### *Plain English for Lawyers Teacher's Manual* Lulu.com

"Professor Joseph Kimble, a leading expert on plain language, has collected in this one book many of his published essays. They will interest and inform judges, lawyers, law students, legal scholars, and anyone else who engages in legal writing."--BOOK JACKET.

### **Language on Trial** Oxford University Press on Demand

This best-selling book outlines the causes and consequences of bad legal writing and prescribes straightforward, easy-to-apply remedies that will make your writing readable. Usage notes address lawyers' most common errors, and editing exercises allow readers to test their skills, making this an invaluable tool for practicing lawyers as well as a sensible grounding for law students. New sections in this edition: - Getting to the point - Communicating digitally - Writing persuasively - Twenty-five common mistakes"--Provided by publisher.

### Successfully Defending Your Credit Card Lawsuit HarperCollins Publishers

This picaresque story, set in modern-day Prague, is an "invariably lively, often funny" (Washington Post) portrait of a nation in transition, a stylish combination of political allegory and whodunit. Translated by Neil Bermel. Harvest in Translation series

### Plain English for Lawyers Simon and Schuster

A favorite classroom prep tool of successful students that is often recommended by professors, the Examples & Explanations (E&E) series provides an alternative perspective to help you understand your casebook and in-class lectures. Each E&E offers hypothetical questions complemented by detailed explanations that allow you to test your knowledge of the topics in your courses and compare your own analysis. Here's why you need an E&E to help you study throughout the semester: Clear explanations of each class topic, in a conversational, funny style. Features hypotheticals similar to those presented in class, with corresponding analysis so you can use them during the semester to test your understanding, and again at exam time to help you review. It offers coverage that works with ALL the major casebooks, and suits any class on a given topic. The Examples & Explanations series has been ranked the most popular study aid among law students because it is equally as helpful from the first day of class through the final exam.

### Plain English for Lawyers Robson Books Limited

Employing a hands-on, structured approach, the author leads the reader through carefully crafted exercises that allow readers to understand and make practical use of Anglo-American legal terminology. The layered sequence of topics and exercises leads from the simplest use of legal terminology in conversation to mastery of advanced legal

terminology and increasingly complex writing.

### Legal English Cambridge University Press

This book looks at the forces that have made traditional legal language what it is today and suggests some reasons why the law needs plain English. It also shows why most of its peculiarities are unnecessary.

### Plain English for Lawyers Lulu.com

Professors Fischl and Paul explain law school exams in ways no one has before, all with an eye toward improving the reader's performance. The book begins by describing the difference between educational cultures that praise students for "right answers," and the law school culture that rewards nuanced analysis of ambiguous situations in which more than one approach may be correct. Enormous care is devoted to explaining precisely how and why legal analysis frequently produces such perplexing situations. But the authors don't stop with mere description. Instead, Getting to Maybe teaches how to excel on law school exams by showing the reader how legal analysis can be brought to bear on examination problems. The book contains hints on studying and preparation that go well beyond conventional advice. The authors also illustrate how to argue both sides of a legal issue without appearing wishy-washy or indecisive. Above all, the book explains why exam questions may generate feelings of uncertainty or doubt about correct legal outcomes and how the student can turn these feelings to his or her advantage. In sum, although the authors believe that no exam guide can substitute for a firm grasp of substantive material, readers who devote the necessary time to learning the law will find this book an invaluable guide to translating learning into better exam performance. "This book should revolutionize the ordeal of studying for law school exams... Its clear, insightful, fun to read, and right on the money." — Duncan Kennedy, Carter Professor of General Jurisprudence, Harvard Law School "Finally a study aid that takes legal theory seriously... Students who master these lessons will surely write better exams. More importantly, they will also learn to be better lawyers." — Steven L. Winter, Brooklyn Law School "If you can't spot a 'fork in the law' or a 'fork in the facts' in an exam hypothetical, get this book. If you don't know how to play 'Czar of the Universe' on law school exams (or why), get this book. And if you do want to learn how to think like a lawyer—a good one—get this book. It's, quite simply, stone cold brilliant." — Pierre Schlag, University of Colorado School of Law (Law Preview Book Review on The Princeton Review website) Attend a Getting to Maybe seminar! ### Legal Writing in Plain English Oxford University Press, USA

