San Felipe is a charming destination just 370 km from San Diego. Scenery abounds in the form of the Sierra de San Pedro Martir mountains, which include Baja's highest peak, Picacho del Diablo, just west of town. There are many kilometers of coastline and beaches to appeal to even the most selective of travelers. For years San Felipe has been a destination enjoyed by road trippers from north of the border, but it looks to have commercial air service in the near future. Travelers will find a variety of activity options available which include ATV rentals, desert tours, ultra-lite plane rides and

more. This book offers a comprehensive view of the hotels and restaurant options available along with highlights of the local activities and attractions.

You Decide Travel Guide: San Felipe, Baja Mexico Rough Guides

Pool is a popular game that is played all over the world by millions of people. However, there are many different varieties of the game, all with distinctly different rules and regulations. By far, the most popular forms of the game are the ones that originated in the USA, known as 'eight-ball' and 'nine-ball' pool. Both are played on a normal sized pool table with the regulation six

pockets and both have multiple championships around the world.

However, it is eight-ball that is the more common game - the one you'll most likely see being played at your local pool hall and the one that most people first think of when the word pool is mentioned. Eight-ball pool can be played as a singles or doubles game and is played with cues and 16 balls, 15 object balls, and one cue ball (the ball the players strike to try and hit the other balls). Pool can be a relatively high-speed game compared to its close relatives snooker and billiards but that makes it no less skilful with players requiring a high degree of skill, concentration, and tactical thinking to

play the game at a high level. Get your copy today by scrolling up and clicking Buy Now to get your copy today *Quick-Start Guide to Pocket Billiards* CRB Publishing
