Loved by millions of children around the world Pippi Longstocking is one of the most popular children's characters of all time. This new edition of the classic Pippi story by Astrid Lindgren, contains brand new black and white artwork by award-winning illustrator Mini Grey, introducing Pippi's adventurous spirit to a whole new generation of readers. In Pippi Goes Aboard, Pippi Longstocking is back and as crazy and as funny as ever! But for Tommy and Annika, the fun might stop all too soon if Pippi agrees to go back to sea with her father.

[Pippi Goes on Board](#) Yearling

The first English†language biography of Astrid Lindgren provides a moving and revealing portrait of the beloved Scandinavian literary icon whose adventures of Pippi Longstocking have influenced generations of young readers all over the world. Lindgren's sometimes turbulent life as an unwed teenage mother, outspoken advocate for the rights of women and children, and celebrated editor and author is chronicled in fascinating detail by Jens Andersen, one of Denmark's most popular biographers.

Based on extensive research and access to primary sources and letters, this highly readable account describes Lindgren's battles with depression and her personal struggles through war, poverty, motherhood, and fame. Andersen examines the writer's oeuvre as well to uncover the secrets to the books' universal appeal and why they have

resonated so strongly with young readers for more than seventy years.

Outrageous Pippi

Longstocking has no parents around and no rules to follow, so she lives according to her own daredevilish ways. She's been treating her friends Tommy and Annika to wild adventures, too--like buying and eating seventy-two pounds of candy, or sailing off to an island in the middle

of a lake to see what it's like to be shipwrecked. But then Pippi's long lost father returns, and she might have to leave Villa Villekulla! From the Hans Christian Andersen Medal-winning author of the classic Pippi Longstocking, this is another rollicking adventure that's sure to please fans of the freckled, fun-loving little girl. "Lovers of Pippi Longstocking will welcome this rollicking tale of a topsy-turvy world in which Pippi and her next-door neighbors put into practice some ideas about good times." - School Library Journal

Pippi Fixes Everything

Arthur a Levine

Pippi Longstocking is nine years old. She has just moved into Villa Villekulla where she lives all by herself with a horse, a monkey, and a big suitcase full of gold coins. The grown-ups in the village try to make Pippi behave in ways that they think a little girl should, but Pippi has other ideas. She would much rather spend her days arranging wild, exciting adventures to enjoy with her neighbours, Tommy and Annika, or

entertaining everyone she meets with her outrageous stories. Pippi thinks nothing of wrestling a circus strongman, dancing a polka with burglars, or tugging a bull's tail. Generations of children have fallen in love with Pippi Longstocking. Just like Tommy and Annika, readers are instantly charmed by her warmth and sense of fun. Astrid Lindgren's children's classic first appeared in 1945. Astrid once commented, 'I write to amuse the child within me, and can only hope that other children may have some fun that way, too.' When she was growing up, Lauren Child loved Astrid Lindgren's books. She remembers: 'I discovered Pippi when I was about eight years old and found her completely inspiring.' Known and loved as the creator of some equally feisty little girls - notably Clarice Bean and Lola - Lauren has brought her own inimitable style to this beautifully-illustrated edition of Pippi Longstocking.

The Children on Troublemaker Street

Yale University Press

Pippi lives in a house with a horse, a

monkey, a suitcase full of gold, and no grown-ups to tell her what to do. She's wild and funny and her crazy ideas have a way of making anything exciting! This edition contains all three classic Pippi Longstocking adventures.

The Red Bird Oxford University Press - Children

Smidge is used to Karlson, the funny little man with a propeller on his back, living on the roof. They are firm friends. Now, anytime Karlson pops in, Smidge knows that there's fun and adventure in store. In this collection of stories, they flood the bathroom, celebrate Karlson's birthday, and prompt a newspaper to offer a reward when Karlson is mistaken for a spy!

In a northern English town, Lizzie, despite her own grief over the death of her mother, tries to distract her grief-stricken father by helping him enter and prepare for the

Great Human Bird Competition.

True Talents Oxford University Press - Children

Winner of the 2019 American Association for the History of Nursing Lavinia L. Dock Award for Exemplary Historical Research and Writing in a Book "Catchin' babies" was merely one aspect of the broad role of African American midwives in the twentieth-century South. Yet, little has been written about the type of care they provided or how midwifery and maternity care evolved under the increasing presence of local and federal health care structures. Using evidence from nursing, medical, and public health journals of the era; primary sources from state and county departments of health; and personal accounts from varied

practitioners, *Delivered by Midwives: African American Midwifery in the Twentieth-Century South* provides a new perspective on the childbirth experience of African American women and their maternity care providers. Author Jenny M. Luke moves beyond the usual racial dichotomies to expose a more complex shift in childbirth culture, revealing the changing expectations and agency of African American women in their rejection of a two-tier maternity care system and their demands to be part of an inclusive, desegregated society. Moreover, Luke illuminates valuable aspects of a maternity care model previously discarded in the name of progress. High maternal and infant mortality rates led to the

passage of the Sheppard-Towner Maternity and Infancy Protection Act in 1921. This marked the first attempt by the federal government to improve the welfare of mothers and babies. Almost a century later, concern about maternal mortality and persistent racial disparities have forced a reassessment. Elements of the long-abandoned care model are being reincorporated into modern practice, answering current health care dilemmas by heeding lessons from the past.
