“ An eye-opening and haunting journey into the opioid epidemic ravaging West Virginia—the constantly-chased highs . . . the devastating overdoses. ” —Bustle Selected for the National Poetry Series by Ada Lim ó n, I Know Your Kind is a haunting, blistering debut collection about the American opioid epidemic and poverty in rural Appalachia. In West Virginia, fatal overdoses on opioids have spiked to three times the national average. In these poems, William Brewer demonstrates an immersive, devastating empathy for both the lost and the bereaved, the enabled and the enabler, the addict who knocks late at night and the brother who closes the door. Underneath and among this multiplicity of voices runs the Appalachian landscape—a location, like the experience of drug addiction itself, of stark contrasts: beauty and ruin, nature and industry, love and despair. Uncanny, heartbreaking, and often surreal, I Know Your Kind is an unforgettable elegy for the people and places that have been lost to opioids. “ His vivid poems tell the story of the opioid epidemic from different voices and depict the sense of bewilderment people find themselves in as addiction creeps into their lives. ” —PBS NewsHour “ There ’ s these incredibly dreamy, mythic images . . . of people stumbling, of people hoping, of people losing each other. . . Brewer sums up this new world. ” —New York Magazine “ May be one of this year ’ s most important books of verse since its brutal music confronts the taboos of addiction while simultaneously offering hope for overcoming them. ” —Plume
