The sad irony is, these companies
commission, print and distribute
these poorly written documents;
and then, they turn around to tech
writers and tell them “ nobody reads

negotiating a project.

I would say that you are not nuts,
but this probably isn't the world's
most poorly written news article.
The writer probably shouldn't have
or didn't graduate from a decent
journalism school, but this isn't bad
for, say, a high school paper.
