Graceful Reading Createspace Independent Publishing Platform

Unwinds the intricacies of covenant theology, making the complex surprisingly simple and accessible to every reader.

*Evangelical Theology* P & R Publishing

A Puritan Theology: Doctrine for Life offers a groundbreaking treatment of the Puritans' teaching on most major Reformed doctrines, particularly those doctrines in which the Puritans made significant contributions. Since the late 1950s, nearly 150 Puritan authors and 700 Puritan titles have been reprinted and catalogued by Joel Beeke and Randall Pederson in their 2006 collection of mini-biographies and book reviews, titled, Meet the Puritans. However, no work until now has gathered together the threads of their teaching into a unified tapestry of systematic theology. A Puritan Theology, by Joel Beeke and Mark Jones, attempts to do that. The book addresses Puritan teachings on all six loci of theology, covering fifty areas of doctrine. The book explores Puritan teachings on biblical interpretation, God, predestination, providence, angels, sin, the covenants, the gospel, Christ, preparation for conversion, regeneration, coming to Christ, justification, adoption, church government, the Sabbath, preaching, baptism, heaven, hell, and many other topics. It ends with eight chapters that explore Puritan "theology in practice." Some chapters highlight the work of a specific theologian such as William Perkins, William Ames, John Owen, Stephen Charnock, or Thomas Goodwin on a specific topic. Other chapters survey various authors on a particular subject. The goal of A Puritan Theology is to increase knowledge in the mind and godliness in the soul. It was written for theologians, historians, pastors, and educated laymen who seek to learn more about Puritan theology.

*Introducing Covenant Theology* Kregel Publications

Includes selections from Plato, Boethius, Anselm, Thomas Aquinas, David Hume, Kierkegaard, William James, Anthony Flew, accompanied by modern essays.

**Christian Theology and Its Institutions in the Early Roman Empire** Baker Books

Essays discuss the television evangelists and their teachings, and suggest that they may be misinterpreting Christian doctrine

*A Puritan Theology* Moody Pub

How cultivating a healthy fear of God liberates us from our fear of others, our fear of the future, and even our fear of death itself. At times the

world feels like it's losing its mind. From politics to the pandemic, we live with an ever-increasing uncertainty, and many of us have grown to fear the rapid disintegration of our society and our own lives. Recovering Our Sanity is not another self-help book about how to beat your daily fears for a better life. It's a book that will show you the gravity and glory of a God who's worthy of our fear. It's a book that will reveal how these two biblical phrases—Fear God and Do Not Be Afraid—are not contradictory but actually one coherent message. Michael Horton—Professor of Theology and Apologetics at Westminster Seminary—shows us that we cannot fight our fears by seeking the absence of fear altogether, but by living with a fear of God that drives out the fear of everything else. Horton will walk you through the case for the fear of God by: Developing what it means to fear God, biblically and theologically, and what this kind of fear looks like in practice. Categorizing different types of fears—from cultural anxiety to pain and hardship—and what they stem from. Focusing on how to confront our earthly fears with our hope in Christ, rooted in the gospel. Reminding us that God does not exist for us; we exist for God. Humbling, thought-provoking, and hope-igniting, Recovering Our Sanity delivers a timely message that will help you shift your focus from a human-centered obsession with self-preservation to a fixation on Christ and his salvation. Rather than clinging to false securities and promises of immediate gratification, you can gain the lasting joy of knowing the One who has given himself to save us and who says to us, "Do not be afraid."

**Emblems of the Infinite King** Zondervan

The 2011 award-winning publication The Christian Faith garnered wide praise as a thorough, well-informed treatment of the philosophical foundations of Christian theology, the classical elements of systematic theology, and exegesis of relevant biblical texts. Pilgrim Theology distills the distinctive benefits of this approach into a more accessible introduction designed for classroom and group study. In this book, Michael Horton guides readers through a preliminary exploration of Christian theology in "a Reformed key." Horton reviews the biblical passages that give rise to a particular doctrine in addition to surveying past and present interpretations. Also included are sidebars showing the key distinctions readers need to grasp on a particular subject, helpful charts and tables illuminating exegetical and historical topics, and questions at the end of each chapter for individual, classroom, and small group reflection. Pilgrim Theology will help undergraduate students of theology and educated laypersons gain an understanding of the Christian tradition's biblical and

historical foundations.

