The only price she won't pay is her heart. Quincy Radcliffe has fast become a key asset at the newly formed Stark Security. A former British agent with lethal skills and criminal connections, it's a no-brainer for him to rise through the ranks. But Quincy isn't the man he appears to be. And one woman could expose all his secrets. Once, he worshipped Eliza Tucker. He adored her body and then broke her heart. But now she needs help, and he's the only man that can do it. Quincy knows he must either turn his back on her or risk revealing his dark past to the one woman who can—and will—tear open his old wounds. For years, Eliza has tried to forget the man who shattered her. His smoldering good looks had drawn her in; his British charm had

enchanted her. But it was the wildness of his seduction and the ferocity of his passion that captured her. She'd given herself to him—and he'd destroyed her. Now, he's the only person who can help find her missing sister. She'll use him because she has to. She'll pay anything he demands, whether in the bank or the bedroom. She won't fall for him again. But what if it isn't her choice to make? BROKEN WITH YOU True love never fades... After surviving a troubled childhood, Denise can't believe that she's blissfully married to her partner and soulmate. She's confident that not even Mason's long-term, deep-cover assignment will shake their bond. And she certainly doesn't anticipate that when he finally walks back through her door that he'll have no memory of her, himself, or their time together... When Mason is pulled out of an operation gone bad, all he knows is what he's told - that he was a covert agent, that he has information vital to national security somewhere in his head, and that they can tell him no more for fear of burying those hard-fought secrets even further. They tell him nothing else; not even that the beautiful woman who makes his heart beat faster is not just his partner, but also his wife. The secret she must keep wrecks Denise, who wants only to return to Mason's arms. But despite the desire that still burns hot between them, she can't tell him who she is—or that she's carrying his child. But when dark forces threaten both their lives in order to retrieve the information trapped in Mason's mind, it's not their past that will be tested, but the tenuous new love now burning hot between them. RUINED WITH YOU
When her high maintenance boss is assaulted, manager Xena Morgan contacts the only person who can help—the sexy, arrogant, incredibly capable Stark Security agent Liam Foster. The former vigilante takes every case personally, and he's determined to find answers—particularly since he thought he'd cleared this threat

already. Xena had been thrilled when Liam completed his assignment, because he affected her in ways she didn't want to contemplate, awakening yearnings that threatened her deepest secrets. But now she needs him, and her body won't let her forget it. As their attraction heats to a feverish degree, the web of lies, danger, and passion they find themselves in tangles further. Liam will stop at nothing to protect his client, even if it means sacrificing everything he holds dear ... and exposing the secrets that may destroy him—and Xena—forever.

Turns out Diesel and Stephanie are on the trail of the same fugitive: Oswald Wednesday, an international computer hacker as brilliant as he is ruthless. Unsure if Diesel is her partner or her competition in this case, she'll need to watch her back every step of the way as she sets the stage to draw Wednesday out from behind his computer and into the real world.

Heated Bantam

Master storyteller Stephen King presents the classic “wondrously frightening” (Publishers Weekly) #1 New York Times bestseller about a writer's horrific and haunting pseudonym. “I'm back...I'm back from the dead and you don't seem glad to see me at all, you ungrateful son of a

bitch.” After thirteen years of international bestseller stardom with his works of violent crime fiction, author George Stark is officially declared dead—revealed by a national magazine to have been killed at the hands of the man who created him: the once well-regarded but now obscure writer Thad Beaumont. Thad’s even gone so far as to stage a mock burial of his wildly successful pseudonym, complete with tombstone and the epitaph “Not a Very Nice Guy.” Although on the surface, it seems that Thad can finally concentrate on his own novels, there’s a certain unease at the prospect of leaving George Stark behind. But that’s nothing compared to the horror about to descend upon Thad’s new life. There are the vicious, out-of-control nightmares, for starters. And how is he able to explain the fact that everyone connected to George Stark’s untimely demise is now meeting a brutal end of their own in a pattern of homicidal savagery...and why each blood-soaked crime scene has Thad’s fingerprints all over it? Thad Beaumont may have once believed that George Stark was running out of things to say, but he’s going to find out just how wrong he is...

But fierce passion comes at a high price. I grew up believing in right and wrong, good and evil, black and white. I knew better than to trust. And then I met Tyler Sharp. Bold, charming, and dangerously sexy, Tyler always gets what he wants. But his smile can be deceiving, his dealings sordid, his ambitions ruthless. I thought I was the one woman strong enough to resist him, but our need for each other was too urgent to deny. One look and I was in trouble. One touch and I was hooked. One night and I became his. And now that I’ve fallen, there’s no going back. *Heated* is intended for mature audiences. **FIRST TIME IN PRINT: THE BONUS STORY “TAKE ME”** Praise for *Heated* “A steamy story with a dark edge. Recommended for those seeking crime drama with spice.”—Library Journal “Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them, and this second installment of her *Most Wanted* series goes a long way toward solidifying that claim. Her characters’ scorching, scandalous affair explores the very nature of attraction and desire, redeeming and changing them beyond measure. . . . Fans will no doubt love the games of power, overwhelming passion and self-defining relationship that Kenner has crafted, and come away eager for more.”—RT Book Reviews “The plot is complex, the characters engaging, and J. Kenner’s passionate writing brings it all perfectly together.”—Harlequin Junkie “In Julie Kenner’s typical masterful storytelling, nothing is as it seems. We are taken deeply into the plot twists and the danger of this . . . journey. The chemistry first felt by both Tyler and Sloanne during their first encounter roars into an all-consuming fire neither one can put out. . . . Take the same journey I did and you will not be disappointed!”—As You Wish Reviews
