Percy Bysshe Shelley -  
Poetical Works, Lyrics and

Shorter Poems Hassell  
Street Press

A thrillingly original exploration of a life lived under poetry's uniquely seductive spell "Oh! there are spirits of the air," wrote Percy Bysshe Shelley. In this stunningly original book Maureen N. McLane channels the spirits and

---

voices that make up the music in one poet's mind. Weaving criticism and memoir, *My Poets* explores a life reading and a life read. McLane invokes in *My Poets* not necessarily the best poets, nor the most important poets (whoever these might be), but those writers who, in possessing her, made her. "I am marking here what most marked me," she writes. Ranging from Chaucer to H.D. to William Carlos Williams to Louise Glück to Shelley (among others), McLane tracks the "growth of a poet's mind," as Wordsworth put it in *The Prelude*. In a poetical prose both probing and incantatory, McLane has written a radical book of experimental criticism. Susan Sontag called for an "erotics of interpretation": this is it. Part *Bildung*, part dithyramb, part exegesis,

*My Poets* extends an implicit invitation to you, dear reader, to consider who your "my poets," or "my novelists," or "my filmmakers," or "my pop stars," might be.

**Radical Shelley** Oxford University Press, USA

The *Oxford Handbook of Percy Bysshe Shelley* takes stock of current developments in the study of a major Romantic poet and prose-writer, and seeks to advance Shelley studies beyond the current scholarship. It consists of forty-two chapters written by a prestigious international cast of established and emerging scholar-critics, and offers the most wide-ranging single-volume body of writings on Shelley. The volume builds on the textual revolution in Shelley

---

studies, which has transformed understanding of the poet, as critics are able to focus on what Shelley actually wrote. This Handbook is divided into five thematic sections: Biography and Relationships; Prose; Poetry; Cultures, Traditions, Influences; and Afterlives. The first section reappraises Shelley's life and relationships, including those with his publishers through whom he sought to reach an audience for the 'Ashes and sparks' of his thought, and with women, creative collaborators as well as muse-figures; the second section gives his under-investigated prose works detailed attention, bringing multiple perspectives to bear on his shifting and complex conceptual positions, and demonstrating out the range

of his achievement in prose works from novels to political and poetic treatises; the third section explores Shelley's creativity and gift as a poet, emphasizing his capacity to excel in many different poetic genres; the fourth section looks at Shelley's response to past and present literary cultures, both English and international, and at his immersion in science, music, theatre, the visual arts, and tourism and travel; the fifth section concludes the volume by analysing Shelley's literary and cultural afterlife, from his influence on Victorians and Moderns, to his status as the exemplary poet for Deconstruction. The Oxford Handbook of Percy Bysshe Shelley brings out the relevance to Shelley's own work of his dictum that 'All

---

high poetry is infinite' and continues to generate original critical responses. Wordsworth's Poetry and Prose Pomona Press

A comprehensive edition of one of America's greatest poets, this collection draws from her four published volumes, together with 50 uncollected works and translations of Octavio Paz, Max Jacob and others.

Percy Bysshe Shelley DigiCat

Percy Bysshe Shelley (1792-1822) was perhaps the most intellectually adventurous of the great Romantic poets. A classicist, a headlong visionary, a social radical, and a poet of serene artistry with a lyric touch second to none, Shelley personified the richly various—and contradictory—energies

of his time. This compact yet comprehensive collection showcases all the extraordinary facets of Shelley's art. From his most famous lyrical poems ( " Ozymandias, " " The Cloud " ) to his political and philosophical works ( " The Mask of Anarchy, " " Hymn to Intellectual Beauty " ) to excerpts from his remarkable dramatic and narrative verses ( " Alastor, " " Prometheus Unbound " ), Shelley's words gave voice to English romanticism's deepest aspirations. ## Incorporated

This study offers a new definition of Shelley's place in English radical culture. Treating the poet's literary career as an active intervention in the social world, Professor Scrivener shows how Shelley designed each text to provoke different audiences in a Utopian direction, despite the political repression and other cultural limitations of which he was acutely aware. Originally published in 1982. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable

paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. Shelley's Prose; Or, The Trumpet of a Prophecy National Geographic Books A major new edition, freshly edited in many cases from manuscripts, of Shelley's poetry and prose. It contains the longer poems from *Queen Mab* to *The Triumph of Life*, including generous selections from *Laon and Cythna*, a wide range of his shorter poems, and much of his major prose, including *A Defence of Poetry*. Complete Poems Penguin UK Percy Bysshe Shelley quickly rose to the high ranks of the Romantic Movement with his pure and moving lyric

---

verse. Born in Sussex, England, he became a visionary and highly influential Romantic in search of truth and beauty. Shelley maintained a close circle of literary friends, including Lord Byron, Mary Shelley, and Leigh Hunt. A master of versification, imagery, tone, and symbolism, Shelley's poems propelled an entire era of English literature into the next century. This volume collects a diverse range of his work, representative of his great range and depth as a poet. Here we encounter "Ozymandias", "Prometheus Unbound", "Adonais", "To a Skylark", "Hellas", "Ode to the West Wind", and many more. Along with Lord Byron, Keats, Wordsworth, and Coleridge, Shelley would help propel Romanticism to its peak,

paving the way for Victorian poetry and eventually 20th century modernism.

Shelley's influence is undeniable and far-reaching. His lines, subtle and complex, fleeting and permanent, name and grasp beauty in an attempt at transcendence through the sublimeness of the natural world. Also included in this volume is a selection of Shelley's more notable prose works. This edition is printed on premium acid-free paper. Shelley Farrar, Straus and Giroux

The aim of this book is to present Shelley as a man trying to find coherence and hope in a period of vast change and uncertainty, and place him in his intellectual and political context. The diversity of his work, including his prose, is considered. Selected Poetry and Prose W. W. Norton

*A Critical Study of the Poetry and Prose of Percy Bysshe Shelley Illustrating the Limiting Effect of His Ideas on His Imagination*

Shelley took his place within the vatic history of mythopoetic bards and bore the Visionary legacy. He offered a simple “ spark ” of poetry to his audience while promising a raging fire would burn if the poetry was nurtured correctly. However, Shelley realized that most people cannot accept the poet's offering (for various reasons; ignoring, rejecting or misunderstanding) and they let that spark smolder into nothing. Shelley shouts into his written words, leaving his hard-earned knowledge of the human condition and his visionary plight for willing human ears. Shelley paints himself as the Visionary,

sound and steady within a wisdom that understands the suffering beauty of the human condition, who sits as a "tranquil star" to burn as heavenly light. Shelley's hope is to guide humanity through the dark night of doubt and fear towards the possibility laying dormant within being human. This volume contains the fourth volume of Shelley's complete works of both poetry and prose, with an introduction by J. M. Beach. This book contains Volume 4, Shelley's collected translations. You can find Shelley's collected Volumes 1-3 published separately.
