There's something irresistible about guitar... It's music and art. Modern and classic. Beautiful and rugged. It's time alone and time with friends. It's timeless. It's for everyone. It's a whole lot of fun. And now it's easier to learn than ever before! Learn at your own pace You open the book, flip past the section about the various types of guitars and equipment. You're on a mission. You're thinking of that guitar you've had sitting in the corner. The one you promised yourself you'd learn how to play. You pick it up, turn to the section on tuning, and before long, you're ready to go. Next, you follow the tabbed pages to the section on chords. In minutes you've

learned how to read rhythm slashes and you're successfully strumming a couple of chords. On a high, you flip to the section on note reading. Minutes later, you can play three notes on the first string, and for the first time ever, you're reading the notes on a staff and keeping time! This is fun! You flip to the tablature section. Woah, this looks different, but you read through the brief instructions and once again, you find you can do it! Now you're playing notes on multiple strings-and wait-did I just play a song? Why didn't I start playing years ago, you ask yourself. That's because you never had Beginner Guitar, the newest book in The Missing Method for Guitar family. It's everything you need to get started Beginner Guitar is

not just another method book; it's a guide to entering the world of guitar for yourself. Each section allows you to move step-by-step through everything you'll need to become a confident player. Explore the basics of the instrument, including different types of guitars and equipment Learn to play chords (including power chords) and progressions Discover how much fun it can be to use tablature, read notes, or play by ear Practice fingerpicking techniques Try out various playing styles-country, rock, folk, jazz, blues, and classical Learn how to care for your instrument and change strings And much more! You choose where to place your focus and when. We'll provide the instruction, photos, and diagrams to make it easy. Experience you can
