In this cozy series debut from Laura Gail Black, Jenna Quinn finds her uncle murdered in his antique bookstore, and Jenna--his primary beneficiary--becomes the prime suspect. Trouble follows Jenna Quinn wherever she goes. Fleeing some unsavory doings in her hometown of Charlotte, Jenna accepts her uncle's gracious invitation to stay with him in small-town Hokes Folly, NC. In exchange, she'll help him out in his antiquarian bookstore. But soon after she arrives, Jenna finds her uncle's body crumpled at the base of the staircase between his apartment and the bookstore. Before the tragedy even sinks in, Jenna learns that she's inherited almost everything her uncle owned: the store and apartment, as well as his not-so-meager savings and the payout from a life insurance policy...which adds up to more than

a million dollars. This is all news to Jenna--bad news, once the police get wind of her windfall. An ill wind, indeed, as a second murder cements Jenna's status as the prime suspect in both deaths. Jenna can hit the road again, taking her chances that she can elude trouble along the way. Or she can stick it out in Hokes Folly, take over the bookstore, and try to sleuth out her uncle's killer. On the one hand, she's made some wonderful new friends, and she feels she can thrive in the genial small-town environment. On the other hand, trouble knows her address--and so does the killer, who is determined to write the final page of Jenna's story.

U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings

along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. 1974: A tiny band of self-styled urban guerrillas, calling itself the Symbionese Liberation Army, abducts a newspaper heiress, who then abruptly announces that she has adopted the guerrilla name "Tania" and chosen to remain with her former captors. Has she been brainwashed? Coerced? Could she be sincere? Why would such a nice girl disavow her loving parents, her adoring fiancé, her comfortable home? Why would she suddenly adopt the SLA's cri de coeur, "Death to the Fascist Insect that Preys Upon the Life of the People"? Soon most of the SLA are dead, killed in a suicidal confrontation with police in Los

Angeles, forcing Tania and her two remaining comrades--the pompous and abusive General Teko and his duplicitous lieutenant, Yolanda--into hiding, where they will remain for the next sixteen months. Trance, Christopher Sorrentino's mesmerizing and brilliant second novel, traces this fugitive period, leading the reader on a breathtaking, hilarious, and heartbreaking underground tour across a beleaguered America, in the company of scam artists, visionaries, cultists, and a mismatched gang of middle-class people who typify the guiding conceit of their time, that of self-renovation. Along the way he tells the story of a nation divided against itself--parents and children, men and women, black and white; a story of hidebound tradition and radical change, of truth and propaganda, of cynicism and idealism; a story as transfixing and relevant today as it was then. Insightful, compassionate, scathingly funny, and moving, Trance is a virtuoso performance, placing Christopher Sorrentino in the first rank of

For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.
