Here is the first book to specifically and comprehensively address the rapid changes and advances in technology in the planning, management, and marketing of meetings and events. The multigenerational trio of authors, including Joe Goldblatt and two of his former students, Seungwon "Shawn" Lee and Dessislava Boshnakova, cover the most important aspects of using technology for today's meetings and events, such as How to harness the power of social media How to use crowdsourcing effectively How to choose appropriate room layout design software

How to manage and use guest-generated content How to measure and evaluate your success How to choose meeting registration software How to promote your meeting with blogs, websites, podcasts, and more How to hold virtual meetings and events How to use search engine optimization to advantage The area of meeting and event technology is a fast-growing component of the meetings, incentives, conventions and exhibition (MICE) industry. With a foreword by Corbin Ball, an internationally renowned speaker, consultant and writer in the meetings and events technology field, *The 21st Century Meeting and Event Technologies* will be an essential resource for hospitality students and business professionals. Plunkett's Companion to the
Almanac of American Employers
is the perfect complement to the
highly-regarded main volume of
The Almanac of American
Employers. This mid-size firms
companion book covers
employers of all types from 100 to
2,500 employees in size (while the
main volume covers companies of
2,500 or more employees). No
other source provides this book's
easy-to-understand comparisons
of growth, corporate culture,
salaries, benefits, pension plans
and profit sharing at mid-size
corporations. The book contains
profiles of highly successful
companies that are of vital
importance to job-seekers of all
types. It also enables readers to
readily compare the growth
potential and benefit plans of large

employers. You'll see the financial
record of each firm, along with the
impact of earnings, sales and
growth plans on each company's
potential to provide a lucrative and
lasting employment opportunity.
Nearly five hundred of the most
successful mid-size corporate
employers in America are analyzed
in this book. Tens of thousands of
pieces of information, gathered
from a wide variety of sources,
have been researched for each
corporation and are presented here
in a unique form that can be easily
understood by job seekers of all
types. Purchasers of either the
book or PDF version can receive a
free copy of the company profiles
database on CD-ROM, enabling
export of company names, human
resources contacts, and addresses
for mail merge and other uses.

Plunkett's Telecommunications
Industry Almanac 2008 is the only
complete reference guide to the
telecommunications technologies
and companies that are changing
the way the world communicates
today. This massive reference
book's market research section
provides complete access to the

U.S. telecommunications and communications industry. This section includes over a dozen major statistical tables covering everything from revenues for the fixed line and wireless service sectors, to the number of telephone subscribers worldwide, to telephone equipment import and export market numbers. Finally, in this carefully-researched volume, you will receive an abundance of data on: national and global telecommunications statistics, new telecommunications technology, telecommunications market forecasts, telecommunications trends and leading telecommunications companies. In the corporate profiles section, you'll receive vital details on the "Telecommunications 500 Firms," the largest, most successful corporations in all facets of the telecommunications business. These in-depth profiles include corporate name, address, phone, fax, web site, growth plans, competitive advantage, financial histories and up to 27 executive contacts by title. You will also find information regarding local exchange and long distance telephone service markets and trends, wireless and cellular telephone markets and trends, satellite telecommunications, Wi-Fi, telephone industry equipment, software and support. Telecommunications is one of the fastest-growing and most dynamic industries in the world today, and Plunkett's Telecommunications Industry Almanac will be your guide to this rapidly-changing business. Purchasers of the printed book or PDF version may receive a free CD-ROM database of the corporate profiles, enabling export of vital corporate data for mail merge and other uses. In Plunkett's Telecommunications Industry Almanac 2008: Telecommunications Industry Market Research, Statistics, Trends & Leading Companies Mergent's Handbook of NASDAQ Stocks? offers you quick and easy access to key financial statistics on companies listed on the NASDAQ Stock Exchange. This handbook, updated quarterly, presents market data, performance

ratios, stock prices, and dividend information of recent quarterly results as well as future prospects in succinct one-page profiles. Filled with the latest available facts and figures, Mergent's Handbook of NASDAQ Stocks helps you make the most informed investment decisions. Each full-page company profile includes: Business Summary - highlights products, markets, and business line; Summary of recent developments, including latest quarterly earnings reports; Stock performance chart; Ten years of income statement and balance sheet data, if available; Key performance ratios; Officers, address, phone and fax numbers, Web sites, transfer agents, auditor, investor contact and legal counsel; and more. Plus, features that includes: Company stock selling below book value; Price score leaders; Rankings by selected investment criteria; Stocks with high and low price earnings multiples; Low-price stocks A Century of

Providing Trusted Information

For over a century, Mergent has been the preferred source for global business and financial information by providing comprehensive data to savvy investors, both novice and professional. Mergent's business research tools offer a convenient way to quickly identify potential investment opportunities with the most reliable and complete business and financial information available.

The Advertising Red Books:

Business classifications
Advertising expenditure data across ten media: consumer magazines, Sunday magazines, newspapers, outdoor, network television, spot television, syndicated television, cable television, network radio, and national spot radio. Lists brands alphabetically and shows total ten media expenditures, media used, parent company and PIB classification for each brand. Also included in this report are industry class totals and

rankings of the top 100 companies of the ten media. Advertising, Promotion, and Supplemental Aspects of Integrated Marketing Communications

The First Guide to Scrum-Based Agile Product Management In Agile Product Management with Scrum, leading Scrum consultant Roman Pichler uses real-world examples to demonstrate how product owners can create successful products with Scrum. He describes a broad range of agile product management practices, including making agile product discovery work, taking advantage of emergent requirements, creating the minimal marketable product, leveraging early customer feedback, and working closely with the development team. Benefitting from Pichler ' s extensive experience, you ' ll learn how Scrum product ownership differs from traditional product

management and how to avoid and overcome the common challenges that Scrum product owners face. Coverage includes Understanding the product owner ' s role: what product owners do, how they do it, and the surprising implications Envisioning the product: creating a compelling product vision to galvanize and guide the team and stakeholders Grooming the product backlog: managing the product backlog effectively even for the most complex products Planning the release: bringing clarity to scheduling, budgeting, and functionality decisions Collaborating in sprint meetings: understanding the product owner ' s role in sprint meetings, including the dos and don ' ts Transitioning into product ownership: succeeding as a product owner and establishing the role in the enterprise This book is an indispensable resource for anyone who works as a product

owner, or expects to do so, as well as executives and coaches interested in establishing agile product management.
