Poetry in the Making (Book) on OnBuy This second two CD set draws on the broadcasts Ted Hughes made for schools, particularly the highly praised "Listening and Writing" series, later published as "Poetry in the Making", in which Hughes aimed to encourage an interest in imaginative writing in 10-14 year olds. Hughes explains the origins and development of some of his most famous animal poems, such as "The Thought-Fox and Pike", and suggests techniques of concentration for translating thoughts into poems. Poetry in the Making: An Anthology by Ted Hughes Poetry in the Making investigates the compositional practices of Victorian poets, as made evident in the autograph manuscripts of their poems. Written in an accessible and stimulating style, the book offers careful readings of individual drafts, paying attention to the revisions, cancellations, interlineations, trials of rhyme and form, and sometimes the large structural changes that these documents reveal. The poetry they made was not from settled conclusions but from the adventure on which they were all embarked, seeing what they wrote as a way of stripping away all the dead matter, exfoliating consciousness, penetrating its depths. Poetry for them was not an ornament for civilisation but a challenge to it, a means of remaking the world. Poetry in the Making — The Ted Hughes Society Possibly the best book I've yet to read and use on writing poetry. Also gives a glimpse into the inherent, original, poetic nature of Mr Hughes's mind. Esp appreciate that this is aimed at youth, ages 10 -14, with notes for teachers. Excellent resource, whether you are a teach or hoping to write poetry yourself. Poetry in the Making (London: Faber and Faber, 1967) Andy Armitage writes about Hughes's 'anthology' of creative writing. Poetry in the Making (1967) began as a series of ‘ talks ’ that Hughes wrote, and read, for the BBC Schools Broadcasting radio series Listening and Writing [1]. He expanded upon these talks and supplemented them with ‘ teacher notes ’ and ‘ exercises ’ so that the printed book could be used as a classroom resource; as a teacher ’ s handbook and an anthology of poems.

Drawn from Ted Hughes's celebrated programs for the BBC's "Listening and Writing" series, Poetry in the Making is a fresh, student-friendly discussion of what Hughes calls "imaginative writing." Offering generous citations from the work of several English-speaking, mostly modern or contemporary poets--including Hopkins, Dickinson, Eliot, Larkin, Plath, and himself--Hughes provides a useful and readable primer on "the kind of [poetry] writing children can do without becoming false to themselves." Poetry in the Making - Daniel Tyler - Oxford University Press Poetry in the Making is a great book, suitable for people who have realized that poetry making is an activism, good for expressing problems in words, to allow the problems to be begun to be understood by the mind of the occupant of the body whose mind is attached, and any other readers.
