Please note: This is a

companion version & not the original book. Sample Book Insights: #1 I had played Hercule Poirot for more than a hundred hours of television over twenty-five years. I had brought him to life for millions of people around the world, and helped them to care about him as much as I did. I was relieved that I had done him justice. #2 I was 40 when I was cast as Poirot, the little man who was so much a part of the rest of my life. I had been bitten by the acting bug when I was a member of the National Youth Theatre at 18, and I wanted to pursue acting. But my father was horrified by the idea of me becoming an actor. #3 I was so terrified that I was never going to work as an actor again that when Moss Bros offered me an apprenticeship as a junior manager, I was all set to accept it. But fate intervened. On the morning I was going to say yes, I got a call offering me a part in a television show called The Protectors, starring Robert Vaughn and Nyree Dawn Porter. #4 I was asked to play Poirot, and I was shocked and excited at the

same time. I had never seen the character on the screen, and he was very different from the person I'd seen on the screen.

The landscape is flawless, the trees majestic, the flora and the fauna are right and proper. All is picturesquely typical of rural England at its best. Sir

Giles, an MP of few principles and curious tastes, plots to destroy all this by building a motorway smack through it, to line his own pocket and at the same time to dispose of his wife, the capacious Lady Maude. But Lady Maude enlists a surprising ally in her enigmatic gardener Blott, a naturalised Englishman in whom adopted patriotism burns bright. Lady Maude's dynamism and Blott's concealed talents enable them to meet pressure with mimicry, loaded tribunals with publicity and chilli powder, and requisition orders with wickedly spiked beer. This explosively comic novel will gladden the heart of everyone who has ever confronted a bureaucrat, and spells out in riotous detail how the forces of virtue play an exceedingly dirty game when the issue is close to home.
