Lilly Noble & Actual Magic W.J. May
Time heals all wounds. When Aria and her friends escape the bunker, they find themselves at the beginning of a long road. Trust has to be earned, and some scars are quicker to heal than others. Together with their parents, they begin the hunt for Dorian, only to discover that nothing is quite as it seems. They've been given only a piece of the puzzle, unlocking just a solitary clue. But the man has a dark secret. One he's been holding onto for a long time. One that could unravel them all... The Ultimate Dinosaur Book for Kids

University of Pennsylvania Press

Jake and Austin are twins. Jake has Down syndrome while Austin is typical. On their birthday, they play with their toys but a whimsical tree wants to play too. It also happens to be her birthday.

Power Play Doubleday

What started as a nightmare, turned into a fairytale. Some might argue, Angel Cross was doomed from the start. Born to a life of

servitude and raised to be an instrument of death, the girl was never comfortable unless there was a gun in her hand. Then she went and did the craziest thing of all...she fell in love. While the rest of her friends slip into a simple routine of domesticated bliss and saving the world, Angel has a harder time finding her footing. Instead of explosives, she finds herself toting a car-seat. Instead of midnight homicides in Berlin, she finds herself sitting in back of the PTA. An accidental touch of arson sentences her to Carter-appointed therapy, throwing a spotlight on all that dissonance, but things at the PC are growing rocky as well. Case files are being altered and prisoners are going missing. An inside-person may be working behind the scenes. How long can she pull a thread, before the whole thing unravels? Was such a venture destined to fail from the start? What happens if you realize...happily ever after isn't enough? Book 2 of The Code of Opposites

(TCO for short) furthers the mission to heal our power issues, and thus shift from the ego's need to dominate into the adoption of wholesome power. While Book 1 focuses on "no push-pull," Book 2 looks at "no self-doubt." Imagine experiencing 100% faith and having total certainty that you can [fill in the blank]... Would that be a valuable change? Yes, but how? Language is where your Power is. To transform, you must look at the story you tell. Activating a metalanguage - a language beyond all languages - allows you to track patterns, understand the purpose of your self-limiting

creations, and be able to turn them off. Cracking this code reveals depths of meaning that animate the soul of all wisdom teachings. The codes are so awesome they naturally raise your vibrational field to the sense of enough by which to resonate with oneness. Radical? Crazy? You betcha! Especially as this ancient language that came back from the future renamed itself "S/Hebrew," to sanctify the union of the feminine and the masculine. Imagine yourself...

* Processing trauma by realizing that mysticism may just be the only proven track to healing. *

Having a unifying equation to

explore the shadow, and stretch beyond fear into the sacred. *

Doing what it takes to raise your self-esteem, and trust yourself in your chosen calling.

* Moving out of "ScareCity" by being real enough to know what you want, and ask for it in such a way that you might receive it.

The Code of Opposites—Book 1

InterVarsity Press

Who of us cannot remember the pain and humiliation of being rejected by our classmates? However thick-skinned or immune to such assaults we may become as adults, the memory of those early exclusions is as palpable to each of us today as it is common to human experience. We

remember the uncertainty of separating from our home and entering school as strangers and, more than the relief of making friends, we recall the cruel moments of our own isolation as well as those children we knew were destined to remain strangers. In this book Vivian Paley employs a unique strategy to probe the moral dimensions of the classroom. She departs from her previous work by extending her analysis to children through the fifth grade, all the while weaving remarkable fairy tale into her narrative description. Paley introduces a new rule-You can't say you can't play-to her kindergarten classroom and solicits the opinions of older children regarding the fairness of such a rule. We hear from those who are rejected as well as those who do the rejecting. One child, objecting to the rule, says, It will be fairer, but how are we going to have any fun? Another child defends the principle of classroom bosses as a more benign way of excluding the unwanted. In a brilliant twist, Paley mixes fantasy and reality, and introduces a new voice into the debate: Magpie, a magical bird, who brings lonely people to a place where a full share of the sun is rightfully theirs. Myth and morality begin to proclaim the same message and the schoolhouse will be the crucible in which the new order is tried. A struggle ensues and even the Magpie stories cannot avoid the scrutiny of this merciless pack of social philosophers who will not be easily caught in a morality tale. *You Can't Say You Can't Play* speaks to some of our

most deeply held beliefs. Is exclusivity part of human nature? Can we legislate fairness and still nurture creativity and individuality? Can children be freed from the habit of rejection? These are some of the questions. The answers are to be found in the words of Paley's schoolchildren and in the wisdom of their teacher who respectfully listens to them.

