### **Pontiac Vibe Check Engine Light On Due to Gas Cap Issue**

I've had problems recently with my '03 vibe running real rough. It's been -15C to -20C all week and -30C here this morning. The engine light came on yesterday, and today its started blinking after warming up a lot going up a hill... and it seems to be warming up way too quickly so I touched the radiator and it was

cold, but hoses were warm leading to the motor.
