Technical Agile Coaching with the Samman Method
Samman Technical Coaching is an approach to Agile training that focuses on technical questions concerning how code is written. It is a

highly effective way of increasing agility in your software development organization. The first part of the Samman method involves the coach working in an ensemble with development teams, programming in their production codebase. This hands-on mentoring is accompanied by daily "learning hour" sessions for mastering particular techniques. In this book you will discover how to put Samman into practice, improve your coding procedures and how you collaborate. It is a practical guide for aspiring and experienced coaches looking for fresh ideas and new ways

of teaching Agile. It is both challenging and fun for developers and coaches alike.
