unit 7 Aligned Dimension - A system of  
dimensioning which requires all numerals, figures,  
and notes to be aligned with the dimension lines so  
that they may be read from the bottom (for  
horizontal dimensions) and from the right side (for  
vertical dimensions).

Project Lead The Way provides transformative  
learning experiences for PreK-12 students and  
teachers across the U.S. We create an engaging,  
hands-on classroom environment and empower  
students to develop in-demand knowledge and  
skills they need to thrive. We also provide teachers  
with the training, resources, and support they need  
to engage students in real-world learning.
