SMART STUDY AND CAREER SELECTION HANDBOOK Elsevier Health Sciences

Get everything you need to review for the NCLEX-PN® exam from one trusted source! With over 4,500 high-quality review questions, this unique, bestselling review and preparation guide offers the perfect combination of core content review, comprehensive rationales, and detailed test-taking strategies from the NCLEX expert herself: Linda Silvestri. Updated to reflect the latest NCLEX-PN test plan, this new edition and companion Evolve website help you hone your understanding of all the important NCLEX-PN content areas. Full-color design makes for a more visually engaging learning experience. 12 pharmacology chapters address the emphasis on pharmacology questions on the NCLEX-PN exam. Priority Nursing Actions boxes outline and explain clinical emergent situations requiring immediate action, including detailed rationales and hotlink references to help you strengthen prioritizing skills in clinical and testing situations. Pyramid Alert boxes reinforce learning of essential content frequently tested on the NCLEX-PN exam. Reference to a Mosby or Saunders textbook gives you resources for further study and self-remediation. Question codes categorize each question by cognitive level, client needs area, integrated process, clinical content area, and priority concepts to allow you multiple study and exam selections on the companion Evolve site. Inclusion of all alternate item formats (multiple response, ordered response, fill-in-the-blank, figure, chart/exhibit, audio, and video questions) offers practice with mastering prioritizing, decision-making, and critical thinking skills, and help prepare you for this additional component of the new test plan for NCLEX-PN. Pyramid to Success sections supply an overview of the chapter, guidance and direction regarding the focus of review in the content area, and its relative importance to the most recent NCLEX-PN text plan. Pyramid Points identify content that typically appears on the NCLEX-PN exam. Pyramid Terms give you a quick review of each content area. Introductory chapters on preparation guidance for the NCLEX-PN, nonacademic preparation, test-taking strategies, the CAT format, and the NCLEX-PN are presented from a new graduate's perspective. Companion Evolve site allows for automatic software updates to allow you to check for changes and updates to content or functionality throughout the life of the edition.

Advice for a Successful Career in the Accounting Profession Hodder Education

Practical guidance to optimize the benefits of your accounting degree—no matter what stage of your career! Originally conceived and designed to provide helpful advice to college and university accounting majors and early-career professionals, this book evolved into a valuable resource for those groups as well as others who may be further along in their accounting careers. It contains many practical examples and real-life experiences from a long and successful career in the profession that you won't find in any accounting, auditing, or tax textbook. And it is written in a fun and engaging style with a simple goal in mind: to share lessons learned and insights that will help accountants of all ages optimize their career opportunities! Jerry Maginnis, CPA, the former Office Managing Partner for the Philadelphia office of KPMG, one of the "Big Four" Accounting Firms, currently serves as the "Accounting Executive in Residence" at Rowan University in Southern New Jersey. In this role, he has counseled and mentored dozens of students and early career professionals. The book leverages Jerry's real-world experience and his advice and counsel is delivered in a fashion that will make you feel like you are having a one on one conversation with him! Readers will also enjoy: Advice delivered concisely: each chapter is succinct and provides essential takeaways and action plans for all points in a career A guidebook that is efficiently organized into three sections—for college and university students, for early-career professionals, for accountants of all ages and experience levels—allowing the reader to focus on the sections that are most applicable to them An excellent refresher or reminder of concepts or principles that are important to even the most successful and experienced accountants Loaded with "real world" tips and techniques, Advice for a Successful Career in the Accounting Profession is an ideal resource for accountants and auditors, tax and advisory professionals, and University professors and high school instructors teaching Accounting, undeclared business majors, underrepresented populations, and students aspiring to become CPAs.
