At 99p your progress will be stopped until you visit the Extract Vitality Master in your home city. He will teach you what you need to know to expand your skill, attain 100p and increase your maximum to 199p.

The Archdaeva Ascension was the process a Daeva would undergo at level 65 in order to become an Archdaeva throughout the 5.x update. It was the second Ascension the player would undergo in the game. Once completed, the player would automatically turn level 66, regardless of their experience at level 65, and gain access to the relevant content. In the 6.0 update the Archdaeva system was removed ...
