Tangible remains play an important role in our relationships with the dead; they are pivotal to how we remember, mourn and grieve. The chapters in this volume analyse a diverse range of objects and their role in the processes of grief and mourning, with contributions by scholars in anthropology, history, fashion, thanatology, religious studies, archaeology,

classics, sociology, and political science. The book brings together consideration of emotions, memory and material agency to inform a deeper understanding of the specific roles played by objects in funerary contexts across historical and contemporary societies.

Gretchen Archer, USA Today Bestselling Author of the Davis Way Crime Caper Series The curtain rises on Cherry Tucker's debut as a high school set designer at the posh Peerless Day Academy. Cherry's been hired for an adaptation of Romeo and Juliet, but the drama director is hoping Cherry can also turn the spotlight on a malicious social media bully who's sending poisonous texts to the faculty. The director's got his own drama to hide, and the phantom texter seems eager to spill school secrets. When the principal's secretary commits suicide, Cherry suspects foul play. Deputy Luke Harper is ready to return as Cherry's leading man. He's eager to assist in finding the phantom culprit, but Cherry fears family secrets offstage may doom them to the role as star-crossed lovers. With the bully waiting for a murderous encore and her own family skeletons to hide, Cherry scrambles to find her brother and the mysterious texter before the phantom decides it's curtains for Cherry and forces her to take a final bow. Praise for DEATH IN PERSPECTIVE: "Death in Perspective is one fasten-your-seatbelt, pedal-to-the-metal mystery, and Cherry Tucker is the perfect sleuth to have behind the wheel. Smart, feisty, as tough as she is tender, Cherry's got justice in her crosshairs, and Death in Perspective is an accomplished addition to this winning series." - Tina Whittle, Author of the Tai Randolph Mysteries "Anyone who likes humorous mysteries will also enjoy local author Larissa Reinhart, who captures small town

Georgia in the laugh-out-loud escapades of struggling artist Cherry Tucker." - Fayette Woman Magazine "Cherry's efforts to unmask the phantom cyberbully disclose a complex web of puzzles, and her efforts are exacerbated by her own personal romantic and family problems, which are woven into the story. But, as in the author's previous mysteries, Cherry's feistiness rises to the challenge, which produces another interesting and exciting and often wacky story, which entitles Cherry Tucker to be admitted to the Order of Steel Magnolias!" - Southside Book Reviews "Death in Perspective is another thrilling adventure in this series and I'm sure, like myself, readers will fall in love with Cherry Tucker all over again, reminding us all why she is one of our favourite sleuths!" - Cozy Mystery Book Reviews "Loved it! I feel I might have dated Cherry Tucker once, she's that real; she's also funny, tough, and brilliant. Now she's even involved in theatre-maybe that's where we met." - Phillip DePoy, Edgar Award-Winning Author "Reinhart succeeds in mixing laughter with the serious topic of cyber-bully through blogs and texts, all the while developing a chemistry between Cherry and Luke that absolutely sizzles." - Kings River Life Magazine "Cherry is a quirky spitfire who lights the match that sets her little town on fire. With a laugh here and a laugh there, I enjoyed this whodunit and I'm eager to see what happens next in the adventures of Cherry Tucker." - Dru's Book Musings "The perfect blend of funny,

There is no doubt that the death of a loved one has a profound - and unpredictable -

effect on the lives of those left behind. Mourning is the price we pay for love. But how does anyone survive those first weeks, months, and even years after a death, and then eventually return to normal life? When her daughter's fiancé died suddenly, Katherine Ashenburg found herself drawn into the world of mourning customs. Finding little comfort in the stripped-down North American approach, she sought solace, and shaped the core of this much-praised book, by exploring the rich traditions that have sustained mourners in cultures around the world and across centuries. Intertwining anecdotes from past and present with her own story, Ashenburg uncovers the wisdom and creativity embedded in mourning rituals and their value in rebuilding those unravelled by loss.

---

Somehow, as Ashenburg so deftly reveals, we find strength and go on living. With a new afterword by the author.

The Materiality of Mourning Portrait of a Dead Guy" In Halo, Georgia, folks know Cherry Tucker as big in mouth, small in stature, and able to sketch a portrait faster than buckshot rips from a ten gauge -- but commissions are scarce. So when the well-heeled Branson family wants to memorialize their murdered son in a coffin portrait, Cherry scrambles to win their patronage from her small town rival. As the clock ticks toward the deadline, Cherry faces more trouble than just a controversial subject. Her rival wants to ruin her reputation, her ex-flame wants to rekindle the fire, and someone's setting her up to take the fall. Mix in her flaky family, an illegal gambling ring, and outwitting a killer on a spree, Cherry finds herself painted into a corner she'll be lucky to survive"--Publisher. hand, helplessly watching the cab drive away before I could give it back to her. The next morning when I stood in front of the portrait drying on my easel, I knew the beautiful ballerina would soon die. Her portrait is one of two hundred and twenty-seven. Each one of the subjects is the victim of murder, and I've painted them all. I've kept my morbid ability a secret for twenty years, terrified someday, someone would find out. Someday has arrived, and the someone banging down my door today demanding answers is a gorgeous, irate homicide detective armed with a photo of one of my paintings right there on the front page of the most popular tabloid in the city. He peppers me with questions I can't answer, and despite my worst fears being realized, all I can think about is painting this man, alive, and with far fewer clothes on. Detective Callum Graham tells me the dead ballerina I painted is his sister, and she's been missing for three years. Missing, he says firmly, as though any other conclusion is unacceptable. Bonus: Includes book club discussion questions. Praise for Larissa Reinhart's Cherry Tucker Mystery Series: Praise for **PORTRAIT OF A DEAD GUY**: An entertaining mystery full of quirky characters and solid plotting. Larissa Reinhart writes with panache and flair. Highly recommended for anyone who likes their mysteries strong and their mint juleps stronger!; Jennie Bentley, NY Times bestselling author of *Flipped Out*; Reinhart is a truly talented author and this book was one of the best cozy mysteries we reviewed this year; We highly recommend this book to all lovers of mystery books. Our Rating: 4.5 Stars." - Mystery Tribune "The tone of this marvelously cracked book is not unlike Sophie Littlefield's brilliant *A Bad Day for*

