J.D. Robb IN DEATH COLLECTION  
books 21-25 Penguin

In a future where human nature remains as predictable as death, a killer plays God and puts innocent lives in the palm of his hand in this novel in the #1 New York Times bestselling In Death series. With the precision of a surgeon, a serial killer preys on the most vulnerable souls of the world ' s city streets. The first victim: a sidewalk sleeper, found dead in New York City. No bruises, no signs of struggle. Just a laser-perfect, fist-sized hole where his heart had once been. Lieutenant Eve Dallas is assigned to investigate. But in the heat of a cat-and-mouse game with the killer, Dallas ' s job is suddenly on the

line. Now her hands are tied...between a struggle for justice—and a fight for her career...

*Visions in Death* Penguin  
When a pair of young lovers, employees of a prestigious accounting firm, are brutally murdered, mid-twenty-first-century lieutenant Eve Dallas finds the case complicated by the suspicious disappearance of a pregnant woman. By the author of *Memory in Death*. 500,000 first printing.

Hillbilly Elegy Penguin

An exclusive J.D. Robb short story. Eve Dallas' latest case is starting off a little more bizarre than usual - a police sketch of a killer based on eye-witness testimony reveals he has green skin, swollen red eyes, goblin ears, and a dislocated jaw-structure that defies the human form. Is it a mask? Is it make-up? Or is

---

the explanation more sinister? Dallas faces off against multiple suspects - all of them students of medicine capable of precisely slicing the ears, noses, and eyes of the three victims. But who had the motive? More importantly, what kind of rogue science are these healers practicing? Set between New York to Dallas and *Celebrity in Death*.

Survivor In Death Penguin

Lieutenant Eve Dallas investigates a brutal crime that plunges her into the art world, where nothing is what it seems.

J. D. Robb In Death Collection Books 1-5 Penguin

Chaos in Death Portrait in Death

In this thriller in the #1 New York Times bestselling In Death series, it's game over for the criminals who cross Lieutenant Eve Dallas as she investigates the murder of a virtual reality wunderkind. Bart Minnock, founder of the computer gaming giant U-Play, is found in his locked private playroom, in a pool of blood, his head separated from his body. Despite his violent end, Eve can't find anyone—girlfriend and business partners included—who seemed to have a problem with the enthusiastic, high-spirited millionaire. Of course gaming, like any business, has its fierce rivalries and dirty tricks—as Eve's husband, Roarke, one of U-Play's competitors, knows well. But Minnock was not naïve, and he knew how to fight back in the real world as well as the

---

virtual one. Eve and her team are about to enter the next level of police work, in a world where fantasy is the ultimate seduction—and the price of defeat is death...

*A Memoir of a Family and Culture in Crisis*

**Fantasy in Death** Penguin

THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION PICTURE

DIRECTED BY RON HOWARD AND

STARRING AMY ADAMS, GLENN CLOSE,

AND GABRIEL BASSO "You will not read a more important book about America this

year."—The Economist "A riveting book."—The

Wall Street Journal "Essential reading."—David

Brooks, New York Times Hillbilly Elegy is a

passionate and personal analysis of a culture in crisis—that of white working-class Americans. The

disintegration of this group, a process that has been slowly occurring now for more than forty years,

has been reported with growing frequency and

---

alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his

chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

**Innocent In Death** Hachette UK

She was twenty-three and already in love. She was certain he'd be handsome. She would be dead before midnight. Bryna Bankhead carefully dressed for her date with the wonderful Dante, a man she's only ever spoken to online. By the end of the night, rose petals are scattered, poetry has been quoted - and Bryna has been murdered. What starts as a mistake, becomes a terrifying game, as two young men pursue their poisonous obsession with an illegal drug and an insatiable desire. As more girls are taken, homicide lieutenant Eve Dallas and her roguish husband Roarke must think fast and act even faster. And then Eve discovers the secret to their destructive past and a deadly trap is set . . .

---

## **Loyalty in Death** HarperCollins

Lieutenant Eve Dallas returns in *Dark in Death*, by J.D. Robb, the #1 New York Times bestselling master of suspense, and takes on a case of death imitating art... It was a stab in the dark. On a chilly February night, during a screening of *Psycho* in midtown, someone sunk an ice pick into the back of Chanel Rylan's neck, then disappeared quietly into the crowds of drunks and tourists in Times Square. To Chanel's best friend, who had just slipped out of the theater for a moment to take a call, it felt as unreal as the ancient black-and-white movie up on the screen. But Chanel's blood ran red, and her death was anything but fictional. Then, as Eve Dallas puzzles over a homicide that seems carefully planned and yet oddly personal, she receives a tip from an unexpected source: an author of police thrillers who

recognizes the crime—from the pages of her own book. Dallas doesn't think it's coincidence, since a recent strangulation of a sex worker resembles a scene from her writing as well. Cops look for patterns of behavior: similar weapons, similar MOs. But this killer seems to find inspiration in someone else's imagination, and if the theory holds, this may be only the second of a long-running series. The good news is that Eve and her billionaire husband Roarke have an excuse to curl up in front of the fireplace with their cat, Galahad, reading mystery stories for research. The bad news is that time is running out before the next victim plays an unwitting role in a murderer's deranged private drama—and only Eve can put a stop to a creative impulse gone horribly, destructively wrong. From the author of *Echoes in Death*, this is the latest of the edgy,

---

phenomenally popular police procedurals that Publishers Weekly calls “inventive, entertaining, and clever.”

*An Eve Dallas thriller (Book 39)* Penguin

Lieutenant Eve Dallas must take down a group of terrorists who use a computer virus to kill in this thriller in the #1 New York Times bestselling In Death series. Louie Cogburn had spent three days holed up in his apartment, staring at his computer screen. His pounding headache was unbearable—like spikes drilling into his brain. And it was getting worse. Finally, when someone knocked at his door, Louie picked up a baseball bat, opened the door, and started swinging... The first cop on the scene fired his stunner twice and Louie died instantly. Detective Eve Dallas has taken over the investigation, but there’s nothing to explain the man’s sudden rage or death. The only clue

is a bizarre message left on his computer screen: Absolute Purity Achieved. And when a second man dies under nearly identical circumstances, Dallas starts racking her brain for answers and for courage to face the impossible...that this might be a computer virus able to spread from machine to man...

**Seduction in Death** Penguin

Lieutenant Eve Dallas hunts for the killer of a seemingly ordinary history teacher—and uncovers some extraordinary surprises—in this thriller in the #1 New York Times bestselling In Death series. Eve Dallas doesn’t like to see innocent people murdered. And the death of history teacher Craig Foster is clearly a murder case. The lunch that his wife lovingly packed was tainted with deadly ricin. And Mr. Foster’s

---

colleagues, shocked as they may be, have some shocking secrets of their own. It's Eve's job to get a feel for all the potential suspects—and find out why someone would have done this to a man who seemed so inoffensive, so pleasant...so innocent. Someone Eve could easily picture dead is an old flame of her billionaire husband Roarke, who has turned up in New York and manipulated herself back into his life. Consumed by her jealousy—and Roarke's indifference to it—Eve finds it hard to focus on the Foster case. But when another man turns up dead, she'll have to keep in mind that both innocence and guilt can be facades...
