Mark believes he's meeting Jimmy for the first time in the diner where he works, but he's wrong. Mark has no recollection of their original encounter because the wholesome Jimmy of today couldn't be more different than he was two years ago. Back then, Jimmy sported multiple piercings and facial hair. He was painfully skinny--and a meth addict. The drug transformed him into a lying, conniving thief. Mark doesn't associate the memory of a hookup gone wrong with this fresh-faced twenty-something... but Jimmy knows. Can Mark see Jimmy for the man he is now and not the addict he was? The answers depend on whether true love holds enough light to shine through the darkness of past mistakes.

The Successful Failure was originally written as a statement for Lambeth Council when it set up the Shirley Oaks redress scheme for payments to children who had been abused in care. Michael Tarraga was one such resident, although Lambeth refused full compensation and denied that he was at Shirley Oaks. Its childcare records are redacted under a 100-year rule, although documents for Michael's siblings show they they were in Lambeth's care at the time. The High Court judge Sir John Goldring has said he is in no doubt that Michael was severely abused in care. This book is for anyone who has followed Michael's story through his other books, Meat Rack Boy and A Hard Road to Travel, for the full picture of his heart-wrenching and adventure-packed life.

NEW YORK TIMES BESTSELLER • A heartfelt story of love, grief, and renewal about two unlikely friends who discover that sometimes you don't know you've lost someone until you've found them "A dazzling debut novel."—O: The Oprah Magazine "Tremendously moving."—The Wall Street Journal "Touching and ultimately hopeful."—People 1987. The only person who has ever truly understood fourteen-year-old June Elbus is her uncle, the renowned painter Finn Weiss. Shy at school and distant from her older sister, June can be herself only in Finn's company; he is her godfather, confidant, and best friend. So when he dies, far too young, of a mysterious illness her mother can barely speak about, June's world is turned upside down. But Finn's death brings a surprise acquaintance into June's life. At the funeral, June notices a strange man lingering just beyond the crowd. A few days later, she receives a package in the mail containing a beautiful teapot she recognizes from Finn's apartment, and a note from Toby, the stranger, asking for an opportunity to meet. As the two begin to spend time together, June realizes she's not the only one who misses Finn, and that this unexpected friend just might be the one she needs the most. **WINNER OF THE ALEX AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • O: The Oprah Magazine • BookPage • Kirkus Reviews • Booklist • School Library Journal**

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, Atlas Shrugged is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

Dido Twite's sharp wits are put to the test in this new adventure in the Wolves Chronicles. After King Richard dies, Dido's good pal Simon is put on the English throne, but he hates being cooped up in drafty St. James Palace, and his crusty old advisors won't let him have any fun at all. If only another descendent of the king could be found, Simon would gladly be replaced. Never short a solution, Dido discovers a lead to another member of the royal line. But no one knows exactly who—or where—the child is. The masterful storyteller Joan Aiken once again invites readers into a spellbinding world of magic, mystery, and mayhem—with a dose of "proper" English hilarity, of course. Tell the Wolves I'm Home Ignatius Press

Volumes 27 through 37 are collected columns from The Illustrated London NewsThis volume contains all of G.K. Chesterton's columns in The Illustrated London News from 1935 to 1936. Most of the weekly articles have never been printed in book form until Ignatius Press undertook to do the collected works. Chesterton lovers will be delighted to find this treasure filled with jewels quite the match of his best writing. The breadth and depth of his knowledge - from history to politics to English fads and conventions - never fail to impress, and his wit is as refreshing as when these pieces were first written.This book is the last of The Illustrated London News volumes. It includes a subject index which covers all the The Illustrated London News volumes (27-37).

[Seven Years \(Seven Series #1\)](#) McClelland & Stewart

An enthralling first novel about a teenage girl who finds refuge--but perhaps not--in an 1840s Shaker community. After 15-year-old Polly Kimball sets fire to the family farm, killing her abusive father, she and her young brother find shelter in a Massachusetts Shaker community called the City of Hope. It is the Era of Manifestations, when young girls in

Shaker enclaves all across the Northeast are experiencing extraordinary mystical visions, earning them the honorific of "Visionist" and bringing renown to their settlements. The City of Hope has not yet been blessed with a Visionist, but that changes when Polly arrives and is unexpectedly exalted. As she struggles to keep her dark secrets concealed in the face of increasing scrutiny, Polly finds herself in a life-changing friendship with a young Shaker sister named Charity, a girl who will stake everything--even her faith--on Polly's honesty and purity.

"I mean, it's not as if I want a father. I have a father. It's just that I don't know who he is or where he is. But I have one." Ramiro Lopez and Jake Upthegrove don't appear to have much in common. Ram lives in the Mexican-American working-class barrio of El Paso called "Dizzy Land." His brother is sinking into a world of drugs, wreaking havoc in their household. Jake is a rich West Side white boy who has developed a problem managing his anger. An only child, he is a misfit in his mother's shallow and materialistic world. But Ram and Jake do have one thing in common: They are lost boys who have never met their fathers. This sad fact has left both of them undeniably scarred and obsessed with the men who abandoned them. As Jake and Ram overcome their suspicions of each other, they begin to move away from their loner existences and realize that they are capable of reaching out beyond their wounds and the neighborhoods that they grew up in. Their friendship becomes a healing in a world of hurt. San Antonio Express-News wrote, "Benjamin Alire Sáenz exquisitely captures the mood and voice of a community, a culture, and a generation"; that is proven again in this beautifully crafted novel.

[The Abuse of Power](#) S.L. Stacy

A major new history of Brooklyn, told through its landscapes, buildings, and the people who made them, from the early 17th century to today.

