Americans have built an empire on the idea of " race, " a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies

---

exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates' attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder.

Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Growing up with four extraordinary sisters—beautiful and confident Jane and Elizabeth, and flirtatious and lighthearted Lydia and Kitty—wasn't easy for an awkward bookworm like Mary Bennet. But with nearly all of her sisters married and gone from the household, the unrefined Mary has transformed into an attractive and eligible young woman in her own right. When another scandal involving Lydia and

Wickham threatens the Bennet house, Mary and Kitty are packed off to visit Jane and her husband, Charles Bingley, where they meet the dashing Henry Walsh. Eager and naïve, Mary is confused by Henry's attentions, even as she finds herself drawing closer to him.