Professional Writing for Lawyers was originally designed to complement Richard Wydick's Plain English for Lawyers, but also can be used as a stand-alone legal writing text. Readers will learn to approach writing as a process of thinking, outlining, drafting, revising, and editing to produce a final draft. To help the reader understand this process, several examples are rewritten, integrating the principles of plain English that teach the reader to develop a clear, concise, and readable style. This second edition revises citations and legal references, maintaining the easy to read and quick reference value of the first edition.

### Open Book Oxford University Press

Through one coherent retributivist vision of the criminal law, this book explores under examined problems within criminal law theory.

### Legal Writing Aspen Publishing

"Plain English for Lawyers has been a favorite of law students, legal writing teachers, lawyers, and judges for almost 40 years. The seventh edition, co-authored by Amy Sloan, updates this classic text, including new chapters and exercises, while preserving all the approaches that make it such a standard in the field. In addition to guiding students through techniques for producing clear writing, it now introduces them to principles of document design and appropriate uses of generative AI for writing. Plain English for Lawyers remains (in size only!) a little book, small enough and palatable enough not to intimidate over-loaded law students"--

### Transforming the Law Carolina Academic Press

Good legal writing wins court cases. In its first edition, The Winning Brief proved that the key to writing well is understanding the judicial readership. Now, in a revised and updated version of this modern classic, Bryan A. Garner explains the art of effective writing in 100 concise, practical, and easy-to-use sections. Covering everything from the rules for planning and organizing a brief to openers that can capture a judge's attention from the first few words, these tips add up to the most compelling, orderly, and visually appealing brief that an advocate can present. In Garner's view, good writing is good thinking put to paper. "Never write a sentence that you couldn't easily speak," he warns—and demonstrates how to do just that. Beginning each tip with a set of quotable quotes from experts, he then gives masterly advice on building sound paragraphs, drafting crisp sentences, choosing the best words ("Strike pursuant to from your vocabulary."), quoting authority, citing sources, and designing a document that looks as impressive as it reads. Throughout, he shows how to edit for maximal impact, using vivid before-and-after examples that apply the basics of rhetoric to persuasive writing. Filled with examples of good and bad writing from actual briefs filed in courts of all types, The Winning Brief also covers the new appellate rules for preparing federal briefs. Constantly collecting material from his seminars and polling judges for their preferences, the second edition delivers the same solid guidelines with even more supporting evidence. Including for the first time sections on the ever-changing rules of acceptable legal writing, Garner's new edition keeps even the most seasoned lawyers on their toes and writing briefs that win cases. An invaluable resource for attorneys, law clerks, judges, paralegals, law students and their teachers, The Winning Brief has the qualities that make all of Garner's books so popular: authority, accessibility, and page after page of techniques that work. If you're writing to win a case, this book shouldn't merely be on your shelf—it should be open on your desk.

The Language of the Law Univ of California Press

One of the most influential books on chess ever published – now in digital format. The Tiger is a vicious beast. He doesn't care about the aesthetic side of chess. He doesn't even care about making the 'best' moves. All he cares about is winning. Do you want to win more games? Then become a Tiger. 'Chess for Tigers' tells you how to make the most of your playing strength, how to play upon your opponent's weaknesses, how to steer the game into a position which suits you and not your opponent, how to get results against strong opposition and how to avoid silly mistakes. This is a cult classic that is as relevant to today's generation of chess players as the first edition was. Regularly voted in the top 10 best chess books of all time, this book should be read by all chess players, especially beginners who want to win at all costs. Author Information Mr Webb started to make an impact on the chess world in the 1960s. He learned the game at the age of seven and ten years later, in 1966, he was under-18 champion in Britain and fourth in the European junior Championship. He married and moved to Sweden in the 1970s and became one of the few correspondence chess Grand Masters. The first edition of Chess for Tigers was first published in 1978. The sad death of Simon Webb in March 2005 shocked the chess community.