Playing With Power Createspace
Independent Pub

THE MILLION COPY INTERNATIONAL
BESTSELLER Drawn from 3,000 years of
the history of power, this is the definitive
guide to help readers achieve for themselves
what Queen Elizabeth I, Henry Kissinger,
Louis XIV and Machiavelli learnt the hard
way. Law 1: Never outshine the master Law

2: Never put too much trust in friends; learn
how to use enemies Law 3: Conceal your
intentions Law 4: Always say less than
necessary. The text is bold and elegant, laid
out in black and red throughout and replete
with fables and unique word sculptures. The
48 laws are illustrated through the tactics,
triumphs and failures of great figures from
the past who have wielded - or been
victimised by - power.

(From the Playboy interview with Jay-Z,
April 2003) PLAYBOY: Rap careers are
usually over fast: one or two hits, then styles
change and a new guy comes along. Why
have you endured while other rappers
haven't? JAY-Z: I would say that it's from
still being able to relate to people. It's

natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it. *The Chronicles of Kerrigan Box Set Books #1-6*
Univ of California Press

Hockey players are off limits especially ... if they're on your brothers' team. The last time Jordan did that, it ended in disaster. It was easy to promise her brothers she'd never date another one of their teammates again. Until she

meets Jake. The spark she feels when she spends time with him makes her promise harder and harder to keep. Surely her brothers would understand breaking this promise if it means following her heart. Wouldn't they? Never sleep with a teammate's sister. This is the universal rule of athletes everywhere. Until he meets Jordan. As soon as Jake sets eyes on her, he wants her. The goalie's job is to see missed shots and failed opportunities on the ice. This is one shot he's not going to miss, no matter what obstacles get in his way. *POWER PLAY* is a flirty, swoon worthy sexy rom-com and the first book in the BTU Alumni series. It can be read as a stand alone. If you like hockey boys, sarcastic friends, matchmaking K9's, too-cute-to-handle kindergarteners, fierce heroines and swoony hot as puck Alpha heroes, then you want to get to know these cast of characters.

One puck head and a HEA guaranteed.

"A very productive, thought-provoking analysis of new transformations in today's narrative media and their interpretations of the child-spectator."—Dana Polan, Editor, Cinema Journal

Power Harper Collins

What happens when the truth is not enough? When a PC mission goes wrong, Aria and her friends find themselves scrambling for answers. Their family is unable to help. Their council is unable to help. In an effort to set things right, they turn to their new teacher, only to wonder if they're ready for what he has in mind... Lines are blurring. It's getting harder to tell what's right and what's wrong. The foundations have been cracking, day by day, and the friends find themselves swept along a dangerous path. Can they find their way back? Can they set their sights on something steady? Or are they about to learn the most terrible lesson of all...

Frozen By The Future W.J. May

It's time to pick a side... When Aria and her friends
discover Dorian's secret, they find themselves faced
with a choice. Will they pledge themselves solely
to the Privy Council—an organization sometimes
hampered by its own moral obligation to see in
only black and white—or is there room to operate
within a shade of grey? Compromises are made,
standards are adjusted. Bit by bit, the friends find
themselves slipping to the point where it's almost
impossible to see where they started. A storm is
coming. There's only so long you can straddle two
worlds before they eventually collide. Will the
gang find their way back across the lines that
divided them? Or will they find themselves lost on
the other side? Kerrigan Kids Book 1 - School of

