The soft crash of waves that blissfully block out all other noise, the smell of two-stroke and lawn clippings, the first sip of cold beer, the laboured whir of the ceiling fan, the sound of a bag of ice hitting the pavement, that feeling of salt on skin and even the smell of prawns on bin night. Comedian Tim Ross uses the Australian Summer as a back drop for a new collection of nostalgic short stories.

The action plan for building your entrepreneurial empire—one day at a time While every entrepreneur knows that the key to success is business growth, few ever see it happen. Why? Because they know how to plant seeds, but they don't understand that the real work lies in helping that seed grow—which takes knowledge, persistence, and patience. The *Entrepreneurs Book of Actions* helps you develop the mindset of a true entrepreneur and provides manageable steps for making your business vision a reality. Informative, inspiring, and based on real-life, hard-earned lessons, it provides common-sense, daily exercises you can jump into on day one. Learn how to drive sustainable business growth by:

- \* Breaking bad habits—and developing good ones
- \* Managing your time and money more effectively
- \* Hiring the right people for the right job
- \* Minimizing the effort required to perform basic tasks
- \* Motivating your staff to be mission-focused
- \* Creating “free” time to feed your innovative side

You'll begin to see your business in a completely new way—with a sense of clarity and purpose. You'll begin identifying the issues that really affect your business—not the ones that feed your anxiety. You'll become the kind of leader other entrepreneurs look up to—calm, optimistic, driven. The *Entrepreneurs Book of Actions* will provide the direction you need to make the best use of your time, your energy, and your creativity. It's not isn't a quick-fix. It's work. But it's manageable, it's proven effective—and it will pay off big.

The treatment of American Indians is discussed historically with reference to the 4 principal methods used to create or perpetuate false impressions: obliteration, defamation, disembodiment, and disparagement. Indian contributions to American civilization are cited in contrast with historical references to Indians in textbooks. The author suggests specific reading materials for various age levels which reflect accurately the cultural contributions of the Indian. A bibliography on the American Indian influence on American

civilization is appended. (Jh).

The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.
