvin expanded the Institutes from a brief study to a four-volume book that covers the main doctrines of the Christian faith and continues to shape the theology of the Reformed tradition. In this volume, Reformed theologian Yudha Thianto guides readers through a careful study of Calvin's Institutes. After setting Calvin and his writing in their historical context, he outlines the most significant aspects of Calvin's theology, guiding those who would know more about his work and, through it, the God who inspired him. Books in the Explorer's Guide series are accessible guidebooks for those studying the great Christian texts and theologians from church history, helping readers explore the context in which these texts were written and navigate the rich yet complex terrain of Christian theology.

Beyond Personality: The Christian Idea of God InterVarsity Press

This new edition of Systematic Theology by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow as a Christian. The most widely used resource of the last 25 years in its area, Systematic Theology has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's

scriptural basis, and practical applications to daily life. With nearly 250 pages of new content and revisions, this new edition now includes the following distinctive features: Updated analysis of recent controversies within evangelical theology, including the eternal relationship between the Father and the Son in the Trinity, the role of women in the church, miraculous gifts of the Holy Spirit, and contemporary worship music. New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology, such as open theism, the "new perspective on Paul," Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming. Completely revised chapter on the clarity of Scripture. Completely revised chapter on creation and evolution, including a longer critique of theistic evolution and an extensive discussion on the age of the earth. New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels. Additional material explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies. All Scripture quotations updated from RSV to ESV. Updated section on contemporary worship music. Numerous other updates and corrections. Part of the brilliance of Systematic Theology has been its simplicity and ease of use. Each chapter follows the same structure: discussion of the doctrine being considered, an explanation of that doctrine's biblical support and possible objections, followed by personal application and key terms to know for personal growth. Chapters also include a Scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you think theology is hard to understand or boring, then this new edition of Systematic Theology will change your mind.

Progressive Dispensationalism Baker Books

Thoughtful and accessible. An up-to-date, comprehensive overview of the most important issues in dispensationalism, underpinned with accurate scholarship and summarized with clarity.

Now That I'm a Christian Baker Books

This concise tour of Christian doctrine is an ideal resource for Sunday School, reading groups, church-wide studies, and college courses examining the Christian faith and the Reformed tradition. A Study and Discussion Guide for Pilgrim Theology by Michael Horton helps groups and individuals work through the book by defining key terms, providing thought-provoking discussion questions, and making suggestions for additional reading. Intended for use with Pilgrim Theology, this guide also includes links and references to Horton's The Christian Faith. - Publisher.

Pilgrim Theology Wm. B. Eerdmans Publishing

Radical. Crazy. Transformative and restless. Every word we read these days seems to suggest there's a "next-best-thing," if only we would change our comfortable, compromising lives. In fact, the greatest fear most Christians have is boredom—the sense that they are missing out on the radical life Jesus promised. One thing is certain. No one wants to be "ordinary." Yet pastor and author Michael Horton believes that our attempts to measure our spiritual growth by our experiences, constantly seeking after the next big breakthrough, have left many Christians disillusioned and disappointed. There's nothing wrong with an energetic faith; the danger is that we can burn ourselves out on restless anxieties and unrealistic expectations. What's needed is not another program or a fresh approach to spiritual growth; it's a renewed appreciation for the commonplace. Far from a call to low expectations and passivity, Horton invites readers to recover their sense of joy in the ordinary. He provides a guide to a sustainable discipleship that happens over the long haul—not a quick fix that leaves readers empty with unfulfilled promises. Convicting and ultimately empowering, Ordinary is not a call to do less; it's an invitation to experience the elusive joy of the ordinary Christian life.

The Christian Faith Zondervan Academic

Understand the history, core values, and divisions as they've developed within the Evangelical Christian movement. *Four Views on the Spectrum of Evangelicalism* compares and contrasts four distinct positions on the current fundamentalist-evangelical spectrum. Each contributor offers their case for one of four primary views:

Fundamentalism – defended by Kevin T. Bauder

Conservative/confessional evangelicalism – defended by R. Albert

Mohler Jr. Generic evangelicalism – defended by John G. Stackhouse

Jr. Postconservative evangelicalism – defended by Roger E. Olson

Each author explains and defends his position, which is critiqued by the other three authors. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

Systematic Theology Crossway

This comprehensive theology of the Holy Spirit examines and explains the role of the third member of the Trinity.

Ordinary Baker Books

Whenever we read, think, hear or say anything about God, we are doing theology. Yet theology isn't just a matter of what we think. It affects who we are. In the tradition of Helmut Thielicke's *A Little Exercise for Young Theologians*, Kelly Kapic offers a concise introduction to the study of theology for newcomers to the field. He highlights the value and importance of theological study and explains its unique nature as a serious discipline. Not only concerned with content and method, Kapic explores the skills, attitudes and spiritual practices needed by those who take up the discipline. This brief, clear and lively primer draws out the relevance of theology for Christian life, worship, mission, witness and more. "Theology is about life," writes Kapic. "It is not a conversation our souls can afford to avoid."

Christian Faith InterVarsity Press

In his well-received *Christless Christianity* Michael Horton offered a prophetic wake-up call for a self-centered American church. With *The Gospel-Driven Life* he turns from the crisis to the solutions, offering his recommendations for a new reformation in the faith, practice, and witness of contemporary Christianity. This insightful book will guide readers in reorienting their faith and the church's purpose toward the good news of the gospel. The first six chapters explore that breaking news from heaven, while the rest of the book focuses on the kind of community that the gospel generates and the surprising ways in which God is at work in the world. Here is fresh news for Christians who are burned out on hype and are looking for hope.

Core Christianity Zondervan Academic

The system of theology known as Calvinism has been immensely influential for the past five hundred years, but it is often encountered negatively as a fatalistic belief system that confines human freedom and renders human action and choice irrelevant. Taking us beyond the caricatures, Michael Horton invites us to explore the teachings of Calvinism, also commonly known as Reformed theology, by showing us how it is biblical and God-centered, leading us to live our lives for the glory of God. Horton explores the historical roots of Calvinism, walking readers through the distinctive known as the "Five Points," and encouraging us to consider its rich resources for faith and practice in the 21st Century. As a companion to Roger Olson's *Against Calvinism*, readers will be able to compare contrasting perspectives and form their own opinions on the merits and weaknesses of Calvinism.
