Educational Platform
for Diploma Students
In the first year all
engineering students
study the basic
principles of
Mechanical, Electrical,
and Electronics
Engineering as well as
Mathematics and
English courses with
an engineering focus.
In the second year,
students select their
specific major and
follow the relating

courses according to
the stream.

Mechanical

engineering is one of

the oldest and

broadest of the

engineering

branches. Moreover,

the department

Mechanical

Engineering deals

with the design,

construction, and

use of machines.

That is the reason for the field to get admired by most of the students.