Sorry, as author Reinhart dishes out shovelfuls of ribald humor and mayhem. It takes a rare talent to successfully portray a beer-and-hormone-addled artist as a sympathetic and worthy heroine, but Reinhart pulls it off with tongue-in-cheek panache." - Betty Webb, *Mystery Scene Magazine* "Don't miss *Portrait of a Dead Guy* by Larissa Reinhart! *Portrait* is pure enjoyment, a laugh out loud mystery with some Southern romance thrown in. Five stars out of Five." -- Lynn Farris, *National Mystery Review Examiner at Examiner.com*

Thomas Hardy (2nd June 1840 – 11th January 1928) was an English novelist and poet. He was influenced by Romanticism and it has been reflected in his novels and poetry. He was criticised

---

by the Victorian society on the issue of the declining status of rural people in Britain. He was basically a poet. Initially he started writing poems. But he gained fame after his novels, such as *Far from the Madding Crowd*, *The Mayor of Casterbridge*, *Tess of the d'Urbervilles* and *Jude the Obscure*. Two of his novels, *Tess of the d'Urbervilles* and *Far from the Madding Crowd*, were listed in top 50 on the BBC survey- *The Big Read*. The story of *Tess of the d'Urbervilles* revolves around a 16-year-old very simple girl, named Tess Durbeyfield, who is the eldest daughter of John and Joan Durbeyfield. Since the family suffers acute financial crisis, so they approach the d'Urbervilles family who are holding huge land and having lot of money. There Tess meets Alec d'Urberville, who finds himself attracted to Tess. When Tess started working as a caretaker of Alec's blind mother's poultry farm, Alec gets an opportunity to rape her. After that there are many ups and down in Tess life. She meets Mr. Crick for another job. She also meets one more fellow Angel Clare, who is a travelling farmer's apprentice. They marry each other. But after knowing her story, again there is a turn in Tess life. How she manages all such situation, how she meets all the financial aspects, lot of things happen with Tess. Even Alec and Angel both start searching for Tess. So, the story has become very interesting, full of climax. How Tess meets Alec or Angel? Whether she gets involved with any of these two again? There are so many presumptions. Readers will surely enjoy the story, full of suspense and never expected ups & downs in the life of all the characters. At last, how Angel helps Tess and her family is the climax. Go ahead and must grab the book. A must read book for self development and how to be a good leader.

Portrait therapy reverses the traditional roles in

art therapy, utilising Edith Kramer's concept of the art therapist's 'third hand' to collaboratively design and paint their clients' portraits. It addresses 'disrupted' self-identity, which is common in serious illness and characterised by statements like 'I don't know who I am anymore' and 'I'm not the person I used to be'. This book explores the theory and practice of portrait therapy, including Kenneth Wright's theory of 'mirroring and attunement'. Case studies, accompanied by colour portraits, collages and prose-poems, provide insight into the intervention and the author highlights the potential for portrait therapy to be used with other client groups in the future.

Puckish and playful, Georges Perec infused avant-garde and experimental fiction with a wit and wonder that belied the serious concerns and

---

concepts that underpinned it. A prominent member of the OuLiPo, and an abiding influence on fiction writers today, Perec used formal constraints to dazzling effect in such works as *A Void*—a murder mystery that contains nary an “e”—and *Life A User’s Manual*, in which an apartment building, systematically canvassed, unfolds secrets and, ultimately offers a reflection on creation, destruction, and the devotion to art. Before embarking on these experiments, however, Perec tried his hand at a relatively straightforward novel, *Portrait of a Man*. His first book, it was rejected by publishers when he submitted it in 1960, after which he filed it away. Decades after Perec’s death, David Bellos discovered the manuscript, and through his translation we have a chance to enjoy it in English for the first time. What fans will find here is a thriller that combines themes that would remain prominent in Perec’s later work, such as art forgery, authenticity, and murder, as well as craftsman Gaspard Winckler, who whose namesakes

play major roles in *Life A User’s Manual* and *W or The Memory of Childhood*. Engaging and entertaining on its own merits, and gaining additional interest when set in the context of Perec’s career, *Portrait of a Man* is sure to charm the many fans of this postmodern master.
