DEATH
COLLECTION
books 21-25

Penguin

An exclusive J.D.
Robb short story.

Eve Dallas' latest case is starting off a little more bizarre than usual - a police sketch of a killer based on eye-witness testimony reveals he has green skin, swollen red eyes, goblin ears, and a dislocated jaw-structure that defies the human form. Is it a mask? Is it make-up? Or is the explanation more sinister? Dallas faces off against multiple suspects - all of them students of medicine capable of precisely slicing the ears, noses, and eyes of the three victims. But who had the motive?

More importantly, what kind of rogue science are these healers practicing? Set between New York to Dallas and *Celebrity in Death*. An Eve Dallas Novel (In *Death*, Book 46) Penguin New York detective Eve Dallas searches for the bomber who threatens to make his destruction personal *Immortal in Death* Penguin Lieutenant Eve Dallas is thrust into the spotlight when she becomes the key witness in the

brutal murder of a famous actor. *Salvation in Death* Penguin Detective Eve Dallas searches the darkest corners of Manhattan for an elusive killer with a passion for collecting souls in this novel in the #1 New York Times bestselling *In Death* series. On one of the city's hottest nights, New York Police Lieutenant Eve Dallas is sent to Central Park—and into a hellish new investigation. The victim is found on the rocks, just above the still, dark water of the lake. Around her neck is a single red ribbon. Her hands are posed, as if in prayer. But it is the eyes—removed with the precision of a surgeon—that have

Dallas most alarmed. As more bodies turn up, each with the same defining scars, Eve is frantic for answers. Against her instincts, she accepts help from a psychic who offers one vision after another—each with shockingly accurate details of the murders. And when partner and friend Peabody is badly injured after escaping an attack, the stakes are raised. Are the eyes a symbol? A twisted religious ritual? A souvenir? With help from her husband, Roarke, Dallas must uncover the killer's motivation before another vision becomes another nightmare... *Seduction in Death* Penguin Follow New York City homicide

detective Eve Dallas as her investigations take her into the intriguing world of virtual reality, the seductive lifestyle of the rich and famous, and the dark underbelly of her own police force in this collection that includes three novels from the #1 New York Times bestselling Death series... FANTASY IN DEATH INDULGENCE IN DEATH TREACHERY IN DEATH **The Catcher in the Rye** Penguin Narrates the case of a serial killer

preying on the employees of an elite New York escort service, where police lieutenant Eve Dallas goes undercover *Ceremony in Death* Penguin Lieutenant Eve Dallas must solve the murder of a seemingly ordinary family, and protect one small, terrified survivor in this novel in the #1 New York Times bestselling In Death series. No affairs. No criminal connections. No DNA. No clues. Lieutenant Eve Dallas may be

the best cop in the city—not to mention having the lavish resources of her husband Roarke at her disposal—but the Swisher case has her baffled. The family members were murdered in their beds with brutal, military precision. The state-of-the-art security was breached, and the killers used night vision to find their way through the cozy middle-class house. Clearly, Dallas is dealing with pros. The only mistake they made was to overlook the

nine-year-old girl cowering in the dark in the kitchen... Now Nixie Swisher is an orphan—and the sole eyewitness to a seemingly inexplicable crime. Kids are not Dallas's strong suit. But Nixie needs a safe place to stay, and Dallas needs to solve this case. Not only because of the promise she made to Nixie. Not only for the cause of justice. But also to put to rest some of her own darkest memories—and deepest fears. With her partner Peabody on the job, and

watching her back—and with Roarke providing the kind of help that only he can give—Lieutenant Eve Dallas is running after shadows, and dead-set on finding out who's behind them.

Innocent In Death Penguin
The kitchen knife jammed into his cold heart pinned a cardboard sign to his well-toned chest. It read: Santa Says You've Been Bad!!!
Ho, Ho, Ho!
It's Christmas,

but Lieutenant Eve Dallas is in no mood to celebrate. While her charismatic husband Roarke plans a huge, glittering party, Eve has murder on her mind. The victim - personal trainer Trey Ziegler - was trouble in life and is causing even more problems in death. Vain, unfaithful and vindictive, Trey had cultivated a lot of enemies.

Which means
Eve has a lot
of potential
suspects. And
when she and
Detective
Peabody
uncover
Trey's
sinister
secret, the
case takes a
deadly turn.
Christmas may
be a festival
of light, but
Eve and
Roarke will
be forced
once more
down a very

Hillbilly Elegy is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of Hillbilly Elegy plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and,

most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family

history. A deeply moving memoir, with its share of humor and vividly colorful figures, Hillbilly Elegy is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country. *Rapture in Death* Penguin Revisit the fifth book in Tiffany Reisz's fan-favorite

Original Sinners series, where Nora Sutherlin, Manhattan's most famous dominatrix, was merely a girl called Eleanor... Rebellious, green-eyed Eleanor never met a rule she didn't want to break. She's sick of her mother's zealotry and the confines of Catholic school, and declares she'll never go to church again. But her first glimpse of beautiful, magnetic Father Marcus Stearns—Søren to her and only her—and his lust-worthy

Italian motorcycle is an epiphany. Eleanor is consumed—yet even she knows being in love with a priest can't be right. But when one desperate mistake nearly costs Eleanor everything, it is Søren who steps in to save her. When she vows to repay him with complete obedience, a whole world opens before her as he reveals to her his deepest secrets that will change everything. Danger can be managed—pain, welcomed. Everything is

about to begin. "I worship at the altar of Tiffany Reisz! Whip smart, sexy as hell—The Original Sinners series knocked me to my knees." —New York Times bestselling author Lorelei James Originally published in 2014 *Reunion in Death* Hachette UK In this thriller in the #1 New York Times bestselling *In Death* series, it's game over for the criminals who cross Lieutenant Eve Dallas as she

investigates the murder of a virtual reality wunderkind. Bart Minnock, founder of the computer gaming giant U-Play, is found in his locked private playroom, in a pool of blood, his head separated from his body. Despite his violent end, Eve can't find anyone—girlfriend and business partners included—who seemed to have a problem with the enthusiastic, high-spirited millionaire. Of course gaming, like any business, has its fierce rivalries and

warning when a dead body is placed outside her home, and her subsequent experiences make her question her beliefs about right and wrong. Reissue. Memory in Death St. Martin's Press
In a future where human nature remains as predictable as death, a killer plays God and puts innocent lives in the palm of his hand in this novel in the #1 New York Times bestselling

In Death series. With the precision of a surgeon, a serial killer preys on the most vulnerable souls of the world's city streets. The first victim: a sidewalk sleeper, found dead in New York City. No bruises, no signs of struggle. Just a laser-perfect, fist-sized hole where his heart had once been. Lieutenant Eve Dallas is assigned to investigate.

But in the heat of a cat-and-mouse game with the killer, Dallas's job is suddenly on the line. Now her hands are tied...between a struggle for justice—and a fight for her career... **Vengeance in Death** Penguin
Take a trip to futuristic New York City and experience the thrill of the chase as Lieutenant Eve Dallas captures the worst kinds of criminals in this collection
