The Selected Letters of Laura Ingalls Wilder Routledge

From her pioneer days on the prairie to her golden years with her husband, Almanzo, and their daughter, Rose, Laura Ingalls Wilder has become a friend to all who have read about her adventures. This behind-the-scenes account chronicles the real events in Laura's life that inspired her to write her stories and also describes her life after the last Little House book ends.

The Wilder Life HarperCollins

"A side-by-side textual comparison of the three surviving typescript revisions of "Pioneer Girl" that uses the texts themselves to draw inferences about Laura Ingalls Wilder's authorial and Rose Wilder Lane's editorial processes and intentions, as well as about the working relationship between the two women during their attempts to market "Pioneer Girl" as adult nonfiction, prior to the publication of Wilder's Little House novels that are based on these original manuscripts"--

Prairie Fires HarperCollins

A story of frontier love and courage... Newlyweds Molly and David are only sixteen and eighteen years old when they pack up their wagon and head west across the plains in search of a new homestead. At first their new life is full of promise: The wheat is high, the dugout is warm and cozy, and a new baby is born to share in their happiness. Then disaster strikes, and David must go east for the winter to find work. Molly is left alone with the baby -- with nothing but her own courage to face the dangers of the harsh prairie winter.

The Story of Laura Ingalls Wilder Harper Collins

A life on the prairie is not all its cracked up to be for one girl whose mom takes her love of the Little House series just a bit too far. Charlotte 's mom has just moved the family across the country to live in Walnut Grove, " childhood home of pioneer author Laura Ingalls Wilder. " Mom 's idea is that the spirit of Laura Ingalls will help her write a bestselling book. But Charlotte knows better: Walnut Grove is just another town where Mom can avoid responsibility. And this place is worse than everywhere else the family has lived—it 's freezing in the winter, it 's small with nothing to do, and the people talk about Laura Ingalls all the time. Charlotte 's convinced her family will not be able to make a life on the prairie—until the spirit of Laura Ingalls starts getting to her, too.

Ma and the girls follow Pa west by train where they make their home at a rough railroad camp and plan for their own homestead. A Newbery Honor Book. Reissue.

Pioneer Girl South Dakota State Historical Society Press

Laura Ingalls Wilder wrote stories that have defined the American frontier for generations of readers. As both author and character in her own books, she became one of the most famous figures in American children 's literature. Her famous Little House on the Prairie series, based on her childhood in Wisconsin, Kansas, Minnesota, and South Dakota, blended memoir and fiction into a vivid depiction of nineteenth-century settler life that continues to shape many Americans ' understanding of the country 's past. Poised between fiction and fact, literature and history, Wilder 's life is a fascinating window on the American West. Placing Wilder 's life and work in historical context, and including previously unpublished material from the Wilder archives, Sallie Ketcham introduces students to domestic frontier life, the conflict between Native Americans and infringing white populations, and the West in public memory and imagination.

The Annotated Autobiography Skyhorse

The Laura Ingalls Wilder: Pioneer Woman primary source reader builds literacy skills while offering engaging content across social studies subject areas. Primary source documents provide an intimate glimpse into what life was like during the 1800s. This nonfiction reader can be purposefully differentiated for various reading levels and learning styles. It contains text features to increase academic vocabulary and comprehension, from captions and bold print to index and glossary. The "Your Turn!" activity will continue to challenge students as they extend their learning. This text aligns to state standards as well as McREL, WIDA/TESOL, and the NCSS/C3 Framework.

Ransome's Honor Oxford University Press on Demand

Before Laura Ingalls Wilder found fame with her Little House books, she made a name for herself with short nonfiction pieces in magazines and newspapers. Read today, these pieces offer insight into her development as a writer and depict farm life in the Ozarks—and also show us a different Laura Ingalls Wilder from the woman we have come to know. This volume collects essays by Wilder that originally appeared in the Missouri Ruralist between 1911 and 1924. Building on the initial compilation of these articles under the title Little House in the Ozarks, this revised edition marks a more comprehensive collection by adding forty-two additional Ruralist articles and restoring passages previously omitted from other articles. Writing as " Mrs. A. J. Wilder " about modern life in the early twentieth-century Ozarks, Laura lends her advice to women of her generation on such timeless issues as how to be an equal partner with their husbands, how to support the new freedoms they 'd won with the right to vote, and how to maintain important family values in their changing world. Yet she also discusses such practical matters as how to raise chickens, save time on household tasks, and set aside time to relax now and then. New articles in this edition include " Making the Best of Things, " " Economy in Egg Production, " and " Spic, Span, and Beauty. " " Magic in Plain Foods " reflects her cosmopolitanism and willingness to take advantage of new technologies, while " San Marino Is Small but Mighty " reveals her social-political philosophy and her interest in cooperation and community as well as in individualism and freedom. Mrs. Wilder was firmly committed to living in the present while finding much strength in the values of her past. A substantial introduction by Stephen W. Hines places the essays in their biographical and historical

