City I Schott & Company Limited

IDAHEX is an interactive computer model of two-sided conventional land warfare. It keeps the players informed of the situation and accepts their instructions to their forces. Units can move by land, sea, or air. A unit's movement rate is variable, depending upon its posture, the conditions of its movement, and adequacy of transport. Attrition in engagements is assessed by a heterogeneous Lanchester square process. Indirect supporting fire and direct air support can be played. There is a simplified representation of air attacks on lines of communication and of engineering activities, including bridge building and mine laying. Supplies consumption can be assessed, and logistics can be played. The model recognizes severed lines of retreat and lines of supply and imposes appropriate consequences. The documentation consists of three volumes: (1) A Guide for Potential Users; (2) Game Designer's Manual; (3) Player's Manual. (Author).

The Card Player's Manual. JW Hurcomb

Ghastly Affair Player's Manual

Fantasirollespil.

The Chess-player's Handbook

A heavily researched tactical manual written with airsofters in mind. From the beginner player wanting to learn the skills to come better to the experienced team wanting advanced tactics to strengthen their game. This manual has it all.

The Chess Player's Pocket-book, and Manual of the Openings

Ghastly Affair is the Gothic Game of Romantic Horror, set in a macabre world of terror and desire. Play out stories of love and death, where deceased paramours won't stay in the grave, cursed noblemen wander the moors as wolves, and young women are trapped in the dark halls of ancient castles. Beware the highwayman that terrorizes the roads, or join him instead! The rules of Ghastly Affair utilize the familiar terms and concepts of Old-School Role Playing Games, but with a modern twist. Characters are defined by six Basic Abilities, a Character Class, and Level. The basic system is simple: roll a twenty-sided die to obtain a number lower than the rating of an Ability. Character Classes include such classic Gothic tropes as the Bandit, Grave Robber, and True Innocent. Each Class has its own flavorful array of Special Abilities and Weaknesses, and can also be customized with free-form, player-defined Assets and Afflictions. Experience the Ghastly Age, a darkly romantic take on the years when the Marquis de Sade lost his freedom, Marie-Antoinette lost her head, and Napoleon lost an Empire. Aristocrats play twisted games of seduction and betrayal in glittering palaces, while ordinary people starve in the streets. Some take arms against the creatures of darkness, while other battle with words in the salons and coffee houses. Restless souls haunt ancient abbeys, while immoral Libertines haunt the ballrooms. Live a life of romance and horror in a time of revolution, war, and natural disasters. Magic is dark and dangerous in Ghastly Affair. Magicians use Invocations to manipulate minds, perform Ceremonies to summon Demons, create Talismans that protect the wearer from harm, and employ Pacts that grant power at a cost. Mad Scientists invent strange drugs and bizarre machines that twist the laws of nature. Anyone can use a Magical Ritual to gain love or treasure, if they are willing to suffer the awful consequences. And the Devil himself waits for those desperate enough to barter their very souls. The illustrated Ghastly Affair Player's Manual contains all the information needed to be a Player in the Ghastly Affair RPG. It includes complete rules for creating and advancing characters, with nine Gothic Character Classes (and optional rules for playing Vampyres and Werewolves). Guidelines are given for situations ranging from flirting at the masquerade ball, to fighting supernatural horrors. Plus, extensive information on the culture, clothing, objects, and attitudes of the Ghastly Age is woven throughout the text. Coming Soon: The illustrated Ghastly Affair Presenter's Manual, filled with advice on presenting stories of Gothic horror and romance, a full selection of Creatures and Adversaries, a detailed chronology of the Ghastly Age, and much more! Note that Ghastly Affair is meant to emulate the shocking world of early Gothic fiction, and is therefore intended for mature readers.

Sales Management Organization Game (SMOG)

This follow-up to the "Player's Handbook" is designed to aid players and provide more character options.
