This book explores how classical and Shakespearean tragedy has shaped the temporality of crisis on the stage and in time-travel films and videogames. In turn, it uncovers how performance and new media can challenge common assumptions about tragic causality and fate. Traditional tragedies may present us with a present when a calamity is staged, a decisive moment in which everything changes. However, modern performance, adaptation and new media can question the premises of that kind of present crisis and its fatality. By offering replays or alternative endings, experimental theatre, adaptation, time travel films and videogames reinvent the tragic experience of irreversible present time. This book offers the reader a fresh understanding of tragic character and agency through these new media ’ s exposure of the genre ’ s deep structure.

The reporters said it was a sexy story—church, money, greed, adultery, blood, a defenseless

child with profound disabilities, and a good man who never saw it coming, all the elements that garnered column inches and high ratings. The main players on the stage included a talented journalist who played the organ at church, a cunning narcissist who hid behind a pretty face and a sweet demeanor, and a respected businessman and father. The plan, her plan, unfolded in the early morning hours of June 8, 1994, when a flyspeck of a man dressed in black, covetous and possessed by passion, clutched a large knife in his gloved hands and stood above his sleeping prey. He could not know, as the blade arced toward its target, how many lives would be forever changed by their crimes.

So, you're about to welcome the newest addition to the Sony PlayStation device family into your life - the PlayStation TV. Our prediction is that the PS TV represents a huge step forward for Sony and the beginnings of a much brighter (and cheaper!) cloud-based future for console gaming. PS TV brings together a significant cross section of the PlayStation back catalog in one relatively inexpensive device, thanks to PS3 game streaming through PlayStation Now, Sony's Cross Buy initiative, and PS TV's Remote Play feature, which allows you to stream your own PS4 screen to another television in your house through PS TV. The PS TV also opens up classic PS2, PS3 and PSP games to satisfy older gamers' nostalgia and introduce younger gamers to the games that hooked their parents (and if you're wondering, yes, Final Fantasy VI is still just as great as you remember it being). This guide will tell you everything you need to know about the PS TV (and then some). There's plenty of information here for total PlayStation newbies wondering what in the world Dualshock is, as well as for seasoned PlayStation players hoping to tie years and even decades of PlayStation experience together through the PS TV. In Chapter 1: Meet the PlayStation TV, we'll catch you up to speed on the world of PlayStation and give you an overview of the services and accessories that make the PlayStation world turn. In Chapter 2: PS TV Basics, we'll help you unpack and set up your PS TV, navigate it, customize it, and take care of it. In Chapter 3: Gaming on PS TV, we'll go into lots of detail about the various ways you can play with PS TV. Chapter 4: Onboard PS TV Applications gives you a detailed tour of every single application on your device, with tips and tricks for getting the most out of each one. Finally, in Chapter 5: Recommended Games, we'll share some of our favorites with you. So tell your significant other and your boss that you're going to be unavailable for the foreseeable future as you explore everything PS TV has to offer, and read on to learn how to get the most out of PlayStation TV!

Congratulations on your purchase of what Sony Computer Entertainment touts as “ the world ’ s most powerful gaming console, ” the PlayStation 4! In its first year alone, the PlayStation 4 has already sold nearly 15 million units internationally and has been heralded by critics and consumers alike for its powerful hardware and new features. In 2014 it won gaming mega-website IGN ’ s People ’ s Choice Award for best console (in competition with the xBox One and Wii U). Accordingly, the PlayStation 4 dominated gaming console sales throughout 2014, making it one of the best and fastest-selling gaming consoles ever designed. In addition to its beefier hardware, Sony has added a variety of new and innovative features, including the Dualshock 4 controller, the PlayStation Camera, and the PlayStation Move controller. Additionally, with the new system, players can connect their smart phones, tablets, PS Vita or PS TV to act as “ second screen ” interfaces to interact with your PS4. The new PlayStation 4 user interface will be familiar to those

already used to the PlayStation 3 interface, but the look and feel of the PS4 has been enhanced with dynamic menus that can be changed based on user preferences. Third party apps, such as Netflix and Hulu, can now be displayed directly on the main screen for faster access. Additionally, the system now can be controlled using voice commands from a microphone headset or from the built-in microphone on the PlayStation Camera. With the release of the PlayStation 4, Sony has begun to emphasize “ social gaming, ” which goes far beyond mere multi-player gaming with the ability to share directly to social media sites like YouTube and Facebook with just a click of a button. Ever wanted to share a video of yourself beating that final boss with your Facebook friends? With the PS 4, this is now possible with just a couple of button presses using the new “ Share ” button on the Dualshock 4 controller. In addition to faster and easier access to internet services like Netflix and Amazon Instant Video, the PlayStation 4 ’ s built in web browser is based on the same engine used by Google Chrome and the new Safari web browser, making it the most compatible browser available on any console. Whereas in the past and with other consoles, web browsing could be a bit of a headache when it comes to things like accessing YouTube videos, the PS4 ’ s web browser is as easy and intuitive as the web browser on your computer, and it ’ s automatically compatible with the web ’ s most advanced websites. This guide will introduce you to how to use the most advanced features of the PS4. Now might be a good time to warn your significant other and boss that they might not see you for a while as you get familiar with your new best friend, the Sony PlayStation 4! Please note, this book is neither written or endorsed by Sony and should be considered unofficial.
