This book provides a comprehensive list of all build specification codes used by Porsche AG for the Porsche 911

series from model years 1989 to 2005. VIN, model type, country, exterior paint color, interior color combinations, material codes, and standard, special and Porsche Exclusive options for the 964, 993 and 996 series are provided in detail. Option codes for other Porsche models built between 1978 and 2005 are also included if known to the author. This book will not only be of great value to current Porsche owners, but to potential Porsche purchasers as well. The buyer can use this handbook to confirm the accuracy of the seller ' s description by comparing the data in the book to what is advertised and what is actually installed, giving the buyer a much greater advantage. Information contained within the book will also help owners and buyers overcome problems caused by missing identification labels, and will free up time currently wasted trawling the internet for answers.

The Porsche 911 is a high-performance vehicle that has been manufactured by German manufacturer Porsche between the years 1993 to 1998, 2001 to 2005, 2007 to 2012 and now in 2018. The car is based on 911 Turbo and utilizes a twin turbo charged engine that has many upgrades. The upgrades include engine upgrades, larger brakes and a stiffer suspension. This version is lighter than the previous versions because it uses a rear wheel drive rather than all-wheel drive also with some reduction or completely removal of interior components. The book will review the 2018 Porsche 911 and all the amazing features that this car has to offer.
