Nick Denchfield 's intricate paper engineering combines with Steve Cox 's exquisitely detailed illustrations to create a fantastic pirate adventure — where a book quite literally becomes a ship! It includes: · a pop-up pirate ship — no cutting or gluing required! · Treasure Ahoy! An adventure story · over 25 hidden objects to find · over 30 press-out play pieces (including self-assembly raft) · a find-the-treasure board game Young pirates will love to read the story of the dastardly Captain Scurvy and then use the press-out pieces to hunt for treasure and stage all manner of piratical deeds aboard the high seas.

Fantastic Mr. Fox

## ABC-CLIO

What does the expression pop culture mean today? And how does it contribute to understanding a Country and a cultural group? This collection of essays, diverse in content, approach and perspective, tries to answer these questions. It aims at describing and figuring out the texture of Italian pop culture — as a meaningful juxtaposition between high and low, mass and elite, artistic and consumerist — in relation to the Italian mediascape and cultural context. Through the mosaic of

narratives produced by television, music, comics and novels, to name a few, and the mixture of genres and types of cultural products analyzed in every essay, the reader is allowed to further the knowledge of Italian pop culture and to get a glimpse of Italians and ' Italian-ness ' .

## **The Dictionary of Rock & Pop Names**

Tate Publishing  
Beginning early in the 1980s, a dance music revolution swept across Europe and Britain, merging rock, new wave, disco and worldbeat sounds. The resulting explosion of high-energy, increasingly electronic dance-pop caused a sensation worldwide. In this

popular cultural studies, to offer context for her descriptions of the many different works. Some of her examples are well-known (Shakespeare's Romeo & Juliet, Disney's The Lion King) while others little known outside their place of origin (such as the Hakka Theatre of Taiwan) -- all are approached by the author with enthusiasm. ' —Susan Bennett, Professor of English, University of Calgary, Canada ' Tuan takes us through multiple examples of contemporary popular performance in

theatre/film/TV ranging from "high" art sources (Shakespeare or Journey to the West in films, Hirata's robotic theatre experiments) to "low" (Taiwanese TV soap operas Hakka Theatre: Roseki and Story of Yangxi Palace, Korean film Along with the Gods: The Two Worlds). The reader moves at a speed-dating pace through contemporary culture production and interpretive theories, encountering significant works, controversies (i. e., yellow face), and conundrums selected from China, Korea, Japan and the U.

S. and filtered through a Taiwanese female gaze. ' —Kathy Foley, Professor of Theatre Arts, University of California Santa Cruz, USA The Adventures of Tom Sawyer LB Kids BI hdorn (European studies and modern languages, U. of Bath) has stumbled upon a large gap between the ubiquity of German contemporary popular song lyrics and the disregard of the genre by German literary studies. She sets out to bridge it, expecting severe

What would happen if a boy living in the 21st Century found himself suddenly thrust into the Civil War? What would happen if a boy living in the 21st Century found himself suddenly thrust into the Civil War? That is what happens to Franky Franklyn as he wakes up to find himself a drummer boy in a union unit at the battle of Gettysburg. During the course of the story, Franky meets some interesting people each with a lesson about the

war and life to teach him. He is taken prisoner by a couple of mean confederate boys. Franky meets Danny Devine, a runaway slave, who shares a unique relationship with Jesus that is new to Franky. Franky even meets the great General Robert E. Lee who shows compassion to Franky and Danny. Join Franky in his fantastic adventure.

Children's Books

It is hard to discuss the current film industry without acknowledging the impact of comic book adaptations,

especially considering the blockbuster success of recent superhero movies. Yet transmedial adaptations are part of an evolution that can be traced to the turn of the last century, when comic strips such as "Little Nemo in Slumberland" and "Felix the Cat" were animated for the silver screen. Representing diverse academic fields, including technoculture, film studies, theater, feminist studies, popular culture, and queer studies, *Comics and Pop Culture* presents more than a dozen perspectives on this rich history and the effects of such adaptations. Examining current

debates and the questions raised by comics adaptations, including those around authorship, style, and textual fidelity, the contributors consider the topic from an array of approaches that take into account representations of sexuality, gender, and race as well as concepts of world-building and cultural appropriation in comics from Modesty Blaise to *Black Panther*. The result is a fascinating re-imagination of the texts that continue to push the boundaries of panel, frame, and popular culture. Pop Modernism Houghton Mifflin Harcourt

100 Entertainers Who Changed America: An Encyclopedia of Pop Culture Luminaries [2 volumes]

Scholastic Paperbacks

The classic mystery novella The Lamp of God is paired with eight short stories in this collection featuring “the prince of American detective fiction” (Kirkus Reviews). Is it possible for a man to lift himself off the ground by his shoelaces and fly away? Can a water buffalo transform itself into a little boy? What is science to make of a dead man climbing out of his coffin, escaping his tomb . . . and breaking into song? Such incidents seem impossible, but stranger things have happened at the home of old Sylvester Mayhew. When Ellery Queen, the world-famous amateur detective, is called to Mayhew’s ramshackle old mansion, he expects to be investigating an ordinary hoax. Instead, he finds murder. The novella The Lamp of God is vintage Ellery Queen—puzzling, atmospheric, and utterly delightful. Paired with eight short stories, including “Man Bites Dog” and “Long Shot,” it is simply irresistible.

The Pop-Up Book of Phobias

Lexington Books

This volume presents case studies in the shifting representations of yogic themes and figures in worldwide popular culture from the middle of the nineteenth century to contemporary times. The authors analyze everything from comic books and novels to television, movies, and theater as they portray yogis and their esoteric practices.

Dragons McFarland  
Analyzing complex social and political issues through their manifestations in popular culture, this book provides readers a strong foundational knowledge of the 1960s as a decade. 1969 went out in a way that could never have been imagined in 1960. While the president at the end of the decade had been vice president at the start, the intervening years permanently changed American culture. Pop Goes the Decade: The Sixties explores the cultural and social framework of the 1960s, addressing film, television, sports, technology, media/advertising, fashion, art, and

more. Entries are presented in encyclopedic fashion, organized into categories such as controversies in pop culture, game changers, technology, and the decade's legacy. A timeline highlights significant cultural moments, while an introduction and a conclusion place those moments within the contexts of preceding and subsequent decades. Attention to the decade's most prominent influencers allows readers to understand the movements with which these figures are associated, and discussion of controversies and social change enables readers to gain a stronger

---

understanding of evolving American social values. Provides readers with a detailed understanding of many aspects of the culture of the decade Explores people, events, and ideas whose impact is still felt after 50 years Covers personalities who helped to shape the decade Suggests areas of further exploration for students interested in popular culture

Penguin

When Dylan returns home with Teddy after a sleepover at Nana and Pop's his imagination is buzzing. His visits are so crowded with

amazing adventures that it all seems like a dream - or like something Pop must have invented. Even Teddy needs a little time to recover from the excitement. Pop does have a most extraordinary way of mixing up reality and make-believe, and no sleepover would be complete without one or two of his fantastic bedtime stories. Here we present some of Dylan and Pop's bedtime adventures, complete with

magic and marvels, buccaneers and buried treasure, parties and pony rides.
