Customer Portal Users Guide - ABB

The employer primary user is the only user to have full access to the portal. They’re responsible for assigning access by providing PINs to branches and secondary users. Note: The primary user can create secondary users or branches within the account, but other users can’t submit any offers until the primary user submits the first one.

Facebook Portal Devices – The Ultimate Guide

Anyone who uses your Portal TV, not just another owner, can view and call all contacts, manage favorites, see photos added to your Portal TV, and use third-party services connected to your Portal. Removing an account from your Portal TV will remove the contacts, photos and other data associated with that account, and will remove the account holder from certain connected third party apps.