[A Hard Road to Travel](#) Trinity University Press

A beloved classic that captures the powerful bond between man and man's best friend. Billy has long dreamt of owning not one, but two, dogs. So when he's finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he's ecstatic. It doesn't matter that times are tough; together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past. Playland Eye & Lightning Books

Huffington Post called him “ a master of the abandoned ” —and for good reason. The “ activist ” known only as Seph Lawless has spent the last ten years photo-documenting the America that was left behind in the throes of economic instability and overall decline—decrepit shopping malls, houses, factories, even amusement parks. Through nearly two hundred gorgeous and elegiac photographs, *Abandoned* details Lawless ’ s journey into what was once the very heart of American entertainment: the amusement park. Lawless visits deserted parks across the country, capturing in stark detail their dilapidated state, natural overgrowth, and obvious duality of sad and playful symbolism. Previously self-published as *Bizarro*, this updated edition of Lawless ’ s photographic tribute to decaying American amusement parks contains new content and a new foreword. For the first time, the famed photojournalist Seph Lawless makes his moving work available in a stunning trade edition.

Just Kids Harper Collins

Hotbeds of Licentiousness is the first substantial critical engagement with British pornography on film across the 1970s, including the “ Summer of Love,” the rise and fall of the Permissive Society, the arrival of Margaret Thatcher, and beyond. By focusing on a series of colorful filmmakers whose work, while omnipresent during the 1970s, now remains critically ignored, author Benjamin Halligan discusses pornography in terms of lifestyle aspirations and opportunities which point to radical changes in British society. In this way, pornography is approached as a crucial optic with which to consider recent cultural and social history.

The Giveaway Dannika Dark

Chilling. Candid. Controversial. This is the voice of one man from within a dark scandal that nestled in the heart of London's Soho in the 1970s. Travelling to the big city to escape The Troubles in his native Northern Ireland, Anthony Daly accepted a job in Foyles Bookshop and began a new life in England. However, his naivety saw him quickly fall foul of predators, looking for young men to blackmail and sexually exploit. After years of hiding the secret of his abuse at the hands of some of the most influential men in the country, Anthony's trauma became harder to contain as he witnessed revelations of historic abuse coming to light on TV and in newspapers. Then, finally his lost voice ripped through the safe family life he had built over 40 years. With parallels to Joseph Conrad's *Heart of Darkness*, this is stylishly written and politically explosive. The haunting true story of a young man's decent into a hell designed to satisfy the powerful. A world that destroyed the lives of everyone involved.

The Life of an Uncouth Lout Vintage

A previously undocumented slice of London's underground sexual history, and its influence upon artists from Oscar Wilde to Francis Bacon and the Stones to Morrissey Piccadilly Circus has long been London's principal location for selling sex and this is the first book to really explore the history of male prostitution at "The Dilly." Dating from Oscar Wilde's notorious use of the location for pick-ups through to Francis Bacon's equal attraction to rough trade and right up to recent history, this is a pioneering piece of counterculture history. Employing a flair for acute visual imagery, the author maps out Soho's submerged gay clubs and drinking-rooms in the decades before de-criminalization. This is followed by the new masculinity advocated by the Mod look in the 1960s, the influence of the place on rock and pop stars such as the Stones, Marc Almond, and Morrissey (all of whom themed songs on the subject) and the book closes in the 1990s, when online male escorts replaced rent boys on the Piccadilly railing. An exhilaratingly colorful recreation of the illegal occupation of one of London' ’ s central commercial zones by lawless Dilly boys, this history is augmented by first-hand interviews with rent boys who worked the meat-rack in the 1970s as well as a chapter recording the author's personal friendship with the artist Francis Bacon.

The Architecture of Happiness Princeton University Press

The first collection of short stories from Kenya's foremost woman novelist. Twelve stories bring alive the author's feeling for the macabre and fantastic - reminiscent of the tragedy in *The Promised Land*.

In Love Again Simon and Schuster

Frank Sinatra, The Beatles, and The Who were all performing in the Queensway and Shepherd's Bush areas of London in 1964-65, but in those same areas during the early hours a meticulous serial killer was stalking local prostitutes, dumping their naked bodies on the streets. While London was famed for its trendy boutiques, groundbreaking movies, and its Carnaby Street vibe, the reality included a huge street prostitution scene, a violent world that filled the magistrate's courts but rarely made headlines. Seven, possibly eight, women fell victim--making this killer more prolific than Jack the Ripper, 77 years previously. His grim spree sparked the biggest police manhunt in history. But why did such a massive hunt fail? And why has such a traumatic case been largely forgotten today? With shocking conclusions, one detective makes the astonishing new claim that all the original evidence from the crime scenes has been destroyed. Using secret police papers, crime reconstructions, and interviews with contemporary police experts along with insights from the world's leading geographical profiler, *Hunt for the 60's Ripper* revisits this chilling case. What do modern experts say about the case today? And why did the leading detective, John du Rose, claim to know all along who the killer was? With links to figures from the vicious world of the Kray twins and the Profumo Affair, the case exposes the depraved underbelly of British society in the Swinging Sixties. An evocative and thought-provoking reinvestigation into perhaps the most shocking unsolved mass murder in modern British history.

More Than a Memoir Reaktion Books

Treasure Island, published in 1883, popularized the now familiar characters of pirates and brought them to rum-swilling life. When an old sailor named Billy Bones dies in the inn belonging to young Jim Hawkins ’ s parents, he leaves a greasy old map on which an “ X ” marks the spot where treasure is buried. Jim joins the crew of a ship in pursuit of Bones ’ s treasure, and on the seas meets up with Long John Silver, a peg-legged pirate who has infiltrated their ranks. Jim must survive mutinies and counter-mutinies, face hand-to-hand combat with drunken sailors, and outwit double-crossing thieves before the treasure can be his.
