Polio: An American Story: Oshinsky, David M ...

In 1916, a polio outbreak in New York City quickly spread to adjacent states. Despite intensive sanitation measures of the kind that had helped control other epidemic diseases such as cholera and typhoid fever, 27,000 people died that summer. In New York City, 80 percent of those who died were under five.

Shelves: pulitzer-2020, history, non-fiction, read-in-2020. It is easy to appreciate that David Oshinsky's *Polio: An American Story* won the Pulitzer in 2006. It is a piece of narrative history that pulled me into the story from the beginning. Oshinsky details the history of polio and the race to create a vaccine.

Polio: An American Story book by David M. Oshinsky

The 2006 Pulitzer Prize Winner for Best History Book *Polio: An American Story* is so much more. Author David M. Oshinsky looks at the public health menace of polio but also notes it was the first disease to benefit from a good P.R. machine. While it was a menace more people died of other diseases in the same time frame.

Polio: An American Story by David M. Oshinsky - Books on ...

***Polio: An American Story* by David M. Oshinsky**

Polio: An American Story is a book by David M. Oshinsky, professor of history at the University of Texas at Austin, which documents the polio

epidemic in the United States during the 1940s and 1950s and the race to find a cure, which was eventually developed in the 1950s by medical researcher Jonas Salk . It was published in 2005 by the Oxford University Press and won the 2006 Pulitzer Prize for History and the 2005 Herbert Hoover Book Award .
