Mometrix Test Preparation's PMP Exam Prep 2024-2025 - Project Management Professional Certification Secrets Study Guide [PMBOK 7th Edition] is the ideal prep solution for anyone who wants to pass their Project Management Professional Exam. The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: * 2 practice tests available in online interactive format (1 of these printed in the guide) * Tips and strategies to help you get your best test performance * A complete

review of all PMBOK sections
PMP is a certification mark of the Project Management Institute, which was not involved in the production of, and does not endorse, this product. The Mometrix guide is filled with the critical information you will need in order to do well on your PMP exam: the concepts, procedures, principles, and vocabulary that the Project Management Institute (PMI) expects you to have mastered before sitting for your exam. New Material for PMBOK 7 includes: * Agile * Principles * Performance Domains * Tailoring * Models, Methods, and Artifacts * Exam Tips * Practice Tests The guide includes essential elements of Mometrix's PMP Guide for PMBOK 6 covering: * Foundational Elements * Project Operating Environment * Role of the Project Manager * Project Integration Management *

Project Scope Management *
Project Schedule Management *
* Project Cost Management *
Project Quality Management *
Project Resource Management *
* Project Communications Management *
Project Risk Management *
Project Procurement Management *
Project Stakeholder Management ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix PMP study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice

questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of PMP practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. All 2 practice tests are available to take in online interactive format, allowing you to immediately score your test and see what you got wrong. We've also printed 1 practice test in your guide for offline reference. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our PMP Exam Prep 2024-2025 - Project Management Professional Certification Secrets Study

Guide [PMBOK 7th Edition] is no exception. It's an excellent investment in your future. Get the PMP review you need to be successful on your exam.

[The PMP Project Management Professional Certification Exam Study Guide PMBOK](#)

Seventh 7th Edition

Springer Nature

To support the broadening spectrum of project delivery approaches, PMI is offering A Guide to the Project Management Body of Knowledge (PMBOK® Guide) - Sixth Edition as a bundle with its latest, the Agile Practice Guide.

The PMBOK® Guide - Sixth Edition now contains detailed information about agile; while the Agile Practice Guide, created in partnership with Agile Alliance®, serves as a bridge to connect waterfall and agile. Together they are a powerful tool for project managers. The PMBOK® Guide - Sixth Edition - PMI's flagship publication has been updated to reflect the latest good practices in project management.

New to the Sixth

Edition, each knowledge area will contain a section entitled Approaches for Agile, Iterative and Adaptive Environments, describing how these practices integrate in project settings. It will also contain more emphasis on strategic and business knowledge—including discussion of project management business documents—and information on the PMI Talent Triangle™ and the essential skills for success in today's market. Agile Practice Guide has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how

to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including A Guide to the Project Management Body of Knowledge (PMBOK® Guide) - Sixth Edition, and was developed as the result of collaboration between the Project Management Institute and the Agile Alliance.

Test Prep Books
The PMP exam is the golden standard for project management professionals, but let's face it - it's tough to stay conscious when reading the PMBOK. This book is the antidote. Everything you need to know to pass the PMP exam is included. It is literally 1/3 the size in volume compared to some of the more popular tomes out there. All that fluff has been removed and boiled down to the straight facts, plus enough glue to bring it all together so that it makes sense. Those uber-fancy terms and run-on sentences have been removed so you can quickly understand what is being said, instead of having to reread the same sentence 3

times. This book has been updated for the PMBOK Guide Sixth Edition, which includes all sorts of greatness over the previous edition including the following changes: * An updated PMI's Talent Triangle* A focus on schedule instead of time* 3 new processes have been added* 1 process has been removed* 'Monitor' is the new 'Control'* An increase in the number of ITTOs* A recognition that agile methodologies now rule the planet* Enjoy a fun-but-serious way of learning the PMP material, which includes some great mnemonics on memorizing knowledge areas, processes and process groups.