Strike Five Profile Books

USA Today Bestselling author, W.J. May brings you a continuation of the international bestselling series, The Chronicles of Kerrigan! Come back and enjoy the famous characters, or step into the series right here. You won't be disappointed! Grab the first three books of the 12 book series! Book 1 - School of Potential How do you save the world, when it's already been saved? Eighteen-year-old Aria was supposed to have it all. A tight-knit circle of friends, a loving family, and a magical tatu on her lower back that gave her every superpower

under the sun. When it came to the battle between good and evil, she was ready to do her part. There was just one little problem. ...good had already won. Trapped beneath their parents' legacy, Aria and her friends find themselves restlessly pacing the halls of Guilder University, desperate to come into their powers, desperate for whatever comes next. The months blend together, each more monotonous than the next, until one day, no different than any other, a mysterious stranger comes to school. Determined to uncover his secrets and driven by a fierce need to prove themselves, the new gang does whatever it takes to show the rest of the world they're ready. But that readiness comes at a cost. Will it be a price they're willing to pay? Book 2 - Myths & Magic It was a trial by fire... When a vicious murder rocks the Guilder Boarding School, Aria and her friends find themselves on shaky ground. When everyone has motive, everyone's a suspect. And thanks to a public brawl with the victim, Aria Wardell was seen to have more motive than most. While fending off a ward of accusations from both the students and the faculty alike, Aria struggles to find balance in her life amidst the shocking development of some new powers. A new group of shifters on campus raise more questions than answers, and no matter how the world is crumbling around her, she can't get a certain moonlit kiss out of her mind. Trouble is brewing. Secrets can't stay secret for long. Will she ever get answers? Or should some secrets be taken to the grave? Book 3 - Kith & Kin If you can't beat them, join them... When yet another attack leaves the students of Guilder University looking for answers, Aria decides to take matters into her own hands. Armed with a set of powers she'd vowed never to use, she follows the clues to the killer—only to find that nothing is as it seems. The world is changing. Alliances are shifting. And the very foundations of the supernatural community are at risk. Like it or not, people are starting to take sides. But will Aria and her friends find themselves on the right side of the fight? Or are some sins too big to come back

Demise of Magic emPowering NOW LLC
Press

The game of chess reached western Europe
by the year 1000, and within several
generations it had become one of the most
popular pastimes ever. Both men and
women, and even priests played the game
despite the Catholic Church's repeated
prohibitions. Characters in countless
romances, chansons de geste, and moral
tales of the eleventh through twelfth
centuries also played chess, which often
symbolized romantic attraction or sexual

consummation. In *Power Play*, Jenny Adams connected the moves of the pieces to their looks to medieval literary representations to ask what they can tell us both about the ways the game changed as it was naturalized in the West and about the society these changes reflected. In its Western form, chess featured a queen rather than a counselor, a judge or bishop rather than an elephant, a knight rather than a horse; in some manifestations, even the pawns were differentiated into artisans, farmers, and tradespeople with discrete identities. *Power Play* is the first book to ask why chess became so popular so quickly, why its pieces were altered, and what the consequences of these changes were. More than pleasure was at stake, Adams contends. As allegorists and political theorists

real-life counterparts, chess took on important symbolic power. For these writers and others, the game provided a means to figure both human interactions and institutions, to envision a civic order not necessarily dominated by a king, and to imagine a society whose members acted in concert, bound together by contractual and economic ties. The pieces on the chessboard were more than subjects; they were individuals, playing by the rules.

Pirate Journey W.J. May
Do you have a communication issue? That is, you know what to do to be successful, but you just don't want to do it? If language is the problem, it is also the solution. The *Code of Opposites* (TCO) introduces an idea whose

time has come: a newly revealed metalanguage to feel the resistance, choose peace, and emPower the NOW. Language is where your Power is. To transform, you must look at the story you tell. Activating a metalanguage – a language beyond all languages – allows you to track patterns, understand the purpose of your self-limiting creations, and be able to turn them off. Cracking this code reveals depths of meaning that animate the soul of all wisdom teachings. The codes are so awesome they naturally raise your vibrational field to the sense of enough by which to resonate with oneness. Radical? Crazy? You betcha! Especially as this ancient language that came back from the future renamed itself “S/Hebrew,” to sanctify the union of the feminine and the masculine. Imagine yourself... * Processing trauma by realizing that mysticism may just be the only proven track to healing. * Having a unifying equation to explore the shadow, and stretch beyond fear into the sacred. * Doing what it takes to raise your self-esteem, and trust yourself in your chosen calling. * Moving out of “ScareCity” by being real enough to know what you want, and ask for it in such a way that you might receive it.

