Mother Teresa (Revised Edition) Grove/Atlantic, Inc.
One of American literature’s most significant authors delivers “a coming-of-age story, a familial saga of estrangement . . . A slow-burning revenge tragedy” (The New York Times Book Review). An epic tale that pits a son against the legacy of his family’s desecration of the earth, and his own father’s more personal violations, Jim Harrison’s True North is a beautiful and moving novel that speaks to the territory in our hearts that calls us back to our roots. The scion of a family of wealthy timber barons, David Burkett has grown up with a father who is a malevolent force and a mother made vague and numb by alcohol and pills. He and his sister Cynthia, a firecracker who scandalizes the family at fourteen by taking up with the son of their Finnish-Native American gardener, are mostly left to make their own way. As David comes to adulthood—often guided and enlightened by the unforgettable, intractable, courageous women he loves—he realizes he must come to terms with his forefathers’ rapacious destruction of the woods of Michigan’s Upper Peninsula, as well as the working people who made their wealth possible. Jim Harrison has given us a family tragedy of betrayal, amends, and justice for the worst sins. True North is a bravura performance from one of our finest writers, accomplished with deep humanity, humor, and redemptive soul. “A provocative tale that explores the roots of wealth and

privilege in America . . . Harrison’s writing is superb, as always, rippling with thematic leaps and poetic insights.” —The Oregonian

Hailed as one of the year's top five novels by Time, and selected as one of the best books of the year by nearly all major newspapers, national bestseller Peace Like a River captured the hearts of a nation in need of comfort. "A rich mixture of adventure, tragedy, and healing," Peace Like a River is "a collage of legends from sources sacred and profane -- from the Old Testament to the Old West, from the Gospels to police dramas" (Ron Charles, The Christian Science Monitor). In "lyrical, openhearted prose" (Michael Glitz, The New York Post), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, The Seattle Times) novel is a "perfect book for an anxious time ... of great literary merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, Detroit Free Press).

The first novel in ten years from award-winning, million-copy bestselling author

Leif Enger, Virgil Wander is an enchanting and timeless all-American story that follows the inhabitants of a small Midwestern town in their quest to revive its flagging heart Midwestern movie house owner Virgil Wander is “cruising along at medium altitude” when his car flies off the road into icy Lake Superior. Virgil survives but his language and memory are altered and he emerges into a world no longer familiar to him. Awakening in this new life, Virgil begins to piece together his personal history and the lore of his broken town, with the help of a cast of affable and curious locals—from Rune, a twinkling, pipe-smoking, kite-flying stranger investigating the mystery of his disappeared son; to Nadine, the reserved, enchanting wife of the vanished man, to Tom, a journalist and Virgil’s oldest friend; and various members of the Pea family who must confront tragedies of their own. Into this community returns a shimmering prodigal son who may hold the key to reviving their town. With intelligent humor and captivating whimsy, Leif Enger conjures a remarkable portrait of a region and its residents, who, for reasons of choice or circumstance, never made it out of their defunct industrial district. Carried aloft by quotidian pleasures including movies, fishing,

necking in parked cars, playing baseball and falling in love, Virgil Wander is a swift, full journey into the heart and heartache of an often overlooked American Upper Midwest by a “formidably gifted” (Chicago Tribune) master storyteller.

A Stranger in the Kingdom National Geographic Books
 A young doctor cycles around the world and discovers how societies treat their most vulnerable, in this thought-provoking and witty medical odyssey In 2010 Stephen Fabes rode away from his career as an emergency doctor

in London, on a journey that would see him ride the length of six continents—more than 53,568 miles—for a cycling circumnavigation that took six years. Signs of Life is his story of a world of challenges, from Tajik camel spiders to camping on a frozen lake in Mongolia, from coaxing another few miles out of “Ol’ Patchy” (his faithful inner tube), to fascinating interactions with the people of seventy-five countries. As he rides, he will meet hospitable nomads and curious children, vindictive border guards and gangsters. Signs of Life is also a story of Stephen re-finding his medical calling. He recalls his first pronouncement of death as he examines the frozen body of a monk high in the Himalayas, and he finds himself drawn into treating patients at a leprosy clinic and helping refugees at The Jungle in Calais. All the while, he reflects on these societies treat their most vulnerable and draws comparisons with the lost souls he had treated back home in London. Signs of Life is a luminous, often gripping blend of cycling and true adventure combined with the marvels of medicine and healing.

 In Where You Once Belonged, the bestselling and award-winning novelist of Eventide, Kent Haruf tells of a small-town hero who is dealt an enviable hand--and cheats with all of the cards. Deftly plotted, defiantly honest, Where You Once Belonged sings the song of a wounded prairie community in a narrative with the earmarks of a modern American classic. In prose as lean and supple as a spring switch, Haruf describes a high school football star who wins the heart of the loveliest girl in the county and the admiration of men twice his age. Fun-loving, independent, Burdette engages in the occasional prank. But when he turns into a man, his high jinks turn into crimes--with unspeakable consequences. Now, eight years later, Burdette has returned to commit his greatest trespass of all. And the people of Holt may not be able to stop him.

