On The Mark Press

Pippi Longstocking is nine years old. She has just moved into Villa Villekulla where she lives all by herself with a horse, a monkey, and a big suitcase full of gold coins. The grown-ups in the village try to make Pippi behave in

ways that they think a little girl should, but Pippi has other ideas. She would much rather spend her days arranging wild, exciting adventures to enjoy with her neighbours, Tommy and Annika, or entertaining everyone she meets with her outrageous stories. Pippi thinks nothing of wrestling a circus strongman, dancing a polka with burglars, or tugging a bull's tail. Generations of children have fallen in love with Pippi Longstocking. Just like Tommy and Annika, readers are instantly charmed by her warmth and sense of fun. Astrid Lindgren's children's classic first appeared in 1945. Astrid once commented, 'I write to amuse the child within me, and can only hope that other children may have some fun that way, too.' When she was growing up, Lauren Child loved Astrid Lindgren's books. She remembers: 'I discovered Pippi when I was about eight years old and found her completely inspiring.' Known and loved as the creator of some equally feisty little girls - notably Clarice Bean and Lola - Lauren has brought her own inimitable style to this beautifully-illustrated edition of Pippi Longstocking.

Outrageous Pippi Longstocking has no parents around and no rules to follow, so she lives according to her own daredevilish ways. She's been treating her friends Tommy and Annika to wild adventures, too--like buying and eating seventy-two pounds of candy, or sailing off to an island in the middle of a lake to see what it's like to be shipwrecked. But then Pippi's long lost father returns, and she might have to leave Villa Villekulla! From the Hans Christian Andersen Medal-winning author of the classic Pippi Longstocking, this is another rollicking adventure that's sure to please fans of the freckled, fun-loving little girl. "Lovers of Pippi Longstocking will welcome this rollicking tale of a topsy-turvy world in which Pippi and her next-door neighbors put into practice some ideas about good times." - School Library Journal

The Children of Noisy Village Routledge
THE LOST MASTERPIECE FROM ASTRID LINDGREN ' S CHILDREN ' S CLASSIC Pippi Moves In marks the first time that the legendary Pippi Longstocking comics by the famed children ' s author and creator Astrid Lindgren and Danish illustrator Ingrid Vang Nyman will be published outside of Scandinavia in thirty years, as well as their first ever publication in English. The outspoken strong-girl with the carrot-colored pigtails and the mismatched socks has enthralled generations of children the world over with her fabulous exploits at Villa Villekulla, where she lives with her horse and monkey. Countless translations of the chapter books are available in more than sixty languages. Pippi is Sweden ' s best-known children ' s export, making it all the more remarkable that D+Q has discovered what will be a three-volume series. The comics are re-imaginings of the classic chapter book stories and were originally published in the Swedish magazine Humpty Dumpty in 1957 – 1959, a decade after the original books. The comics spotlight both Lindgren ' s brilliant writing and Vang Nyman ' s bold bright colors that seem presciently and eerily modern. The original illustrator for the chapter books, Vang Nyman was an avant-garde champion of the importance of children ' s literature who insisted that art in children ' s books needed to meet the same esthetic standards as art in any other medium. Sadly Vang Nyman never achieved international success, and tragically committed suicide in 1959 due to mental health issues, while Lindgren went on to become one of

the world ’ s best-loved writers with more than 145 million books sold worldwide. Similar to D+Q ’ s 2005 unearthing of the Tove Jansson ’ s Moomin comic strip, which has more than 100,000 units in print, these mid-century classics are waiting to be discovered and enjoyed by the world ’ s legions of Pippi fans, both young and old.