context, showing how these pieces present Wilder 's unique perspective on life and politics during the World War I era while commenting on the challenges of surviving and thriving in the rustic Ozark hill country. The former little girl from the little house was entering a new world and wrestling with such issues as motor cars and new " labor-saving " devices, but she still knew how to build a model small farm and how to get the most out of a dollar. Together, these essays lend more insight into Wilder than do even her novels and show that, while technology may have improved since she wrote them, the key to the good life hasn 't changed much in almost a century. Laura Ingalls Wilder, Farm Journalist distills the essence of her pioneer heritage and will delight fans of her later work as it sheds new light on a vanished era.

Laura Ingalls Wilder's Impact on American Culture Timber Press

A young pioneer couple homesteading in the Dakotas are beset with hardships and misfortune.

Laura Ingalls Wilder Not Applicable

WINNER OF THE PULITZER PRIZE WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD ONE OF THE NEW YORK

TIMES BOOK REVIEW'S 10 BEST BOOKS OF THE YEAR The first comprehensive historical biography of Laura Ingalls Wilder, the beloved author of the Little House on the Prairie books Millions of readers of Little House on the Prairie believe they know Laura Ingalls—the pioneer girl who survived blizzards and near-starvation on the Great Plains, and the woman who wrote the famous autobiographical books. But the true saga of her life has never been fully told. Now, drawing on unpublished manuscripts, letters, diaries, and land and financial records, Caroline Fraser—the editor of the Library of America edition of the Little House series—masterfully fills in the gaps in Wilder 's biography. Revealing the grown-up story behind the most influential childhood epic of pioneer life, she also chronicles Wilder's tumultuous relationship with her journalist daughter, Rose Wilder Lane, setting the record straight regarding charges of ghostwriting that have swirled around the books. The Little House books, for all the hardships they describe, are paeans to the pioneer spirit, portraying it as triumphant against all odds. But Wilder 's real life was harder and grittier than that, a story of relentless struggle, rootlessness, and poverty. It was only in her sixties, after losing nearly everything in the Great Depression, that she turned to children 's books, recasting her hardscrabble childhood as a celebratory vision of homesteading—and achieving fame and fortune in the process, in one of the most astonishing rags-to-riches episodes in American letters. Spanning nearly a century of epochal change, from the Indian Wars to the Dust Bowl, Wilder 's dramatic life provides a unique perspective on American history and our national mythology of self-reliance. With fresh insights and new discoveries, *Prairie Fires* reveals the complex woman whose classic stories grip us to this day.

On the Banks of Plum Creek Harper Collins

"[E]xamines Wilder's tumultuous, but ultimately successful, professional and personal relationship with her daughter—the hidden editor—Rose Wilder Lane.

Little House in the Big Woods, Farmer Boy, Little House on the Prairie, On the Banks of Plum Creek, By the Shores of Silver Lake University of Missouri Press

The Ransome Trilogy from exciting new author Kaye Dacus combines the wit, romance, and social commentary of Jane Austen with the sea-faring adventure of Horatio Hornblower. July 1814. The war with France has ended, and Captain William Ransome, known for never letting women aboard his ship, has returned to Portsmouth, England. Julia Witherington, considered an old-maid at 29, discovers that she must marry immediately to receive a large dowry. Julia knows that the only man she doesn 't want to marry is William Ransome. And the only man her father will approve of is...William Ransome. When the couple strikes a financial deal to feign marriage for one year, the adventure begins. These stubborn people face humorous and hard situations that reveal what else they have in common—a growing affection for one another. This intriguing tale of faith and loyalty is a wonderful new offering for readers of all genres.

