Wishes for the Cloths of Heaven POE Young Readers

Gorgeous, spirited and extravagantly rich, Cora Cash is the closest thing 1890s New York society has to a princess. Her masquerade ball is the prelude to a campaign that will see her mother whisk Cora to Europe, where Mrs Cash wants nothing less than a title for her daughter. In England, impoverished blue-bloods are queueing up for introductions to American heiresses, overlooking the sometimes lowly origins of their fortunes. Cora makes a dazzling impression, but the English aristocracy is a realm fraught with arcane rules and pitfalls, and there are those less than eager to welcome a wealthy outsider...

Breaking Through Oxford University Press

Beginning with approaches familiar to students and then gradually

introducing schools of criticism that are more challenging, THEORY INTO PRACTICE provides extensive step-by-step guidance for writing literary analyses from each of the critical perspectives. This brief, practical introduction to literary theory explores core literary theories in a unique chronological format and includes an anthology of relevant fiction, poetry, and nonfiction to help bring those theories to life for students. Remarkably readable and engaging, the text makes even complex concepts manageable for those beginning to think about literary theory, and example analyses for each type of criticism show how real students have applied the theories to works included in the anthology. Now updated with the latest scholarship, including a full discussion of Ecocriticism and increased emphasis on American multicultural approaches, THEORY INTO PRACTICE provides an essential foundation for thoughtful and effective literary analysis. Songs of Kabir Bedford/St. Martin's

Indian poets who wrote in English—a small middle class minority—were divided from the regional language poets by more than language for long. The English poets had a selected readership, were known unto themselves, in academic circles if they were widely published, but were looked down upon with a kind of derision by regional writers. However, the scenario has changed now. From English being spurned as a colonizer's tongue that was nobody's language,

it has now become everybody's language with English medium schools, English movies, ads, soaps and serials. For a generation living in a global village, genuine readership and appreciation of English poetry is no longer an encumbrance. This book, in its second edition, continues to educate the students with diverse and thought-provoking essays that vary from personal to argumentative to objectively discursive English literature and to those who are genuinely interested in Indian English poetry. The Fourteen poets selected in this anthology are Michael Madhusudan Dutt, Toru Dutt, Rabindranath Tagore, Aurobindo Ghosh, Sarojini Naidu, Jibanananda Das, Nissim Ezekiel, Jayanta Mahapatra, A.K. Ramanujan, Arun Kolatkar, Rajagopal Parthasarathy, Kamala Das, and Dilip Chitre. The poets included are all on the syllabi of major universities in India.

In a kingdom by the sea, two young people fall in love. A cruel fate, however, was reserved for Annabel Lee. You will fall in love too with this beautiful work by Edgar Allan Poe, available in Portuguese and English editions. The Portuguese language version was even beautifully translated by Fernando Pessoa. POE Young Readers team worked tirelessly on this edition, retelling Poe's verses with beautiful watercolor-style illustrations.

Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, And Still I Rise, as seen on PBS's American Masters. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus

begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. And *Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. "It is true poetry she is writing," M.F.K. Fisher has observed, "not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes."

Having come from Mexico to California ten years ago, fourteen-year-old Francisco is still working in the fields but fighting to improve his life and complete his education. *The Passionate Shepherd to His Love* Bedford/st Martins Look We Have Coming to Dover! is the most acclaimed debut collection of poetry published in recent years, as well as one of the most relevant and accessible. Nagra, whose own parents came to England from the Punjab in the 1950s, draws on both English and Indian-English traditions to tell stories of alienation, assimilation, aspiration and love, from a stowaway's first footprint on Dover Beach to the disenchantment of subsequent generations.

Songs of Kabir Rabindranath Tagore - Kabir lived in the 15th Century (1440-1518); born to Mohammadan parents; he came under the influence of the famous Hindu saint; Sri Ramananda and delved deep into the mysteries of Hindu mysticism. A true worshipper of God; he emphasized the purity of mind and selfless devotion to God. He openly opposed the weaknesses of both Hinduism and Islam. During his life time he composed many poems. They are usually two line couplets; known as dohas; recited by many scholars even today to denote some deep philosophical truths. All these songs of Kabir were translated into English by none other than Rabindranath Tagore; the mystic poet and the Noble Laureate; the first edition; published by The Macmillan Company; 1915; New York. This book shall prove to be an asset for the Kabir lovers who can't enjoy his writings in Hindi.

Communication research is evolving and changing in a world of online journals, open-access, and new ways of obtaining data and conducting experiments via the Internet. Although there are generic encyclopedias describing basic social science research methodologies in general, until now there has been no comprehensive A-to-Z reference work exploring methods specific to communication and media studies. Our entries, authored by key figures in the field, focus on special considerations when applied specifically to communication research, accompanied by engaging

examples from the literature of communication, journalism, and media studies. Entries cover every step of the research process, from the creative development of research topics and questions to literature reviews, selection of best methods (whether quantitative, qualitative, or mixed) for analyzing research results and publishing research findings, whether in traditional media or via new media outlets. In addition to expected entries covering the basics of theories and methods traditionally used in communication research, other entries discuss important trends influencing the future of that research, including contemporary practical issues students will face in communication professions, the influences of globalization on research, use of new recording technologies in fieldwork, and the challenges and opportunities related to studying online multi-media environments. Email, texting, cellphone video, and blogging are shown not only as topics of research but also as means of collecting and analyzing data. Still other entries delve into considerations of accountability, copyright, confidentiality, data ownership and security, privacy, and other aspects of conducting an ethical research program. Features: 652 signed entries are contained in an authoritative work spanning four volumes available in choice of electronic or print formats. Although organized A-to-Z, front matter includes a Reader's Guide grouping entries thematically to help students interested in a specific aspect of communication research to more easily locate directly related entries. Back matter includes a Chronology of the development of the field of communication research; a Resource Guide to classic books, journals, and associations; a Glossary introducing the terminology of the field; and a detailed Index. Entries conclude with References/Further Readings and Cross-References to related entries to guide students further in their research journeys. The Index, Reader's Guide themes, and Cross-References combine to provide robust search-and-browse in the e-version.

Essays on Eddic Poetry presents a selection of important articles on Old Norse literature by noted medievalist John McKinnell. While McKinnell's work addresses many of the perennial issues in the study of Old Norse, this collection has a special focus on the interplay between heathen and Christian world-views in the poems. Among the texts examined are *Hávamál*, which includes an elegantly cynical poem about Óðinn's sexual intrigues and a more mystical one about his self-sacrifice on the world-tree in order to gain magical wisdom; *Völundarkviða*, which recounts an elvish smith's revenge for his captivity and maiming; and *Hervararkviða*, where the heroine bravely but foolishly raises her dead father to demand the deadly sword Tyrfingr from him. Originally published between 1988 and 2008, these twelve essays cover a wide range of mythological and heroic poems and have been revised and updated to reflect the latest scholarship.
