## Deutschland GmbH

This book provides an authoritative and comprehensive review of all aspects of the law that relate to liability insurance contracts. Taking an international comparative perspective, *The Law of Liability Insurance* covers all the major types of liability insurance, not just professional indemnity insurance, presenting the issues according to the general principles of contract law. The book begins by concentrating on the

fundamentals of the liability insurance contract before moving on to cover conditions, defence, exclusions, and finally claims against and non-payment by the insurer. This book will be an invaluable reference tool for practitioners and professionals working in the commercial liability insurance industry, including those who operate globally, as well as being a source for academics and post-graduate students.

The primary purpose  
of the Manual of  
Classification of  
Motor Vehicle  
Traffic Accidents  
is to promote  
uniformity and  
comparability of  
motor vehicle  
traffic accident  
statistics now  
being developed in  
Federal, state and  
local  
jurisdictions. This  
manual is divided  
into two sections,  
one containing

---

definitions and one containing classification instructions.

**Selected Papers of General William E.**

**Depuy** Gardners Books  
"This practical and helpful volume details how clinicians can work through various and common challenges inherent to psychotherapy, whether within the context of individual, marital, or group settings.

Chapters draw upon wisdom gleaned from the author's 48 years as a practicing psychiatrist to address topics such as using countertransference for therapeutic purposes; resistance, especially when it needs to be the focus of the therapy; and a prioritization of exploration over explanation and favor working in the here-and-now. Along with theory and clinical

observations, Dr. Gans offers a series of "Clinical Pearls," pithy comments that highlight different interventions to a wide range of clinical challenges. These include patient hostility, the abrupt termination of therapy, treating a couple that's lost compassionate neutrality, and more. In addition to offering advice and strategies for therapists, the book

---

also addresses  
foundational concerns  
like the matter of  
fees in private  
practice and the  
virtue of moral  
courage on the part  
of the therapist.  
Written with clarity,  
heart, and an  
abundance of clinical  
wisdom, Challenging  
Moments in  
Psychotherapy is  
essential reading for  
all clinicians,  
teachers, and  
supervisors of  
psychotherapy"--

**Accounting** CSIRO  
PUBLISHING  
This, the 30th  
edition of the  
"United States  
Government Printing  
Office Style  
Manual," is the  
first revision to  
this authoritative  
style manual since  
2002. The "GPO  
Style Manual, as it  
is popularly known,  
is issued under the  
authority of  
section 1105 of  
Title 44 U.S.C.,

---

|  |   |   |
|--|---|---|
| which requires the Public Printer, as head of the GPO to "dtermine the form and style in which the printing...ordered by a department is executed...having proper reagrd to economy, workmanship, and the purposes for which the work is needed." The Manual is prepared by the GPO Style Board, composed of | proofreading, printing, and Government documents specialists from within GPO, where all congressional publications, and many other key Federal Government documents are prepared. The first "GPO Style Manual" appeared in 1894. It was developed originally as a printer's stylebook to standardize word | and type treatment and remains so today. Through successived editions, however, the "GPO Style Manual" has come to be widely recognized by writers and editors both within and outside the Federal Government as one of the most useful resources in the editorial arsenal. This new, revised version of the "GPO |
|--|---|---|

---

Style Manual" has been thoroughly redesigned to make it more modern and easier to read, and the content has been updated generally throughout in keeping with current usage.
