The fundamentals of project management
with a wide assortment of business
applications. "Project Management" takes a
decision-making, business-oriented
approach to the management of projects,
which is reinforced throughout the text with
current examples of project management in
action. And because understanding project
management is central to operations in
various industries, this text also addresses
project management within the context of a
variety of successful organizations, whether
publicly held, private, or not-for-profit.

Achieving Competitive Advantage John Wiley & Sons

Essential project management forms aligned to the PMBOK® Guide—Sixth Edition

A Project Manager's Book of Forms is an essential companion to the Project Management Institute's A Guide to the Project Management Body of Knowledge. Packed with ready-made forms for managing every stage in any project, this book offers both new and experienced project managers an invaluable resource for thorough documentation and repeatable processes. Endorsed by PMI and aligned with the PMBOK® Guide, these forms

cover all aspects of initiating, planning, executing, monitoring and controlling, and closing; each form can be used as-is directly from the book, or downloaded from the companion website and tailored to your project's unique needs. This new third edition has been updated to align with the newest PMBOK® Guide, and includes forms for agile, the PMI Talent Triangle, technical project management, leadership, strategic and business management, and more. The PMBOK® Guide is the primary reference for project management, and the final authority on best practices—but implementation can quickly become complex for new managers on large projects, or even experienced managers juggling multiple projects with multiple demands. This book helps you stay organized and on-track, helping you ensure thorough documentation throughout the project life cycle. Adopt PMI-endorsed forms for documenting every process group. Customize each form to suit each project's specific needs. Organize project data and implement a repeatable management process. Streamline PMBOK® Guide implementation at any level of project

management experience Instead of wasting time interpreting and translating the PMBOK® Guide to real-world application, allow PMI to do the work for you: A Project Manager's Book of Forms provides the PMBOK®-aligned forms you need to quickly and easily implement project management concepts and practices.