Plain Language in Plain English Aspen Publishing

'Legal Writing: Form and Function' contains more than 90 sets of exercises on topics ranging from the basics, such as choosing correct pronouns in a series, to the subtleties of gauging the tone of a brief. All examples in the book are drafted by practicing attorneys, and the materials come from writings related to practice such as memoranda, briefs, and letters. Throughout the book, the author helps students and attorneys identify gaps in their writing background, develop the skills to fill them, and write effectively with confidence.

The Law (in Plain English) for Nonprofit Organizations Batsford Books

In the second edition of this highly regarded text, the authors show how and why traditional legal language has developed the peculiar characteristics that make legal documents inaccessible to the end users. Incorporating recent research and case law, the book provides a critical examination of case law and the rules of interpretation. Detailed case studies illustrate how obtuse or outdated words, phrases and concepts can be rewritten, reworked or removed altogether. Particularly useful is the step-by-step guide to drafting in the modern style, using examples from four types of common legal documents: leases, company constitutions, wills and conveyances. Readers will gain an appreciation of the historical influences on drafting practice and the use of legal terminology. They will learn about the current moves to reform legal language, and receive clear instruction on how to make their writing clearer and their legal documents more useful.

Point Made Carolina Academic Press LLC

A complete guide to clean, precise and understandable legal writing So many books give you advice that turns out to be hollow: "know your audience," "structure your writing." The real strength in Plain Language Legal Writing is how, throughout, Stephens provides clear instructions on how to accomplish what she's recommending. Instead of just telling you to plan what you're going to write, she walks you step-by-step through the planning. Instead of telling you to consider your audience before writing, she describes in detail the sorts of audiences a legal document might have (more than you'd expect!) and how to best meet their needs. Plain Language Legal Writing will help you produce documents that people are willing to read and able to understand. More:

How to Write Plain English Oxford University Press

Open Book: The Inside Track to Law School Success, 2E is a book that every JD and LLM law student needs to read, either before classes start or as they get going in their 1L year. Now in an expanded second edition, the book explains in a clear and easygoing, conversational manner what law professors expect from their students both in classes and exams. The authors, award-winning teachers with a wealth of classroom experience, give students an inside look at law school by explaining how, despite appearances to the contrary, classes connect to exams and exams connect to the practice of law.

Open Book introduces them to the basic structure of our legal system and to the distinctive features of legal reasoning. To prepare students for exams, the book explains in clear and careful detail what exams are designed to test. It then devotes a single, clearly written chapter to each step of the process of answering exams. It also contains a wealth of material, both in the book and digitally, on preparing for exams. Finally, and perhaps most importantly, Open Book comes with a free suite of 18 actual law school exams in Civil Procedure, Constitutional Law, Contracts, Criminal Law, Property and Torts, written and administered by law professors. These exams include not only questions, but: (1) annotations from the professors explaining what they were looking for; (2) model answers written by the professors themselves; and (3) actual student answers, with professor comments that explain why certain answers were stronger or weaker. As Open Book explains, there is no better way to prepare for exams than by practicing, and these unique materials will enable students to get the most out of their pre-exam practice.

Oxford Guide to Plain English University of Chicago Press

"In response to the current upsurge of interest in commercially exploiting expert systems in law, Part III re-presents Susskind's original research and development work in this area." "In the final part of the book, Susskind looks beyond legal practice to the justice system more generally, concentrating on the impact of IT on judges, the courts, and society."--BOOK JACKET.

Chess for Tigers Cambridge University Press

This book tells what the language of the law is, how it got that way and how it works out in the practice. The emphasis is more historical than philosophical, more practical than pedantic.
