Many Pioneer car  
stereo systems include  
the Pioneer Supertuner  
IIID tuner as an  
alternative to the  
standard AM/FM radio  
found in most Pioneer  
car stereos. Pioneer  
says the Supertuner  
IIID offers superior  
sound quality compared  
to that of their  
standard radio tuners.

Many systems that  
include the Supertuner  
IIID tuner can play MP3  
files, WMA files and  
CDs.
