Pioneer Vsx 21 Manual
Undergraduate Application Form

The SX-580 is not a "bottom of
the line" Pioneer receiver. The
SX series was a quality line of
receivers using quality parts.
The Pioneer SX-580 supplied the
speakers with 20 watts per
channel. The reviewer states
"only" 20 wpc. If used in a
bedroom smaller living room
those 20 wpc from that Pioneer
will blow you away.