**Systematic Theology** Crossway

Emblems of the Infinite King seeks to introduce young readers to the beauty of God's Word using the categories of systematic theology in bright, creative, and innovative ways. Written for kids ages 8-14.

*Recovering Our Sanity* Zondervan Academic

A biblical, clear, cogent, accessible, comprehensive, and practical summary of Christian belief by one of the most important and original American theologians of the last hundred years.

Romans Oxford University Press, USA

Graceful Reading offers a new way of understanding Bunyan's theology and his narrative art, examining and reassessing the complex and interdependent relationship between them. Michael Davies begins by proposing that Bunyan's theology is far from obsessed with the forbidding Calvinist doctrine of predestination and its corollary tendency towards painful introspection. Bunyan's is, rather, a comfortable doctrine, in which the believer is encouraged to accept salvation through the far more assuring terms of Bunyan's covenant theology - those of faith and grace. The book then reassesses how Bunyan's narrative style is informed by this theology. Works such as *Grace Abounding* and *The Pilgrim's Progress* reveal a profound sensitivity to narrative forms and reading practices, as they aim to inculcate in their readers a self-consciousness about reading itself which is instrumental in the very process of spiritual instruction, in seeing 'things unseen'. This is a study, therefore, which asserts a radically different way of reading of Bunyan's writings, both through the terms of seventeenth-century covenant theology, and through some distinctly 'postmodernist' ideas about narrative practice.

*"Reformed" is Not Enough* Crossway

Those looking for a single resource that collects clear teachings on the most important doctrines of Christianity need look no further than Gregg Allison's *50 Core Truths of the Christian Faith*. This volume covers foundational doctrines of the nature and works of God, the Bible, God's created beings, Jesus, the Holy Spirit, salvation, the church, and the end times. And each chapter features clear guidance for how to teach and apply the doctrine today. Pastors, Sunday school teachers, and lay students of theology will find this an indispensable resource for understanding and teaching Christian theology.

Crossway Books

Most of life is mundane: work, school, home, TV, church, sleep, repeat. Sometimes it seems as if there's no point to our "normal" lives. But what we must remember is that we're actually part of something huge: God's story—the greatest story ever told. In *The Story of Everything*, Jared Wilson takes readers on a journey that starts

before the creation of the world and ends after everything has been made new. Wilson shows us that the gospel isn't just a ticket to heaven but God's incredible and unstoppable vision for all of creation. Looking at God's redemptive plan for humanity, this book will help you understand what the gospel means for your life, your home, your pets, your hobbies, and more.

*Grand Central Question* Zondervan

The system of theology known as Calvinism has been immensely influential for the past five hundred years, but it is often encountered negatively as a fatalistic belief system that confines human freedom and renders human action and choice irrelevant. Taking us beyond the caricatures, Michael Horton invites us to explore the teachings of Calvinism, also commonly known as Reformed theology, by showing us how it is biblical and God-centered, leading us to live our lives for the glory of God. Horton explores the historical roots of Calvinism, walking readers through the distinctive known as the "Five Points," and encouraging us to consider its rich resources for faith and practice in the 21st Century. As a companion to Roger Olson's *Against Calvinism*, readers will be able to compare contrasting perspectives and form their own opinions on the merits and weaknesses of Calvinism.

A Theology of the Ordinary Baker Books

Jonathan Leeman addresses the commonly asked (and often unanswered) question of, "Why should I join a church?" in a time when many are shunning the practice of organized religion. By offering a brief, straightforward explanation of what church membership is and why it's important, Leeman gives the local church its proper due and builds a case for committing to the local body. Church Membership is a useful tool for churches to distribute en masse to new and potential members of their congregation. This volume is part of the *9Marks: Building Healthy Churches* series. Look for upcoming, quick-read formats of the following marks of a healthy church: expositional preaching, biblical theology, the gospel, conversion, evangelism, church discipline, discipleship and growth, and church leadership.

