HL10 handset lifter fits on your telephone, letting you answer calls with the touch of a button, conveniently and automatically takes your handset off hook.

Plantronics HL10 Remote Handset Lifter - headset.com

This does not work with the Plantronics HL10 lifter because you still have to press a button on the 7960 itself to tell the 7960 'please take voice from the headset mic instead of the handset mic.' There is, apparently, no way to make it default to headset without a button press, or a way to have it take voice from both microphones simultaneously.
