"Something inside Amelia changed when she realized what she had done. She was killing these people, people that never even hurt her, people that cared about her. She remembered

feeling similar to this when she saw the small children playing in the park. 'What a horrible person I am.'" Amelia Everheart: the center of an abusive household where nothing seems to go right and bad habits go unnoticed. Will one bad habit be the end? Contracting a vicious infection, Amelia struggles with the voices inside her head and her rapidly deteriorating body. Knowing what she is doing is wrong, but having no say in it, Amelia spreads her infection to those she loves. She is under the man's control as his next victims will be. As more people get

infected, the man's lust for power grows. Nothing can survive a force like the man. Discover the horrors the man has planned for our world in *Eaten*, a novel by Alyanna Poe.

Mysteries, horror stories, and thrillers keep readers' hearts pounding and their bodies firmly planted on the edge of their seats. The authors who have provided some of the greatest literary adrenaline rushes in history are profiled in this book. These individuals challenge readers to solve crimes, delve into the supernatural, and face their deepest fears—all in the name of entertainment and edification. By examining the lives of many of

---

the writers behind these popular works—including Raymond Chandler, Agatha Christie, John Grisham, Stephanie Meyer, and Bram Stoker—readers will also learn about the evolution of these genres, as well as the impetus behind the creation of many best-selling titles therein.

#### Great Tales and Poems of Edgar Allan Poe Ballantine Books

A masterful collection of horror fiction by widely acclaimed authors whose contributions to the genre have been lost in the shadow of Poe, by one of America's foremost anthologists. Edgar Allan Poe did not invent the tale of terror. There were American, English, and Continental writers who preceded Poe and influenced his work. Similarly, there were many who were in turn influenced by Poe's genius and produced their own popular tales of supernatural literature. This collection features masterful tales of terror by authors who, by and large, are little-remembered for their writing in this genre. Even Bram Stoker, whose *Dracula* may be said to be the most popular horror novel of all time, is not known as a writer of short fiction. Distinguished editor Leslie S. Klinger is a world-renowned authority on those twin icons of the Victorian age, Sherlock Holmes, and *Dracula*. His studies into the

forefathers of those giants led him to a broader fascination with writers of supernatural literature of the nineteenth century. The stories in this collection have been selected by him for their impact. Each is preceded by a brief biography of the author and an overview of his or her literary career and is annotated to explain obscure references. Read on, now, perhaps with a flickering candle or flashlight at hand . . . Stories by: Ambrose Bierce, Joseph Sheridan Le Fanu, Theodor Gautier, Charlotte Perkins Gilman, Arthur Conan Doyle, Lafcadio Hearn, M. R. James, Bram Stoker, and many others.

#### **Edgar Allan Poe's Tales of Mystery and Madness** Penguin Group

A new selection for the NEA's Big Read program A compact selection of Poe's greatest stories and poems, chosen by the National Endowment for the Arts for their Big Read program. This selection of eleven stories and seven poems contains such famously chilling masterpieces of the storyteller's art as "The Tell-tale Heart," "The Fall of the

House of Usher," "The Cask of Amontillado," and "The Pit and the Pendulum," and such unforgettable poems as "The Raven," "The Bells," and "Annabel Lee." Poe is widely credited with pioneering the detective story, represented here by "The Purloined Letter," "The Mystery of Marie Roget," and "The Murders in the Rue Morgue." Also included is his essay "The Philosophy of Composition," in which he lays out his theory of how good writers write, describing how he constructed "The Raven" as an example.

From the fictional land of Carcosa that inspired the HBO show *True Detective* to H. P. Lovecraft's accursed New England hills, this collection features some of the most legendary landscapes of the cosmic horror genre. The collection includes the following twelve stories: Edgar Allan Poe, "MS. Found in a Bottle" Bram Stoker, "The Squaw" Ambrose Bierce, "Moxon's Master" Ambrose

Bierce, "The Damned Thing" Ambrose Bierce, "An Inhabitant of Carcosa" R. W. Chambers, "The Repairer of Reputations" M. P. Shiel, "The House of Sounds" Arthur Machen, "The White People" Algernon Blackwood, "The Willows" Henry James, "The Jolly Corner" Walter de la Mare, "Seaton's Aunt" H. P. Lovecraft, "The Colour Out of Space" "The true weird tale has something more than a secret murder, bloody bones, or a sheeted form clanking chains. An atmosphere of breathless and unexplainable dread of outer, unknown forces must be present; a hint of that most terrible conception of the human brain—a malign and particular suspension or defeat of those fixed laws of Nature which are our only safeguard against the assaults of chaos and the daemons of unplumbed space." —H. The Green Glass Sea Start Publishing LLC

In this wide-ranging series of essays, an award-winning science fiction critic explores how the related genres of science fiction, fantasy, and horror evolve, merge, and finally "evaporate" into new and more dynamic forms. Beginning with a discussion of how literary readers "unlearned" how to read the fantastic during the heyday of realistic fiction, Gary K. Wolfe goes on to show how the fantastic reasserted itself in popular genre literature, and how these genres themselves grew increasingly unstable in terms of both narrative form and the worlds they portray. More detailed discussions of how specific contemporary writers have promoted this evolution are followed by a final essay examining how the competing discourses have led toward an emerging synthesis of critical approaches and vocabularies. The essays cover a vast range of authors and texts, and include substantial discussions of very current fiction published within the last few years.

Tales of Mystery and Horror Anthem Press

This study traces Edgar Allan Poe's contribution to the Gothic tradition and his invention of the detective tale. It explores the connections

between these genres in British and American writers influenced by Poe, such as Arthur Conan Doyle, Robert Louis Stevenson, Thomas Harris, and Stephen King. This book also examines women writers strongly influenced by Poe, such as Joyce Carol Oates, Sara Paretsky, and Sue Grafton. The last chapter of the volume considers films - in particular, the Roger Corman Poe series, Chinatown, Seven, and Blade Runner - that connect the horror and detective genres.

The first of these Tales of Mystery and Horror begins with the most puzzling of murders... Dupin's brilliant powers of analysis always reached ingenious conclusions. So, when he read about THE MURDERS IN THE RUE MORGUE, Dupin was keen to search the crime scene. Newspapers portrayed the locked apartment as impossible to escape from, making the case so mysterious. Inside, there was a blood-smearred razor, locks of grey human hair, an opened safe and bags of money. Then a grisly discovery was made, distracting the police but

leaving Dupin to investigate the small details that had gone unnoticed...

A sweet little cat drives a man to insanity and murder.... The grim death known as the plague roams a masquerade ball dressed in red.... A dwarf seeks his final revenge on his captors.... A sister calls to her beloved twin from beyond the grave.... Prepare yourself. You are about to enter a world where you will be shocked, terrified, and, though you'll be too scared to admit it at first, secretly thrilled. Here are four tales -- The Black Cat, The

Masque of the Red Death, Hop-Frog, and The Fall of the House of Usher -- by the master of the macabre, Edgar Allan Poe. The original tales have been ever so slightly dismembered -- but, of course, Poe understood dismemberment very well. And he would shriek in ghoulish delight at Gris Grimly's gruesomely delectable illustrations that adorn every page. So prepare yourself. And keep the lights on.
