Polaris SL 750 for sale | eBay

Some 650 and 750 Fuji engine models have a small metal flow restrictor (Polaris part number 5020773) inserted inside the return fuel line, about one inch from the last carburetor. It looks like a brass plug in the return fuel line, and it has a tiny hole driller through the center. The restrictor is used to boost fuel pressure inside the carburetors, and is in addition to the internal flow ...
