Level Up! 2nd Edition has been NEWLY EXPANDED to teach you how to develop marketable ideas, learn what perils and pitfalls await during a game's pre-production, production and post-production stages, and provide even more creative ideas to serve as fuel for your own projects including: Developing your game design from the spark of inspiration all the way to production Learning how to design the most exciting levels, the most precise controls, and the fiercest foes that will keep your players challenged Creating games for mobile and console systems – including detailed rules for touch and motion controls Monetizing your game from the design up Writing effective and professional design documents with the help of brand new examples Level Up! 2nd Edition is includes all-new content, an introduction by David “God of War” Jaffe and even a brand-new chili recipe –making it an even more indispensable guide for video game designers both “in the field” and the classroom. Grab your copy of Level Up! 2nd Edition and let's make a game!

The Official GameSalad Guide to Game Development John Wiley & Sons

Congratulations on your purchase of what Sony Computer Entertainment touts as “the world’s most powerful gaming console,” the PlayStation 4! In its first year alone, the PlayStation 4 has already sold nearly 15 million units internationally and has been heralded by critics and consumers alike for its powerful hardware and new

features. In 2014 it won gaming mega-website IGN’s People’s Choice Award for best console (in competition with the xBox One and Wii U). Accordingly, the PlayStation 4 dominated gaming console sales throughout 2014, making it one of the best and fastest-selling gaming consoles ever designed. In addition to its beefier hardware, Sony has added a variety of new and innovative features, including the Dualshock 4 controller, the PlayStation Camera, and the PlayStation Move controller. Additionally, with the new system, players can connect their smart phones, tablets, PS Vita or PS TV to act as “second screen” interfaces to interact with your PS4. The new PlayStation 4 user interface will be familiar to those already used to the PlayStation 3 interface, but the look and feel of the PS4 has been enhanced with dynamic menus that can be changed based on user preferences. Third party apps, such as Netflix and Hulu, can now be displayed directly on the main screen for faster access. Additionally, the system now can be controlled using voice commands from a microphone headset or from the built-in microphone on the PlayStation Camera. With the release of the PlayStation 4, Sony has begun to emphasize “social gaming,” which goes far beyond mere multi-player gaming with the ability to share directly to social media sites like YouTube and Facebook with just a click of a button. Ever wanted to share a video of yourself beating that final boss with your Facebook friends? With the PS 4, this is now possible with just a couple of button presses using the new “Share” button on the

Dualshock 4 controller. In addition to faster and easier access to internet services like Netflix and Amazon Instant Video, the PlayStation 4's built in web browser is based on the same engine used by Google Chrome and the new Safari web browser, making it the most compatible browser available on any console. Whereas in the past and with other consoles, web browsing could be a bit of a headache when it comes to things like accessing YouTube videos, the PS4's web browser is as easy and intuitive as the web browser on your computer, and it's automatically compatible with the web's most advanced websites. This guide will introduce you to how to use the most advanced features of the PS4. Now might be a good time to warn your significant other and boss that they might not see you for a while as you get familiar with your new best friend, the Sony PlayStation 4! Please note, this book is neither written or endorsed by Sony and should be considered unofficial.

Aaron Marks' Complete Guide to Game Audio St.

Martin's Paperbacks

The Essential Guide to Semiconductors is a complete guide to the business and technology of semiconductor design and manufacturing. Conceptual enough for laypeople and nontechnical investors, yet detailed enough for technical professionals, Jim Turley explains exactly how silicon chips are designed and built, illuminates key markets and opportunities, and shows how the entire industry "fits together."

The 5th Ultra Massive is a photographic journey through the evolution of video game controllers from Atari 2600 to Xbox and everything in between. If you love video games, then you love video game controllers, but have you ever stopped to ponder their existence? The plastic devices with which we play Pac-Man, Truxton, Super Mario Bros., Street Fighter II, Pong, Minecraft, Forza, and Fortnite have personalities all their own. What started with joysticks, trak-balls, and paddles evolved into complex wireless gamepads, virtual reality, and oddball keyboard peripherals. Ultra Massive Volume 5 takes a photographic journey through the evolution of video game controller design with beautiful pictures taken by photographer and video game historian, Mark Bussler (Classic Game Room, Ultra Massive Video Game Console Guide series.) Ultra Massive Video Game Controller Guide features more than 100 controllers and accessories in this stunning book filled with humorous and informative reviews including: -Atari 2600 joysticks -NES Advantage -Hori Hayabusa -PlayStation 2 DualShock 2 -DJ Hero controller -Fairchild Channel F (lightsaber) joystick -Vectrex controller -Xbox 360 gamepad -PC-Engine PC Commander -Sega Genesis gamepads -Sega Dreamcast controller -Super Nintendo gamepad -Atari 5200 controller -Panasonic 3DO gamepad -Ascii Stick X Turbo -Much, much more! The design of video game controllers is an integral part of video game history. Ultra Massive 5 celebrates controllers and joysticks with stunning, high resolution black and white photography that brings out the details and designs that we rarely notice when blowing things up with lasers. **The New York Times Guide to Essential Knowledge** Lulu.com He . . . could . . . go . . . all . . . the . . . way! - Discover advanced techniques for rushing and passing - Play better defense and shut down your opponent - Score more points with our can't-miss play calling advice - Get to know this year's teams with our roster and rookie updates - Learn the secrets of how to be competitive in every game

Powerful Playstation 2 Repair Guide McFarland

So, you're about to welcome the newest addition to the Sony PlayStation device family into your life - the PlayStation TV. Our prediction is that the PS TV represents a huge step forward for Sony and the beginnings of a much brighter (and cheaper!) cloud-based future for console gaming. PS TV brings together a significant cross section of the PlayStation back catalog in one relatively inexpensive device, thanks to PS3 game streaming through PlayStation Now, Sony's Cross Buy initiative, and PS TV's Remote Play feature, which allows you to stream your own PS4 screen to another television in your house through PS TV. The PS TV also opens up classic PS2, PS3 and PSP games to satisfy older gamers' nostalgia and introduce younger gamers to the games that hooked their parents (and if you're wondering, yes, Final Fantasy VI is still just as great as you remember it being). This guide will tell you everything you need to know about the PS TV (and then some). There's plenty of information here for total PlayStation newbies wondering what in the world DualShock is, as well as for seasoned PlayStation players hoping to tie years and even decades of PlayStation experience together through the PS TV. In Chapter 1: Meet the PlayStation TV, we'll catch you up to speed on the world of PlayStation and give you an overview of the services and accessories that make the PlayStation world turn. In Chapter 2: PS TV Basics, we'll help you unpack and set up your PS TV, navigate it, customize it, and take care of it. In Chapter 3: Gaming on PS TV, we'll go into lots of detail about the various ways you can play with PS TV. Chapter 4: Onboard PS TV Applications gives you a detailed tour of

every single application on your device, with tips and tricks for getting the most out of each one. Finally, in Chapter 5: Recommended Games, we'll share some of our favorites with you. So tell your significant other and your boss that you're going to be unavailable for the foreseeable future as you explore everything PS TV has to offer, and read on to learn how to get the most out of PlayStation TV!
