[Polio - David M. Oshinsky - Oxford University Press](#)

"As we live through modern-day epidemics like AIDS and SARS, David Oshinsky's compelling *Polio*

reminds us that the struggle is over more than a disease. In this riveting story of America's battle with polio, we learn that government, philanthropy, media, 'big science,' and public fear were all powerful factors to be reckoned with as well.

Book Review: *Polio: an American story*

Polio, An American Story isn ' t just a book about infantile paralysis in the 1950 ' s, it ' s a book rich with American history and while I generally am loathsome of such detail and find it distracting to the main point, I couldn ' t get enough of it in this book and found the authors extraordinary detail only

enlightening.

How the U.S. battled polio | Bill Gates

" Polio: An American Story is a comprehensive and succinct detailing of a disease that caused public panic and a national mobilization of all arenas to research and find a solution to this menace...[This book] serves as a blueprint for confronting future public health challenges and a reminder of the success that can be achieved when all efforts are mobilized to work toward a solution from a problem affecting a nation's population."--

Polio: An American Story - Wikipedia

Polio: An American Story by David Oshinsky was

really, really interesting. I had no idea that polio was such an intense subject and that everyone was so terrified of getting it. To tell the truth I wasn't even positive what it was.

[9780195307146: Polio: An American Story - AbeBooks ...](#)

Polio: An American Story is a book by David M. Oshinsky, professor of history at the University of Texas at Austin, which documents the polio epidemic in the United States during the 1940s and 1950s and the

race to find a cure, which was eventually developed in the 1950s by medical researcher Jonas Salk.

Polio An American Story David

Polio: An American Story by David M. Oshinsky
The book is called Polio: An American Story, but it's the subtitle that's truly accurate. Wholesome and appropriately respectful of all institutions examined, from politicians to philanthropic institutes to scientists, David Oshinsky's historical study seems as light on juicy details as the 1950s themselves, which are most often described as relentlessly and optimistically bland.

Polio : An American Story by David M. Oshinsky (2005 ...

Now David Oshinsky tells the gripping story of the polio terror and of the intense effort to find a cure, from the March of Dimes to the discovery of the Salk and Sabin vaccines--and beyond. Here is a remarkable portrait of America in the early 1950s,

using the widespread panic over polio to shed light on our national obsessions and fears.

[Polio: An American Story] | C-SPAN.org

In his introduction, the author summarizes the history of polio's first appearance as an epidemic in the United States, the ensuing research, subsequent applications of new information, attempts at abatement and ultimate success in the

development of preventative measures.

Polio: An American Story

How such a drastic change in attitude occurred in only one generation is explained in David M Oshinsky's *Polio: an American story*. While the book is advertised as covering the entire twentieth century, Oshinsky focuses primarily on the middle decades, when the race to find a vaccine was fierce.

Amazon.com: Polio: An American Story eBook: David M ...

David Oshinsky talked about his Pulitzer Prize -winning book *Polio: An American Story*, published by Oxford University Press.

Polio: An American Story book by David M. Oshinsky

David Oshinsky's 2005 *Polio: An American Story*, is a history of the fight to eradicate polio in the 20th century. Polio became one of the most, if not THE most, feared diseases of the century due to the influence and example of President Franklin Roosevelt, who was stricken with the disease as an adult in 1921.