Deafened By The Past LED Edizioni
Universitarie

With *Playing God*, Andy Crouch opens the subject of power, elucidating its subtle activity in our relationships and institutions. He gives us much more than a warning against abuse, though. Turning the notion of "playing God" on its head, Crouch celebrates power as the gift by which we join in God's creative, redeeming work in the world.

The Code of Opposites—Book 2: A Sacred

Guide to Playing with Power and not Getting Burned

Black Knight Books

How does one carry the weight of two worlds...? Since the day he turned sixteen, Julian Decker had been the supernatural world's security blanket, safeguarding the future of magic with the gift of prophecy again, and again, and again. It was a delicate balance and a crushing responsibility, but the good had always outweighed the bad. Or so he believed. When Julian is sent on a dangerous deep-cover mission, all those certainties are thrown into question as he finds himself facing the worst of life's evils once again. The darkness they battle seems doomed to overtake the light, and the death of a friend makes him wonder if he wants to keep fighting anymore. Why keep waging the war, when history seems fated to repeat itself? Why spend all your time in the future, if

you never get to live in the here and now? At what point is that burden meant to rest on someone else's shoulders? At what point do you say: enough is enough. The Kerrigan Kids Box Set Books #1-3 Dark Shadow Publishing

Forms of fiction and literature underwent a process of disembodiment and cross-fertilization during the revolution from the Gutenberg Galaxy (printed paper, mass distribution) to the McLuhan Galaxy (new media, hypertext, cooperative writing). The dimension of literacy has moved from a semiotically measured geometry to a dislocation and a deconstruction of contents and channels that give expression to new products. The impact of social media on narratology has redefined the meaning of readership and authorship. The author not only loses his/her traditional role, but becomes an icon of himself/herself, a collective-minded producer that is self-perceived through the extroflexed eye of the amniotic network in which

he/she defines his/her narrative experience.

Transmedia culture defines a new cross-networked and amniotic literacy, considering that we are not facing a simple adaptation of different narrative forms from one media to another: different media and languages participate and contribute to the construction of a transmedia environment. The first issue of the IJTL seeks to shed light on transmedia literacy according to the epistemological crisis of authorship and the new dimension of participation and relationship offered by both the Web and New Media. Moving from the state of the art, the aim is to investigate the interdisciplinary relations in the field of transmedia literacy, in order to favour a pattern recognition about theories, technologies, and social dimensions of the phenomena to offer a critical toolkit to understand and map out the emerging knowledge and practices created by this new field.

Descent of Hope W.J. May

In our circus we are like family members,

and you don't leave family behind. At least that's what I thought, but deep within the cellars I had discovered a long forgotten family member. One with so much hate for the circus his killing intent was like none other. It was life or death to us, but it was a game to him. (The cover is meant to represent the two conflicting emotions/sides within the story and isn't supposed to be taken seriously. It reminds you to keep an open mind as you read this book.)

The Tree That Ate Everything W.J. May

Dave Adams is a teenager standing at a crossroads in his life. He's lonely, a bully in need of direction. Through the pages of an ancient, leather-bound journal, Dave makes contact with an ancestor, James Adams, captain of a seventeenth century sailing-ship. Captain Adams is also straddling a fence, and the life of an honest sea-going merchant pales in comparison to the excitement and

opportunities available for a captain willing to do what it takes to get ahead. Will the captain's decisions take him and his crew where they want to go? And how will those decisions affect Dave as he makes his way through high school and finds his first summer job? *Pirate Journey* explores the parallel lives of a scurvy sea captain and a high school bully as they make decisions and face the consequences of their choices, both good and bad.
