In Sexuality in the Confessional: A Sacrament Profaned, Stephen Haliczer places the current debate on sex, celibacy, and the Catholic Church in a historical context by drawing upon a wealth of actual case studies and trial evidence to document how, from 1530 to 1819, sexual transgression attended the heightened significance of the Sacrament of Penance.

Attempting to reassert its moral and social control over the faithful, the Counter-Reformation Church underscored the importance of communion and confession. Priests were asked to be both exemplars of celibacy and "doctors of souls," and the Spanish Inquisition was there to punish transgressors. Haliczer relates the stories of these priests as well as their penitents, using the evidence left by Inquisition trials to vividly depict sexual misconduct, during and after confession, and the punishments wayward priests were forced to undergo. In the process, he sheds new

---

light on the Church of the period, the repressed lives of priests, and the lives of their congregations; coming to a conclusion as startling as it is timely. Based on an exhaustive investigation of Inquisition cases involving soliciting confessors as well as numerous confessors' manuals and other works, *Sexuality in the Confessional* makes a significant contribution to the history of sexuality, women's history, and the sociology of religion.

*Night Without End* Page Two Press

Number four of the UNWTO/GTERC Annual Report, highlights the rapidly growing tourism sector of Asia and the Pacific region which enjoyed an exceptional increase of 9% in international arrivals in 2016, influenced by technological developments in transport and the digital revolution.

Before long, Elysia learns that she is a Defect. And If any human on the island discovers the truth, it will cost her her life.

Psychology Press

Mika's heart is broken, until he sees Leah. A smart, beautiful, and brave girl, Leah has been deaf since birth. When Mika meets her for the first time, he feels something electric. They cannot communicate much, so Mika decides to take a sign language course. His family and friends are skeptical, and Mika soon grows weary, too. The world of deaf people is so much different than his own. Can their two worlds intersect? There is also Sandra, Mika's ex-girlfriend, who he cannot seem to get over, but Mika cannot shake that Leah has captured his heart. Author Kathrin Schrocke tells the story of two teens and their tender, quirky, and extraordinary love.

*The Girls Love* Little, Brown Books for Young Readers

Danny Dawson lives in the middle of the Australian outback. His older brother Jonny died in an accident last year but no-one ever talks about it. Now it's time for the annual muster, the biggest event of the year on the cattle station, and this year things are different. Jonny's gone, and Danny's determined to prove he can fill his brother's shoes, but the cracks are beginning to show...

*Social Media Entertainment* Speak

Since the dawn of the digital era, the transfer of knowledge has shifted from analog to digital, local to global, and individual to social. Complex networked communities are a fundamental part of these new information-based societies. *Emerging Pedagogies in the Networked Knowledge Society: Practices Integrating Social Media and Globalization* examines the production, dissemination, and consumption of knowledge within networked communities in the wider global context of pervasive Web 2.0 and social media services. This book will offer insight for business stakeholders, researchers, scholars, and administrators by highlighting the important concepts and ideas of information- and knowledge-based economies.

Argentina's coup d'état in 1976 led to one of the bloodiest dictatorships in its history—thirty thousand people were abducted, tortured, and subsequently “disappeared.” And hundreds of babies born to pregnant political prisoners were stolen from their doomed mothers and “given” to families with military ties or who were collaborators of the regime. Analía was one of these children, raised without suspecting that she was adopted. At twenty seven, she learned that her name wasn't what she believed it to be, that her parents weren't her real parents, and that the farce conceived by the dictatorship had managed to survive through more than two decades of democracy. In *My Name is Victoria*, it is no longer Analía, but Victoria who tells us her story, in her own words: the life of a young and thriving middleclass woman from the outskirts of Buenos Aires with strong political convictions. Growing up, she thought she was the black sheep of the family with ideas diametrically opposed to her parents'. It wasn't until she discovered the truth about her origins and the shocking revelation of her uncle's involvement in her parents' murder and in her kidnapping and adoption that she was able to fully embrace her legacy. Today, as the youngest member of congress in Argentina, she has reclaimed her identity and her real

name: Victoria Donda. This is Victoria's story, from the moment her parents were abducted to the day she was elected to parliament.

This book presents the latest advances in modeling and simulation for human factors research. It reports on cutting-edge simulators such as virtual and augmented reality, multisensory environments, and modeling and simulation methods used in various applications, including surgery, military operations, occupational safety, sports training, education, transportation and robotics. Based on two AHFE 2020 Virtual Conferences such as the AHFE 2020 Virtual Conference on Human Factors and Simulation and the AHFE 2020

Virtual Conference on Digital Human Modeling and Applied Optimization, held on July 16 – 20, 2020, the book serves as a timely reference guide for researchers and practitioners developing new modeling and simulation tools for analyzing or improving human performance. It also offers a unique resource for modelers seeking insights into human factors research and more feasible and reliable computational tools to foster advances in this exciting field.

