Haynes disassembles every subject vehicle and documents every step with thorough instructions and clear photos.

Haynes repair manuals are used by the pros, but written for the do-it-yourselfer. *OBD-II & Electronic Engine Management Systems* Detroit Iron With 18 years of research on the Pontiac Grand Prix, Don Keefe takes the reader on a voyage that covers nearly a half century, from the earliest design sketches of the late 1950s, bringing the concept to market, all production figures to date, to the exciting Grand Prix of today. Not simply a rosy depiction of the Grand Prix's history, the author also

deals frankly with the darkest days of the 1970s and 1980s, leading to its rebirth as an exciting front-drive sport coupe. Also covered are experimental, showcar, and specialty versions of the Grand Prix.