 Mother Teresa of Calcutta was the founder of the Missionaries of Charity and winner of the Nobel Peace Prize, but her story is

so much more remarkable. From her childhood in the Balkans to her work in India, from attending the victims of war-torn Beirut to pleading with George Bush and Saddam Hussein to choose peace over war, Mother Teresa was driven by a mighty faith. Newly revised and updated, this edition includes a personal insight into the beatification and continuing process of canonization for Mother Teresa, the ongoing work of the Missionaries of Charity, and her “dark night of the soul.” Mother Teresa consistently claimed that she was simply responding to Christ’s boundless love for her and for all of humanity, bringing to the world a great lesson in joyful and selfless love. This book is a glimpse into her extraordinary faith, work, and life.

Big Lies in a Small Town Vintage

From the beloved and best-selling author of *Plainsong* and *Eventide* comes a story of life and death, and the ties that bind, once again set out on the High Plains in Holt, Colorado. When Dad Lewis is diagnosed with terminal cancer, he and his wife, Mary, must work together to make his final days as comfortable as possible. Their daughter, Lorraine, hastens back from Denver to help look after him; her devotion softens the bitter absence of their estranged son, Frank, but this cannot be willed away and remains a palpable presence for all three of them. Next door, a young girl named Alice moves in with her grandmother and contends with the painful memories that Dad's condition stirs up of her own mother's death. Meanwhile, the town's newly arrived preacher attempts to mend his strained relationships with his wife and teenaged son, a task that proves all the more challenging when he faces the disdain of his congregation after offering more than they are accustomed to getting on a Sunday morning. And throughout, an elderly widow and her middle-aged daughter do everything they can to ease the pain of their friends and neighbors. Despite the travails that each of these families faces, together they form bonds strong enough to carry them through the most difficult of times. Bracing, sad and deeply illuminating, *Benediction* captures the fullness of life by representing every stage of it, including its extinction, as well as the hopes and dreams that sustain us along the way. Here Kent Haruf gives us his most indelible portrait yet of this small town and reveals, with grace and insight, the compassion, the suffering and, above all, the humanity of its inhabitants.

Plainsong Lynn Michell

From the author of *Songdogs*, a magnificent work of imagination and history set in the tunnels of New York City. In the early years of the century, Nathan Walker leaves his native Georgia for New York City and the most dangerous job in America. A sandhog, he burrows beneath the East River, digging the tunnel that will carry trains from Brooklyn to Manhattan. Above ground, the sandhogs--black, white, Irish, Italian--keep their distance from each other until a spectacular accident welds a bond between Walker and his fellow diggers--a bond that will bless and curse the next three generations. Years later, Treefrog, a homeless man driven

below by a shameful secret, endures a punishing winter in his subway nest. In tones ranging from bleak to disturbingly funny, Treefrog recounts his strategies of survival--killing rats, scavenging for discarded soda cans, washing in the snow. Between Nathan Walker and Treefrog stretch seventy years of ill-fated loves and unintended crimes. In a triumph of plotting, the two stories fuse to form a tale of family, race, and redemption that is as bold and fabulous as New York City itself. In *This Side of Brightness*, Colum McCann confirms his place in the front ranks of modern writers.

“An almost perfect novel” of yearning, adventure, and redemption in the dying days of the Old West from the bestselling author of *Peace Like a River* (St. Louis Post-Dispatch). Minnesota, 1915. With success long behind him, writer, husband, and father Monte Becket has lost his sense of purpose . . . until he befriends outlaw Glendon Hale. Plagued by guilt over abandoning his wife two decades ago, Hale is heading back West in search of absolution. And he could use some company on the journey. As the modern age marches swiftly forward, Becket agrees to travel into Hale's past, leaving behind his own family for an adventure that will test the depth of his loyalties and morals, and the strength of his resolve. As they flee the relentless former Pinkerton Detective who's been hunting Hale for years, Becket falls ever further into the life of an outlaw—perhaps to the point of no return. With its smooth mix of romanticism and gritty reality, *So Brave, Young, and Handsome* examines one ordinary man's determination to risk everything in order to understand what it's all worth, in “an old-fashioned, swashbuckling, heroic Western . . . [An] adventure of the heart and mind (The Washington Post Book World).

The Lost Art of Reading Macmillan

This novel of murder and its aftermath in a small Vermont town in the 1950s is “reminiscent of *To Kill a Mockingbird* . . . Absorbing” (The New York Times). In Kingdom County, Vermont, the town's new Presbyterian minister is a black man, an unsettling fact for some of the locals. When a French-Canadian woman takes refuge in his parsonage—and is subsequently murdered—suspicion immediately falls on the clergyman. While his thirteen-year-old son struggles in the shadow of the town's accusations, and his older son, a lawyer, fights to defend him, a father finds himself on trial more for who he is than for what he might have done. “Set in northern Vermont in 1952, Mosher's tale of racism and murder is powerful, viscerally affecting and totally contemporary in its exposure of deep-seated prejudice and intolerance . . . big, old-fashioned novel.” —Publishers Weekly “A real