*Guidelines for Success in the Chinese Outbound Tourism Market* Scholastic Inc.  
Cuando tu vida se convierte en un espectáculo, tus secretos ya no te pertenecen. Desde que se descubrió la verdad sobre Play Serafin, las vidas de Aarón y Leo no han vuelto a ser las mismas. Leo, de regreso en España, se presenta a todos los castings que surgen, sin demasiado éxito, mientras que su hermano pequeño, ahora solo en Nueva York, intenta hacerse con las riendas de una vida que ni quiere ni considera que le pertenezca. La llegada a Develstar de una nueva artista, Zoe -una virtuosa del violín-, le devolverá a Aarón la ilusión que creía perdida. Pero su aparición no es casual: Develstar quiere organizar un reality show como nunca antes se ha visto, en el que el público podrá conocer a fondo a sus estrellas. Y están dispuestos a hacer lo que sea para que Aarón participe en él!  
Intimidad (Del lat. intimus). 1. m. Zona espiritual íntima y reservada de una persona o de un grupo. 2. m. Moneda de cambio más cotizada en el juego de la fama.

#1 NEW YORK TIMES BESTSELLER  
GOODREADS CHOICE AWARD  
WINNER FOR MYSTERY/THRILLER

An addictive novel of psychological suspense from the author of #1 New York Times bestseller and global phenomenon *The Girl on the Train* and *A Slow Fire Burning*. "Hawkins is at the forefront of a group of female authors . . . who have reinvigorated the literary suspense novel by tapping a rich vein of psychological menace and social unease... there ' s a certain solace to a dark escape, in the promise of submerged truths coming to light. "

—Vogue A single mother turns up dead at the bottom of the river that runs through town. Earlier in the summer, a vulnerable

teenage girl met the same fate. They are not the first women lost to these dark waters, but their deaths disturb the river and its history, dredging up secrets long submerged. Left behind is a lonely fifteen-year-old girl. Parentless and friendless, she now finds herself in the care of her mother's sister, a fearful stranger who has been dragged back to the place she deliberately ran from—a place to which she vowed she'd never return. With the same propulsive writing and acute understanding of human instincts that captivated millions of readers around the world in her explosive debut thriller, *The Girl on the Train*, Paula Hawkins delivers an urgent, twisting, deeply satisfying read that hinges on the deceptiveness of emotion and memory, as well as the devastating ways that the past can reach a long arm into the present.

Beware a calm surface—you never know what lies beneath.

This is the definitive report on the state of the world economy, providing global/regional economic outlook for 2020 and 2021. A once-in-a-century crisis--a

Great Disruption unleashed by a viral pandemic--hit the world economy in 2020, reaching every corner of the world, infecting more than 90 million and killing close to two. Economic activities were paralyzed in both developed and developing economies. Trade and tourism halted while job and output losses exceeded levels seen in any previous crisis. Poverty increased sharply and inequality reached new highs. Stimulus packages were rolled out but responses, however, entailed difficult choices between saving lives and saving livelihoods.

Ignite your consciousness to live-and lead-with power and purpose Like an all-you-can-eat buffet, our world is constantly giving us too much of everything: stimulation, anxiety, information, responsibilities, challenges. Our work as leaders, then, is to expand our spiritual capacity to hold more of what life and business constantly throws at us. Our work is to live with purpose, strengthening our relationship with our own power, and unleashing the collective power of others: our colleagues, our staff, our friends, our kids-even the neighbour who wakes us up daily with a leaf blower. Purpose-driven living pulls others up and calls them forward. In this transformational guide to conscious leadership, Fortune 100 executive

---

coach, meditation expert, and host of This Epic Life podcast Kristoffer Carter shows you how to transcend the overwhelm and disruption of daily life and step into your power. With a unique blend of irreverent humor, pop culture references, and spiritual insight, he reveals the 4 Permissions that offer you the fuel to glow, and The 7 Compassionate Laws of Personal Change for activating and living these permissions. With guided journal prompts, invocations, daily affirmations, and powerful exercises, you will override the default behaviors that resist change. Stepping into your full potential, you will uncover your purpose, and become a guiding light for others. Whether you lead a team of one (yourself) or a team of thousands, tending to your internal work allows you to step forward, into the light. Your glow attracts allies, investors, and raving fans. Are you ready to throw the switch?

Everybody Jam Enslow Publishing, LLC

How the transformation of social media platforms and user-experience have redefined the entertainment industry In a little over a decade, competing social media platforms, including YouTube, Facebook, Twitter, Instagram, and Snapchat, have given rise to a new creative industry: social media entertainment. Operating at the intersection of the entertainment and interactivity, communication and content industries, social media entertainment creators have harnessed

these platforms to generate new kinds of content separate from the century-long model of intellectual property control in the traditional entertainment industry. Social media entertainment has expanded rapidly and the traditional entertainment industry has been forced to cede significant power and influence to content creators, their fans, and subscribers. Digital platforms have created a natural market for embedded advertising, changing the worlds of marketing and communication in their wake. Combined, these factors have produced new, radically shifting demands on the entertainment industry, posing new challenges for screen regimes, media scholars, industry professionals, content creators, and audiences alike. Stuart Cunningham and David Craig chronicle the rise of social media entertainment and its impact on media consumption and production. A massive, industry-defining study with insight from over 100 industry insiders, Social Media Entertainment explores the latest transformations in the entertainment industry in this time of digital disruption.