*The Reformed Pastor* Crossway

Radical. Crazy. Transformative and restless. Every word we read these days seems to suggest there's a "next-best-thing," if only we would change our comfortable, compromising lives. In fact, the greatest fear most Christians have is boredom—the sense that they are missing out on the radical life Jesus promised. One thing is certain. No one wants to be "ordinary." Yet pastor and author Michael Horton believes that our attempts to measure our spiritual growth by our experiences, constantly seeking after the next big breakthrough, have left many Christians disillusioned and disappointed. There's nothing wrong with an energetic faith; the danger is that we can burn ourselves out on restless anxieties and unrealistic expectations. What's needed is not another program or a fresh approach to spiritual growth; it's a renewed appreciation for the commonplace. Far from a call to low

expectations and passivity, Horton invites readers to recover their sense of joy in the ordinary. He provides a guide to a sustainable discipleship that happens over the long haul—not a quick fix that leaves readers empty with unfulfilled promises. Convicting and ultimately empowering, *Ordinary* is not a call to do less; it's an invitation to experience the elusive joy of the ordinary Christian life.

*The Agony of Deceit* Crossway Books

*Beyond Culture Wars* shows that the church, not the world, must become our primary target for reformation.

*The Story of Everything* Reformed Free Pub Assn

Subjects in dogmatics are made simpler for the average reader under one of six headings, each of which stands for one of the traditional loci of dogmatics. There are more than 235 separate articles, each about a page and a half long. They are brief but comprehensive.

Especially good for introducing newcomers to the Reformed faith. Index supplied to key words in all article titles. Comprehensive Table of Contents also supplied. Quick way to learn a great deal of subject matter.

**Church Membership** Oxford University Press on Demand

Women comprise at least half the world, and usually more than half the church, but so often Christian teaching to women either fails to move beyond a discussion of roles or assumes a particular economic situation or stage of life. This all but shuts women out from contributing to God's kingdom as they were designed to do. Furthermore, the plight of women in the Majority World demands a Christian response, a holistic embrace of all that God calls women and men to be in his world. The loudest voices speaking into women's lives in the twenty-first century thus far come from either fundamentalist Islam or radical feminism. And neither can be allowed to carry the day. The Bible contains the highest possible view of women and invests women's lives with cosmic significance regardless of their age, stage of life, social status, or culture. Carolyn Custis James unpacks three transformative themes the Bible presents to women that raise the bar for women and calls them to join their brothers in advancing God's gracious kingdom on earth. These new images of what can be in Christ free women to embrace the life God gives them, no matter what happens. Carolyn encourages readers with a positive, kingdom approach to the changes, challenges, and opportunities facing women throughout the world today.

Biblical Worship Crossway

The *Knowing the Bible* series is a new resource designed to help

Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The book of Romans was Paul's greatest literary achievement, a majestic letter in which the apostle expounds on crucial doctrines such as original sin, election, substitutionary atonement, the role of the law, and justification by faith alone. Plumbing the theological depths, Jared Wilson writes with a pastor's eye toward understanding and application as he explains the biblical text with clarity and passion, helping readers follow along as Paul recounts the history of salvation and illuminates the glories of the cross of Christ.

For Calvinism InterVarsity Press

Most historical theology texts follow Christian beliefs chronologically, discussing notable doctrinal developments for all areas of theology according to their historical appearance. And while this may be good history, it can make for confusing theology, with the classic theological loci scattered throughout various time periods, movements, and controversies. In *Historical Theology*, Gregg Allison offers students the opportunity to study the historical development of theology according to a topical-chronological arrangement, setting out the history of Christian doctrine one theological element at a time. Such an approach allows readers to concentrate on one tenet of Christianity and its formulation in the early church, through the Middle Ages, Reformation, and post-Reformation era, and into the modern period. The text includes a generous mix of primary source material as well, citing the words of Cyprian, Augustine, Aquinas, Luther, Calvin, Barth, and others. Allison references the most accessible editions of these notable theologians' work so that readers can continue their study of historical theology through Christian history's most important contributors. *Historical Theology* is a superb resource for those familiar with Wayne Grudem's *Systematic Theology* or interested in understanding the development of Christian theology.

**A Little Book for New Theologians** Pilgrim Theology

---

In this quick and vibrant little book, Kelly Kopic presents the nature, method and manners of theological study for newcomers to the field. He emphasizes that theology is more than a school of thought about God, but an endeavor that affects who we are. "Theology is about life," writes Kopic. "It is not a conversation our souls can afford to avoid."
