**NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY RT BOOK REVIEWS**

In this superbly accomplished Charlotte and Thomas Pitt adventure, Anne Perry takes us beneath the glittering surface of wealthy Victorian society into a nightmare world of fear and intimidation, where women are too often blamed for the violent attacks against them, and powerful men take what they want, leaving others to pay the price. The horrifying rape and apparent suicide of Catherine Quixwood, wife of a wealthy merchant banker, falls outside the jurisdiction of new Special Branch head Thomas Pitt, but so pervasively offensive are the rumors about the victim that Pitt quietly takes a hand in the investigation. Yet even with the help of his ingenious wife, Charlotte, and his former superior, Victor Narraway, Pitt is stumped. Why did high-minded, cultured Catherine choose not to accompany her husband to a grand party on the night of her demise? Why did she dismiss all her servants for the evening and leave the front door unlocked? What had been her relationship with the young man seen frequently by her side at concerts and art exhibits? And what can be done to avenge another terrible crime: the assault on Angeles Castelbranco, beloved teenage daughter of the Portuguese ambassador? As an ordinary policeman, Pitt used to enter London's grand houses through the kitchen door. Now, as a guest in those same houses, can he find the steel in his soul to challenge the great men of the world with their crimes? The path to the truth takes him in deeply troubling directions, from the lofty world of international politics and finance to his own happy home, where

his own teenage daughter, Jemima, is coming of age in a culture rife with hidden dangers. In this rich, emotionally charged masterpiece, Anne Perry exposes yet another ugly secret of Victoria's proud empire. And in a courtroom battle of unparalleled brilliance, we thrill at the chance to witness a massive wrong righted.

Includes a preview of Anne Perry's next Charlotte and Thomas Pitt novel, *Death on Blackheath* Praise for *Midnight at Marble Arch* "Sweeping and scandalous . . . Perry has perfected a delicate touch." —The New York Times Book Review

"Fresh and vibrant . . . Perry captures Victorian England with flair, and her storyline is fascinating." —Wichita Falls Times Record News

"Perry is a master at illuminating the wrongs of the Victorian age." —Booklist (starred review)

"Bestselling author Perry continues her Charlotte and Thomas Pitt series with another splendid success. She is so familiar with life at this time that history, attitudes and culture are slipped in seamlessly so the reader sees the world as Victorians did. Not only are Inspector Pitt and his wife fully realized, their circle of friends and acquaintances also feel real and alive. This is a series to read from the beginning." —RT Book Reviews (Top Pick)

"May be [Perry's] most intense and thrilling novel to date . . . *Midnight at Marble Arch* is stunning and insightful from start to finish." —Bookreporter

"This book is packed with intrigue." —The Huffington Post

"The monsters Anne Perry creates are not easy to live with, and their actions linger long after the book is closed." —New York Journal of Books

"Engrossing . . . intriguing . . . Perry does a nice job exploring late Victorian attitudes toward sex crimes." —Publishers Weekly

*Polaris* Haynes Manuals N. America, Incorporated  
The soft crash of waves that blissfully block out all other noise, the smell of two-stroke and lawn clippings, the first sip of cold beer, the laboured whir of the ceiling fan, the sound of a bag of ice hitting the pavement, that feeling of salt on skin and even the smell of prawns on bin night. Comedian Tim Ross uses the Australian Summer as a back drop for a new collection of nostalgic short stories.

*Honda TRX350 Rancher 00-06* Military Bookshop

This book covers British car electrical systems

from 1950 to 1980. Particular emphasis is placed on

the Lucas, Smith and SU components that were

ubiquitous in British cars of the period. Each

major system is given its own chapter, providing

theory, component parts and full system operating

explanations. Modifications are suggested for those

wishing to bring performance and reliability up to

more modern standards. Fault-finding charts, cross

referenced to the appropriate pages in the book, are provided throughout.

The report examines the cultural characteristics, primary institutional goals, and competitive strategies exhibited by the Army, Navy, Air Force, Marine Corps, and U.S. Special Operations Command.

**Logging & Sawmilling Journal** Independently Published  
Examine strategic management with the market-leading book that has set the standard for providing an intellectually rich, yet thoroughly practical, analysis of strategic management today. Written by highly respected experts and scholars Hitt, Ireland, and Hoskisson, STRATEGIC MANAGEMENT: COMPETITIVENESS AND GLOBALIZATION, CONCEPTS AND CASE, 9E is the only book that integrates the classic industrial organization model with a resource-based view of the firm to give readers a complete understanding of how businesses use strategic management to establish a sustained competitive advantage. The authors present cutting-edge research and strategic management trends

examples from more than 600 companies. A selection of 30 compelling cases prepares you to face the broad range of critical issues confronting contemporary managers. You can also easily build your own case selections from other premier providers, such as Harvard, Ivey, and Darden.  
*Mergent International Manual* Simon and Schuster  
The field manual provides a standardized source document for Army-wide reference on map reading and land navigation. It applies to every soldier in the army regardless of service branch, MOS, or rank. This manual also contains both doctrine and training guidance on map reading and land navigation. Part One addresses map reading and Part Two, land navigation. The appendices include an introduction to orienteering and a discussion of several devices that can assist the soldier in land navigation. For soldiers, hunters, climbers, and hikers alike, this is the definitive guide to map reading and navigation.

*Ford Ranger Pick-ups* Haynes Publications  
Authors such as Hunter Thompson, Robert Pirsig, and Mark Singer have written about the motorcycle, that icon for outlaws, rebels, thieves, and beat poets. This collection of motorcycle tales features the best of the vast collection of motorcycle writing created since old Gottlieb Daimler first bolted a crude internal-combustion engine to his wooden two-wheeled Einspur in