The Domesticated Guide to Statistics, Models, Graphs, and Other Breeds of Data Analysis HarperCollins

A biography of the writer whose pioneer life on the American prairie became the basis for her "Little House" books.

Little Town on the Prairie HarperCollins

Sheppard demonstrates that the colony was a fragmented and pluralistic community before the war and remained so after it. Upper Canadians were divided by racial, religious, linguistic, and class differences and the majority of settlers had no strong ties to either the United States or Britain, with most men avoiding military service during the war. Reviewing the claims submitted for damages attributed to the fighting, he argues that British forces as well as enemy troops were responsible for widespread destruction of private property and concludes that this explains why there was little increase in anti-American feeling after the war. Much of the wartime damage occurred in areas west of York (now Toronto). This was the cause of grievances harboured by settlers in the western part of Upper Canada against their eastern counterparts long after the war had ended. As well, some Upper Canadians profited from wartime activities while others suffered greatly. Only later, in the 1840s when these issues had faded from memory, did Canadians begin to create a favourable version of wartime events. Using garrison records, muster rolls, diaries, newspapers, and damage claims registered after the war, the author delves beyond the rhetoric of wartime loyalties and reveals how the legacy of war complicated colonial politics.

A Social History of the War of 1812 in Upper Canada University of Missouri Press

Generations of children have fallen in love with the pioneer saga of the Ingalls family, of Pa and Ma, Laura and her sisters, and their loyal dog, Jack. Laura Ingalls Wilder's Little House books have taught millions of Americans about frontier life, giving inspiration to many and in the process becoming icons of our national identity. Yet few realize that this cherished bestselling series wandered far from the actual history of the Ingalls family and from what Laura herself understood to be central truths about pioneer life. In this groundbreaking narrative of literary detection, Christine Woodside reveals for the first time the full extent of the collaboration between Laura and her daughter, Rose Wilder Lane. Rose hated farming and fled the family homestead as an adolescent, eventually becoming a nationally prominent magazine writer, biographer of Herbert Hoover, and successful novelist, who shared the political values of Ayn Rand and became mentor to Roger Lea MacBride, the second Libertarian presidential candidate. Drawing on original manuscripts and letters, Woodside shows how Rose reshaped her mother's story into a series of heroic tales that rebutted the policies of the New Deal. Their secret collaboration would lead in time to their estrangement. A fascinating look at the relationship between two strong-willed women, Libertarians on the Prairie is also the deconstruction of an American

myth. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

[Little Author in the Big Woods](#) McGill-Queen's Press - MQUP

A biography of Rose Wilder Lane, ghostwriter of her mother's "Little House" books and a journalist.

The Revised Texts HarperCollins

Published over eighty years after its inception, "Pioneer Girl: The Annotated Autobiography" edited by Pamela Smith Hill gave readers new insight into the truth behind Wilder's fiction. "Pioneer Girl Perspectives" further demonstrates the importance of Wilder as an influential American author whose stories of growing up on the frontier remain relevant today.

[The American Dreams of Laura Ingalls Wilder](#) Wheatmark, Inc.

Laura Ingalls Wilder's unedited, and unpublished, draft of her autobiography that was written for an adult audience and eventually served as the foundation for her popular Little House on the Prairie series includes not-safe-for-children tales that feature stark scenes of domestic abuse, love triangles gone awry and a man who lit himself on fire while drunk off whiskey.

Every summer for almost forty years, tens of thousands of Moroccan emigrants from as far away as Norway and Germany have descended on the duty-free smugglers' cove/migrant frontier boomtown of Nador, Morocco. David McMurray investigates the local effects of the multiple linkages between Nador and international commodity circuits, and analyzes the profound effect on everyday life of the free flow of bodies, ideas, and commodities into and out of the region. Combining immigration and population statistics with street-level ethnography, *In and Out of Morocco* covers a wide range of topics, including the origin and nature of immigrant nostalgia, the historical evolution of the music of migration in the region, and the influence of migrant wealth on the social distinctions in Nador. Groundbreaking in its attention to the performative aspects of life in a smuggling border zone, the book also analyzes the way in which both migration and smuggling have affected local structures of feeling by contributing to the spread of hyperconsumption. The result is a rare and revealing inquiry into how the global culture is lived locally.
